that your Swamp-Root has benefited me greatly. Last year I had a severe attack of lumbage. Was bad for a long time, and on seeing your advertisement, I determined to give it a trial. I did so and in two weeks was cured. I gave a bottle a poor woman who fould scarcely walk. She came to me in four days to tell me she was all right and most thankful. I had another attack last November and was so bad that I could not rise from my chair without assistance and could hardly lace up my boots. I at once sent for more Swamp-Root and after taking two bottles, I am more than glad that I am well again. My age being seventy-three, I am the more convinced of the excellence of Swamp-Root.
