DAHLMAN DENOUNCES SLATE

Mayor Says Citizens' Union List Stands No Chance at All.

WILL WIN HIS OFFICE

Executive of . Tells Democratic Club He Will Be Commissioner and Will Again Be Named Mayor.

Denouncing the Citizens' union as being an organization of sheep dominated by a coterie of clever politicians, Mayor Dahlman held several score of members of the Dahlman Democracy club spellbound last night for almost an hour at the regular weekly meeting of the club.

The mayor was not overly choice in his descriptive adjectives and his attack on the Citizens' union was received vociferously by the interested members of the club.

The slate which was drawn up by the union and made public yesterday afternoon came in for its share of abuse by the mayor and he predicted that not a member of the slate would be elected at the coming election.

"The fact that these men have been chosen by the Citizens' union," said the mayor, "is enough to defeat them at the polls.

His Honor Thunderstruck.

"I have never had any time for the Citizens' union," said Mayor Dahlman, "but I will admit I was anxiously awaiting the announcement of the slate, and when I saw who made it up I was thunderstruck. John Noble and Jack Ryder were my appointees and I surely was surprised to find them on the list. And let me tell you one thing right now, that if any of this bunch get into office why it will be worse than any machine which ever held the political situation in hand.

"I have been in politics for thirty years and have been up against the cleverest politicians in the country in my time, but I never saw such a raw deal pulled off as this one. There were three democrats put on the slate and four republicans. There was a Swede on the list. This was to get the Swede vote of the city. Then there was a Dane put on the slate. That also is to get the Danish vote of the city. And then an Irishman was put on the list. The other four were republicans and they would rule the entire seven. The other three would be merely figureheads.

"I want to tell you that I am in this race for commissioner and what is more I am going to get back the same office which I now hold and there will be no Citizen's Union to support me. I would not run for the office of commissioner if I had been put on the slate which was made public yesterday. It would have killed my chances just as it has killed the chances of the seven men they selected."

Oratorical Association Officers.

OSKALOOSA, Ia., March 23.—The Iowa Presbyterian Oratorical association, in annual session here today, elected the following officers: President, David H. Gill, Pennsylvania college, Oskaloosa; vice president, Wayne Beck, Leander Clark colege, Toledo; secretary, William L. Canaday, Highland Park college, Des Moines; treasurer, R. C. Williams, Central university, Pennsylvania.

A Reasonable Plea For the Stomach

If Your Stomach Is Lacking In Digestive Power, Why Not Help the Stomach Do Its Work?

Especially When It Costs Nothing to Try.

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach? Scientific analysis shows that digestion requires pepsin, nitrogenous ferments, and the secretion of hydrochloric acid. When your food fails to digest, it is proof positive that some of these agents are lacking in your digestive apparatus.

Stuart's Dyspepsia Tablets contain nothing but these natural elements necessary to digestion and when placed at work in the weak stomach and small intestines, supply what these organs need. They stimulate the gastric glands and gradually bring the digestive organs back to their normal condition.

Stuart's Dyspepsia Tablets have been subjected to critical chemical tests at home and abroad and are found to contain nothing but natural digestives.

Chemical Laboratory. Telegraphic address "Diffindo," London. Telephone No. 11029 Central. 30 Cullum St., Fenchurch St., E. C.

London, 9th Aug., 1905.

I have analyzed most carefully a box of Stuart's Dyspepsia Tablets (which I bought myself at a city chemist's shop for the purpose), manufactured by the F. A. Stuart Co., 86 Clerkenwell Road, London, E. C., and have to report that I cannot find any trace of vegetable or mineral poisons. Knowing the ingredients of the tablets, I am of opinion that they are admirably adaptable for the purpose for which they are intended.

(Signed)

John R. Brooke, F. I. C., F. C. S.

There is no secret in the preparation of Stuart's Dyspepsia Tablets. Their composition is commonly known among physicians, as is shown by the recommendations of 40,000 licensed physicians in the United States and Canada. They are the most popular of all remedies for indigestion, dyspepsia, water brash, insomnia, loss of appetite, melancholia, constipation, dysentery and kindred diseases originating from improper dissolution and assimilation of foods, because they are thoroughly reliable and harmless to man or child.

Stuart's Dyspepsia Tablets are at once a safe and a powerful remedy, one grain of the active principle in these tablets being strong enough (by test) to digest 1,000 grains of steak, eggs and other foods. Stuart's Dyspepsia Tablets will digest your food for you when your stomach can't.

Ask your druggist for a fifty cent box, or send to us direct for a free trial sample package and you will be surprised at the result. F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.

WAIT!

IT'S MADE WITH MILK

WATCH!

Passenger Train Jumps the Track

MIAMISBURG, O., March 23.—Cincinnati, Hamilton & Dayton northbound passenger train No. 16 was derailed a mile and a half south of this city tonight and, despite the fact that the engine, baggage car and an empty Pullman sleeping car went over a twenty-foot embankment and the remaining seven cars left the track, no one was killed and only one man was injured. The latter was the conductor of the sleeping car and he received only a few bruises.

A spreading rail is believed to have caused the accident.

The tracks at the point of the accident run parallel with the Big Miami river and the engine and cars which went down the embankment stopped at the very edge of the stream. There were 120 passengers in the cars that were following the sleeping car.

FORTVILLE, Ind., March 23.—Two persons were killed and more than thirty injured, many seriously, tonight when two crowded cars on the Indiana Union Traction company's lines collided just west of this place. The cars were running only about twenty miles an hour, but the vestibules of both were jammed, crushing the life out of both motormen. Short circuits of heavily charged wires and overturned heaters set fire to the wreckage. The least injured turned rescuers and carried from the burning cars those who were unable to help themselves.

Armed Men Captured On Train After Fight

ST. JOSEPH, March 23.—Two armed men on Burlington train No. 45 from Kansas City were captured by Police Officers Berenburg and O'Brien after a battle in the chair car as the train drew into the union station here tonight. They gave their names as Den and John Kay, 22 and 19 years of age, respectively. They had tickets from Franklin, N. C., to Billings, Mont. Huge revolvers and a quantity of ammunition were taken from them.

Passengers on the train say the two were discovered examining their weapons just as the train drew in at Armour junction, twenty-two miles from St. Joseph. The conductor from that place wired the St. Joseph police, who were awaiting at one of the stops in the depot yards. An officer boarded each end of the chair car when the train stopped and, suddenly opening the door, stepped in, weapons in hand. One of the men was at each end of the car and before they were aware of it the officers were on top of them. Hand-to-hand conflicts, in which a few of the less timorous passengers took a hand, followed. The men were finally disarmed and overpowered.

According to the train crew, the men had not made any demand that the passengers hold up their hands, but one had declared that he was going to make someone dance to his music.

Students Frighten Lone Women at Home

CHICAGO, March 23.—The kidnaping of a sophomore by three freshmen from Northwestern university and their subsequent invasion of the residence of Ralph Horn, who is in no way connected with student affairs, led to the arrest of the four boys tonight. They were released on cash bonds supplied by an official for the university. Horn said he would prosecute the case. The students are J. A. Cromer, sophomore, and W. P. Hart, A. J. Jindra and G. W. Scott, freshmen. Cromer was to have been the principal speaker at the sophomore banquet tonight and the freshmen determined he should not be present.

After Cromer had been captured, his classmates pressed the freshmen so closely that they dragged him into the Horn residence, where Mrs. Horn and her sister, Mrs. Robert Wilson, were alone. Amid the screams of the women, the captive was carried upstairs, bound with ropes, and thrown out a window to the roof of a porch. While the freshmen were attempting to escape, policemen arrived and placed the four students in a patrol wagon.

Both women have been ill, and according to Horn, are in a serious condition as a result of their experience.

Accused Soldier Gets Military Trial

SHERIDAN, Wyo., March 23.—(Special Telegram.)—William Wilson, the soldier who two weeks ago shot and killed Pat Loftus, a former comrade, and who was unconditionally released by the county officers Monday with the understanding that he was to be tried before a military court martial, has been returned to the custody of the civil authorities by Colonel Davis, commander of the Eighteenth infantry stationed at Fort Mackenzie, in accordance with instructions from headquarters at Chicago.

Wilson was on duty with his company Tuesday, but he was placed in solitary confinement in the guard house Wednesday, pending the receipt of instructions as to the procedure to be forwarded in the case.

CANADIAN PACIFIC TRAIN DERAILED NEAR JACKFISH

FORT WILLIAM, Ont., March 23.—Fourteen passengers were seriously hurt when four coaches of the second section of the Vancouver express of the Canadian Pacific railway left the rails at Jackfish, north of Lake Superior, today and rolled down an embankment. The injured passengers were taken to a hospital at Port Arthur. A broken rail caused the accident.

REPORT ON APACHES IS ASKED

Stephens of Texas Says Red Men Are Good Indians.

WASHINGTON, March 23.—The house Indian affairs committee was today directed to report within five days on the resolution which calls on the secretary of war for certain information about the Apache Indians. A proposal has been made to transfer the remnants of Geronimo's band from Fort Sill, Okl., to Arizona.

Representative Stephens of Texas was roused by Representative Palmer's pressure to get action on the resolution. It has been charged that the Apaches were not well treated.

"The Apache Indians live within fifty miles of my home," said Representative Stephens. "They are not prisoners of war, although they are under the surveillance of the military branch of the government. They are good Indians and I wish we had more of them."

ORGANIZE TO BUILD ROAD

Fifty Men Meet at Mitchell and Decide to Incorporate.

CAPITAL STOCK THREE MILLION

Proposed Route of Railroad Line from Mitchell to Pierre—Farmers Along Route Pledge Their Support.

MITCHELL, S. D., March 23.—(Special Telegram.)—Fifty men, living along the proposed route of a railroad line from Mitchell to Pierre, attended a convention here this afternoon, which had for its purpose the projection of a plan looking to build the road. To carry on the preliminary work and to incorporate, $1,500 in cash was raised at the meeting. It was decided to incorporate for the sum of $3,000,000. The title of the corporation was given as Sioux City, Mitchell & Pierre railroad.

The following directors were elected: Theodore Quale, Blunt; J. B. Ross, Miller; T. S. Hall, Cann Valley; A. I. Hitchcock, Mitchell; D. B. Miller, Mitchell; D. J. Jekyll, Highmore; H. B. Weil, Wessington Springs; A. W. Ewart and C. E. Crew, Pierre.

It was shown in the last few months mortgage contracts have been given by farmers living along the proposed route to the amount of $125,000 as pledges of financial aid to build the road.

The work is to be pushed from now on and the actual work of construction begun as soon as possible. The men attending the meeting were enthusiastic over the possible outcome of the road's construction.

SCHOOL FUND OF DAKOTA MAY RECEIVE BIG LIFT

PIERRE, S. D., March 23.—(Special.)—At appraisal prices placed on state school lands in the southern part of the state for the sales which will begin April 1 and continue through the first half of the month, the permanent school fund should secure a large sum if there is any buying, as the general range in all the counties runs from $20 as high as $90 an acre, with the level near the $60 mark.

In Davison county the range is from $30 to $75 an acre, Douglas county from $40 to $60 and Charles Mix country from $20 to $75, the low rate being on the rough lands of which the Missouri bluffs show a considerable acreage in that county. In Hutchinson the range is from $45 to $75, in Hanson from $45 to $90, in Lake from $25 to $70 and in Miner from $40 to $65, the general level in that county showing less variation than in any of the other counties, and even valuations.

In Bon Homme the range is from $40 to $75 an acre and in Minnehaha $40 to $80. The general average in Aurora county is from $40 to $55 an acre, but it is probable that one section in that county will be offered at the minimum price of $20 an acre, as several towns desire to purchase the section, which is now largely swamp, and make a lake and park of it by the use of artesian water.

They have raised a subscription fund for this purpose and will likely be given an opportunity to secure it for that purpose. These figures show a decided difference from the rush of sales of school lands at $10 an acre, which cleared most of the state tracts up in the older counties of the state.

Eighteenth Infantry May Move to Border

SHERIDAN, Wyo., March 23.—(Special Telegram.)—Orders have been received by the Eighteenth infantry stationed at Fort Mackenzie, two miles northwest of Sheridan, to pack and crate all private and public property and prepare to move at a moment's notice. Instructions to entrain for the Mexican border are expected hourly, indicating that if the troops leave they will not return to Fort Mackenzie.

The orders include instructions to leave all property, personal and otherwise, in this condition, for they may be assigned to another station and it will not be necessary to send an attachment back to superintend the packing and shipment of the goods.

MUSIC SUPERVISORS NAME MILLER VICE PRESIDENT

ST. LOUIS, March 23.—Miss Henrietta C. Baker of Baltimore, Md., was elected president of the Music Supervisors' National conference here today. C. H. Miller of Lincoln, Neb., was elected vice president and Miss Helen M. Cook of Rochester, N. Y., was elected secretary. James McElroy of McKeesport, Pa., was re-elected treasurer.

The committee on American national music reported its work toward standardizing the words and music of the "Star Spangled Banner" as a national anthem. It reported that it had found its task a difficult one because the composition of the music is of such a nature as to make it almost impossible to rearrange it so that every one could sing it. A new committee was appointed to carry on the work and the conference adjourned to meet at Rochester, N. Y., next year.

MISSOURI VALLEY DOCTORS WAGE WAR ON TUBERCULOSIS

COLFAX, Ia., March 23.—The discussion of tuberculosis at the meeting of the Missouri Valley Medical society featured the second day of the session. Rev. A. E. Kepford of Des Moines, state lecturer on tuberculosis, addressed the meeting.

A plea for the establishment of research and clinical laboratories in the cities of the Mississippi valley was made by Dr. Daniel Morton of St. Joseph in his paper on that subject, after which a committee was named to report plans for the carrying out of this feature at the annual meeting to be held in either Omaha or Council Bluffs next fall.

The tuberculosis session this afternoon was featured by the presentation of a number of remarkable cases treated by members of the society.

IOWA SCHOOLS ACCREDITED BY NORTH CENTRAL BOARD

CHICAGO, March 23.—Eight hundred and fifty-seven colleges and secondary schools were placed on the accredited list of the North Central Association of Colleges and Secondary Schools by the board of inspectors of the association at their annual meeting today. Among these are schools in Iowa located at Cedar Rapids, Davenport, Dubuque, Keokuk, Manchester, Marion, Muscatine and Waterloo.

Bernard Herrmann Dead at West Point

WEST POINT, Neb., March 23.—(Special.)—Bernard G. Herrmann, former sheriff of Cuming county, died at his residence at 2 o'clock this morning. Mr. Herrmann had been in average health apparently for many years, but two days ago complained of feeling ill. Little was thought of the matter until he was seized during the night with a severe hemorrhage of the lungs, which terminated fatally after a few hours' illness.

Mr. Herrmann had been out of the sheriff's office since the new year, being succeeded by Milton Knight. Mr. Herrmann was 48 years old and is survived by a widow and four children. He was a member of the Modern Woodmen of America under whose auspices his body will be interred.

During his incumbency of the sheriff's office, for one term, he was honored by all his fellow-townsmen, his conduct of the office being impartial and kind. He had been a resident of Cuming county all his life, his father, still living, being a pioneer settler, a few miles from West Point.

INDIANA STATE CONVENTION TO BE FOR PRESIDENT TAFT

INDIANAPOLIS, March 23.—Republicans of Marion county tonight selected delegates to the state convention which will name four delegates-at-large to the national convention and also nominate two electors. Of the 134 delegates, a large majority favor Taft's candidacy.

Reports from a number of counties show that Taft delegates are in the lead.

Iowa News Notes.

GLENWOOD—The Burlington will run a seed corn special through southwestern Iowa on March 26 to 29. The stop at Glenwood will be on Friday, March 29, from 11:35 to 12:25.

GLENWOOD—Lafe Young of Des Moines will make the principal address at the good roads meeting to be held in Glenwood on Saturday, March 23. The clerks and supervisors will be dined by the Commercial club.

FORT DODGE—Frank Mooney, a young farmer of Webster county, lies at the point of death with lockjaw. He is steadily growing weaker and his body is stiffening. The young man recently cut his head and failed to take proper care of it.

CRESTON—Captain Joshua Bishop, one of Union county's old settlers and veterans, died at his home in Des Moines Wednesday. The body will be brought to Afton, his old home, where interment will be made. He was a pioneer newspaper man with a wide acquaintance.

CRESTON—The Cumberland branch of the Burlington is experiencing the most trouble in its history this March. They are minus trains about three days each week. Stock shipments are refused, local freight not delivered and they congratulate themselves if they have coal for their needs. The deep cuts and crooked track are the main causes of the blockades.

LOGAN—After being banqueted and spending a pleasant hour or more in short speechmaking at the Christian church here last evening, those in attendance went to the Methodist church where Jacob J. Peat of Ching King, China, lectured on "Religion of the Chinese;" Rev. Mr. Carson on the "Characteristic of the Chinese," and Rev. C. L. Baxter of Council Bluffs on "Outlook of the Home Field."

LOGAN—Snow fall here since January 1, fifty inches; 1911, fifty-one inches; 1910, fifty-eight inches; 1909, seventy-two inches; 1908, fifty-one inches; 1907, eighty-eight inches and in 1901, 102 inches. The lowest temperature here thus far this winter was 35 degrees below zero at Logan, government instrument; 32 at Missouri Valley and 38 at Woodbine and 42 at Denison. In January, 1881, the temperature at Woodbine was much colder than in 1912.

Ragtime Declared Bad for Children

ST. LOUIS, March 23.—Resolutions endorsing parent compensation legislation, a federal children's bureau and equal guardianship for the parents was adopted by the committee on resolutions of the National Congress of Mothers and Parent-Teachers' association here today and will be read for adoption by the congress at a business session tomorrow morning.

Another resolution endorsed the educational value of motion pictures and recommended their use in the public schools.

That ragtime music is undermining the musical ear of the present generation of children was the charge brought by Mrs. Frances E. Clark in her address on training the ear in music before the school age before a meeting of mothers.

"If I had my way I would throw all ragtime music into the sea," she declared.

"Mother language is imparted to the ear long before the child is able to read a primer," she said. "The child should have music almost at its birth. Every child has an instinctive longing for music. It manifests itself first in the desire to beat on things—drums, for instance."

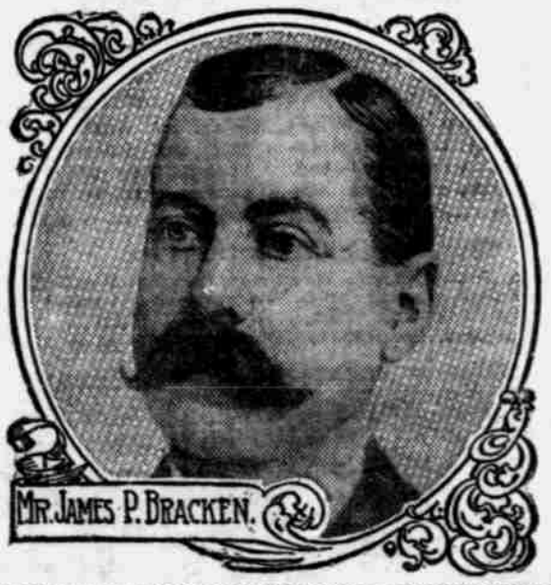
Mrs. Clark proceeded to tell the mothers just what music to play for each of the child's moods. Unwittingly her arguments were demonstrated by Earl Wynekoop, 6 years old, who is attending the convention with his mother.

As soon as he heard the strains of music he rushed to the front and listened, exclaiming aloud his delight.

KAISER WILL INCREASE HIS ARMY AND NAVY

BERLIN, March 23.—The establishment of two additional corps to the Prussian army, increases in the Saxon and Bavarian armies and the establishment of an extra naval battle squadron is Germany's answer to the recent speech of Winston Spencer Churchill, first lord of the British admiralty, given today by the submission to the federal council of the new army and navy bills.

SUFFERED NEARLY TWELVE YEARS PERUNA MY RELIEF.



MR. JAMES P. BRACKEN.

Nasal Catarrh and Indigestion.

Mr. James P. Bracken, 442 W. 43d St., New York City, N. Y., writes: "For nearly a dozen years catarrh has bothered me in one form or another. I was troubled with nasal catarrh that had affected my stomach, which troubled me most in the morning. My appetite was poor, and I did not seem to relish my food. Indigestion bothered me at times, also. I was advised to take Peruna, and I took it as prescribed for a month, when my cure was almost complete. Today there is not a trace of catarrh in my system, and I can say without hesitation that Peruna cured me."

Catarrh of Head and Stomach.

Mr. Frank Richter, 389 East Second St., Winona, Minn., writes: "As a remedy for catarrh I take pleasure in recommending Peruna for catarrh of the stomach.

"My catarrh was principally located in my head and stomach. I tried many remedies without success. I tried several doctors, but they were unable to cure me. I read of Peruna in the papers and five bottles cured me."

System in Bad Condition.

Mr. Michael Rooney, 26 Fifth St., Watervliet, N. Y., writes:

"If I had known of Peruna years ago I should have been saved much suffering. Under carelessness and exposure in my younger years my system got into a very bad condition before I was aware of it.

"My friends advised me to try Peruna, for which I am very thankful, as it has cured me in two months."

Valuable Item for Men

Health and strength hitherto unknown will be felt surging in rich red blood through the arteries and veins and life's greatest ambitions may be realized as never before, if the following special treatment is followed by those men, and women, too, who are stricken with that most dreaded of all afflictions, nervous exhaustion, accompanied with such symptoms as extreme nervousness, insomnia, cold extremities, melancholia, headache, constipation and dyspepsia, kidney trouble, dreadful dreams of direful disasters, timidity in venturing and a general inability to act naturally at all times as other people do. Lack of poise and equilibrium in men is a constant source of embarrassment even when the public least suspects it. For the benefit of those who want a restoration to full, bounding health and all the happiness accompanying it, the following home treatment is given. It contains no opiates or habit-forming drugs whatever. Mix it at home and on one will be the wiser as to your affliction.

The treatment is simple, thorough and correct. Leading druggists supply the main tinctures, extracts and essences in one-ounce bottles, ready to mix. Get three ounces syrup sarsaparilla compound, mix with one ounce compound fluid balmwort, and stand two hours. Add one ounce compound essence cardiol, and one ounce tincture cardomehl compound (not cardamom), shake well and take a teaspoonful after each meal and one at bedtime.

The ingredients are used for various prescriptions.

The above prescription is manufactured by the well known pharmaceutical house, Prescription Products Co., Dayton, Ohio.
