Throughout Anniversary Week We Will Feature G. D. A. FRENCH CHINA

Famous For Its Beauty and Durability

This beautiful French china is manufactured in Limoges, France. It represents the supreme effort in French china pottery, having a very beautiful, smooth, hard surface that is very practical and durable.

For Anniversary week we have assembled some of the most beautiful patterns in Dinner Sets ever produced in French Pottery. Every pattern is exclusive and is found nowhere else. We have placed them in open stock, thus insuring a lower price and enabling you to buy one piece, or a dozen, as often as you like. There are dainty sets at moderate prices as well as some of the finest encrusted sets made.

G. D. A. French China has a charming elegance and is appropriate for every occasion. It is the kind you enjoy showing to your friends, and every set is so beautiful and serviceable that it remains in the family long after other sets are forgotten.

Please consider this a personal invitation to be present any time during Anniversary Week and inspect these exquisite patterns. You'll find the prices are less than you expected.

The Greatest Eliminator of Drudgery Giant Waterpower Washing Machine

Mrs. Housewife:-

This is the machine that does away with all the drudgery of "Wash Day" and leaves you smiling at the close of the day instead of tired and wornout. It is inexpensive to operate—all you have to do is "turn on the water and the washer does the rest." It cleans the clothes better than by hand and with less wear on them.

The Giant Washing Machine costs less to operate than any other make—it is simple in construction—cannot get out of order. It will soon pay for itself. You'll be surprised at the moderate price we are asking for this machine during Anniversary Week.
