

HUMAN MACHINE WEAKENS UNDER UNNATURAL STRAIN

Listless People Are Found in Every Large City.

THE ACTION IS ASTONISHING

Good Health and Real Happiness Restored to Many in This Country and Life Seems a Pleasure Instead of a Burden.

The rush and hustle of American life is a constant strain on both mind and body. Gradually the human machine wears out under this unnatural strain and nervous debility results.

A man or woman in this condition can get little happiness or success out of life. They feel tired all the time, have no energy or ambition and are gloomy, timid and despondent.

Are you one of these half sick, listless, nervous people? If you are, do you know that there is a tonic now being sold that has brought back the old energy and pleasure in life to thousands who have tried it?

Mr. Sherman of Sherman & McConnell, expressed the opinion that if the Omaha manufacturer will get out and do a little hustling for his own wares and not demand too much upon the retailer, he will find a market for his goods.

Mr. Sherman convinced the Omaha Ad club men that Omaha made goods are not advertised at home when he asked where he could purchase at retail a pair of Omaha made shoes.

GOODS MUST BE ADVERTISED

Ad Men Hear How Omaha Products May Be Pushed.

LOCAL MAKERS ARE BACKWARD

Are Given Direct Object Lesson of the Fact that Manufacturers Do Not Push Their Products Enough.

"Selling Omaha made goods in Omaha" was the topic that agitated the minds of the members of the Omaha Ad club at the weekly dinner. After disposing of the meal, which was made up almost entirely of articles manufactured elsewhere than in Omaha, Charles E. Duffie, advertising man for M. E. Smith & Co., lead off in the discussion.

Mr. Duffie took the position that if Omaha made products were advertised to a greater extent there would be a greater demand for them, but regretted that there is a lack in advertising the wares that are made here.

Women Campaigning to Land New Members

The campaign for new members is the main topic of interest at the Young Women's Christian association. Instead of competing by sides as in former campaigns, each club and department is working against the other to get the most new members.

The Business Girls' club, numbering sixty stenographers, each girls and saleswomen, has set up a stand near the elevator in the building, and has a member stationed there to secure all women who are not members.

The Social Hour club has green and white pennants hung throughout the building, and the other clubs and departments are advertising with posters.

Try This Home-Made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.

Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (lifty cents' worth) in a pint bottle; then add the Sugar Syrup, a deep seated cough inside every one, two or three hours.

You will find that this simple remedy takes hold of a cough more quickly than anything else you ever used. (Syrup costs a deep seated cough inside of 24 hours. Spleen, too, for whooping cough, croup, chest pains, bronchitis and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.)

This recipe makes more and better cough syrup than you could buy ready made for \$2.50. It keeps perfectly and tastes pleasantly.

Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in gum-resin and all the natural pine elements which are so healing to the membranes. Other preparations will not work in this formula.

This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equalled.

A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
