

BRIEF CITY NEWS

Have Root Print It.
Jeff W. Bedford—Coal.
Thos. W. Blackburn for congress—Adv.
Alfred Sorenson for city commissioner—Adv.
Electric Coffin Percolator—Burgess-Granden Company.
F. S. Tucker, republican candidate for senate, Bell phone "Florence 245."—Adv.
Meiner Leaves Hospital—R. Meiner, who was injured in a street car accident some time ago, left the hospital yesterday.
Robert Reger Recovering—Robert Reger, a young rate clerk in the Illinois Central office, is rapidly recovering from an operation for appendicitis at St. Joseph's hospital.
Fred Brodsgard & Co., jewelers, for many years past located at 115 South Sixteenth street, will about April 20 move into new quarters which are now being prepared for them in the Brown building at the corner of Sixteenth and Douglas streets.
Thos. A. Ralph, Printer, 329 S. 12, D. 2155.
Roy A. W. Blackburn has written John L. Webster, president of the Taft league, requesting that the league endorse him as its candidate for congress, because he is the only candidate of the three who is awarded for the renomination of the president.

Winners Named in Elocution Contest

The results of the first preliminary to the annual elocution contest held at Creighton university Friday were announced yesterday. Eight were chosen from each of the three college classes, and will appear in a second preliminary on April 27. Those chosen are as follows:
 Senior Class—Stephen Boyle, Edward Costello, Louis Kavanagh, Louis Moore, George Eddy, Carl Rasmus, Mark Ryan and Paul Tobin.
 Junior Class—John Beveridge, Steven Dieringer, Raphael Hamilton, John Polak, Ernest Simmons, Henry Sullivan, Omer Sullivan and Chester Wells.
 Freshman Class—William Flaherty, Paul Harrington, Norman Haverly, Benedict Hennessy, Joseph Lancaster, Romeo LaPorte, Carlisle Lents and Joseph Whelan.
 From the four classes in the high school department seven were chosen in all, twenty from the freshmen, twenty-one from the sophomores, twelve from the juniors and seventeen from the seniors.

Home of Fred Busch is Damaged by Fire

Fire of unknown origin yesterday morning damaged the home of Fred Busch, 127 Pacific street, to the extent of several hundred dollars. It started in the basement and before it could be extinguished had burned through the floor and damaged some of the rooms.
 The house was unoccupied, Mrs. Busch being out of the city and Mr. Busch staying at a hotel. Mr. Busch and members of the fire department say there was only a small fire in the furnace, and that the furnace is situated in a different part of the basement from that in which the fire broke out.

OMAHA POLICE PUT OUT DRAGNET TO FIND MUTT

Mutt has been stolen.
 Not the Mutt, who is so chummy with little Jeff, but Mutt, the prize bull dog belonging to Will Mandel, 134 Douglas street. Mandel reported to the police last night that some one had enticed him away from his haunt in a cigar store at Sixteenth and Farnam streets and that he would give almost anything to get him back.
 The police suspect a little fellow with bristly whiskers, who wears a silk hat.

THIS THIEF RAN AWAY WITH LONE WAGON WHEEL

The police are greatly puzzled over a report of a lost wagon wheel, which came into headquarters last night. The Gate City Furniture company reported the loss of the rear left wheel of their wagon, which was standing in the alley in the rear of 1423 North Seventeenth street. What any one would want with only one wheel is mystifying to the department.

Don't rub the life out of your clothes

Sprinkle a little Gold Dust in the water, and let the Gold Dust Twins do all the hard part of the task. Gold Dust starts to dissolve and lather the moment it strikes the water; it starts to cleanse the moment it comes in contact with the garment. It instantly softens the hardest water, saves rubbing, saves wear and tear on clothes, and does most of the work without your assistance.

Use Gold Dust next wash day, and have whiter, sweeter, cleaner clothes, with half the effort and in half the time.

Gold Dust is sold in 50 cent and large packages. The large package means greater economy.

"Let the GOLD DUST TWINS do your work"

SCHOOL AND COLLEGE WORK

Instructive Features of Report of Carnegie Foundation.

PENSION SYSTEM OF CHICAGO UNIVERSITY

The pension roll of the Carnegie Foundation for the Advancement of Teaching carries the names of 313 persons, their average annual payment being \$1.61 each. Fifteen recipients of pensions died during the year ending September 30, 1911. Thirty-two pension allowances and seven widows' pensions were granted. Disbursements for the fiscal year were \$520,000, and the total to date \$1,740,000.

These figures are taken from the sixth annual report of the president and the treasurer of the Carnegie fund. Mr. Carnegie's original gift of \$10,000,000 in 1906 has grown to \$12,123,000, the increase including \$1,000,000 received in 1911 as the first installment of Mr. Carnegie's additional gift of \$5,000,000 pledged in 1908. The teachers of twenty-one universities, colleges, and schools of technology are eligible to the fund, the University of Virginia having been added during the year. The report says: "No grants have been made under the rule permitting allowances to presidents and other administrative officers after twenty-five years of service retiring before the age of 65. The trustees declined it, and established a new rule under which the foundation will continue to a professor when he reaches 65 an allowance begun by his own institution at the expiration of twenty-five years of professional service or thirty years as instructor or professor."

The second part of the report is a comprehensive survey of educational progress and tendencies and a criticism of widespread waste in the management of school finances. A great variation in educational efficiency is noted, whereby some states spend only one-eighth as much as others, per capita, in education, have only half as long a school year, enroll only half a proportion of school children, and spend only one-fifth as much in educating each teacher.
 Among the signs of educational progress noted in the report are the decreasing competition of universities and colleges with high schools, broadening of entrance requirements in universities, and a marked increase in the number and size of postgraduate schools. In professional education there is an enormous duplication of facilities and consequent financial waste. Efforts are being made to stop this waste, the foundation and the engineering societies co-operating to bring about consolidation of weak schools by insisting on higher standards.

BELLEVUE COLLEGE.

Spring Vacation Offers Time for an Interesting Investigation.
 The spring vacation began March 22 and will continue for ten days.
 The custom recently adopted by the women members of the faculty of sitting with the seniors at the chapel service was rudely disturbed a few days since by some miscreants among the students, who removed the most important part of the seats. The perpetrators have not yet been discovered, but it is understood that trouble is brewing for somebody.
 The junior class has engaged Miss Lillian Fitch of Omaha to direct the production of its commencement week class play, which will probably be "Strong Heart."

Base ball practice is going on in the gymnasium and a good sized squad is taking the daily workout. Captain Fowler issued the call for candidates Monday and got a good response. Contrary to the usual order of things, pitchers and infielders are numerous and promising, while strong candidates for the outfield positions are scarce. The first practice game has been scheduled with the Council Bluffs Invincibles for April 6, almost immediately after the close of the spring recess, and very little opportunity for outdoor work will be given the team before the first game. The first college game will be played against Cotner at Bellevue on April 17. Negotiations are still pending to secure Bill Schipke as coach for the season, but the veteran third baseman now plays a prohibitively high valuation on his services.
 Mr. Klinger of Spaulding, Neb., spent Friday with his son and daughter, who are juniors in the college.
 Advantage is being taken of the vacation by the business management to make some needed repairs and improvements in Clarke hall. Miss Fawcett is also doing a fine thing for the college in redecorating the chapel.

Prof. George H. Hamilton has purchased the slightly tract east of the college and north of the Fletcher home and will improve it during the coming summer.
 Dr. E. A. Ross paid a flying visit to Bellevue Saturday. He and Prof. Stoekey were classmates in college.
 Miss Marie C. Adelt, instructor in domestic economy, is spending the vacation with her sister in St. Joseph, Mo.

WESLEYAN UNIVERSITY.

Old Gymnasium is to Be Used for Laboratory.
 The semi-annual meeting of the board of trustees was held last Thursday. Besides attending to much routine business, plans were made for reconstructing the old gymnasium into a laboratory and the report of Mr. Strader on the progress of the endowment campaign was received. The University Glee club filled three important engagements during the last week. Concerts were given in Omaha, Oakdale, Neb., and Mound City, Mo.
 The university orchestra has returned from a series of concerts at Scribner, Pilger, Stanton and Hooper. The organization was well received, and in spite of storms and delayed trains gave eight concerts and came back more than even financially.
 The annual Pan-Western banquet is scheduled for April 19 at the Lincoln Auditorium. This event is participated in by all classes and departments of the university. The attendance will probably reach close to the 1,000 mark and tax the capacity of the building to the limit.
 Spring vacation begins on April 3. Because of unfavorable weather very little has been accomplished in the way of work-outs by the base ball team. Coach Kline has asked all candidates for the first team to remain in University Place for practice during vacation week.
 The faculty and Board of Student Publications have recently ranged on candidates for office and business managers, both of the Wesleyan, the college paper, and "The Coyote," the college year book. There are ten entries for the four positions, showing the interest taken in these publications by the student body.

DURUM WHEAT

A Most Valuable Food
 The original Durum wheat was grown on the banks of the Black Sea, and because of its richness the gluten has always been used by the Italians for the making of macaroni. The U. S. Agricultural Department imported some of the best specimens of this Durum wheat and tested it out. When they found the right soil and climatic conditions they produced the finest Durum wheat in the world.
 From this wheat, so rich in nourishing elements, Fausti Macaroni is made. For this reason, Fausti Macaroni is the most nutritious food of all—and, best of all, it contains that nourishment in the most easily digested form. It is all food, good food without waste.
 Fausti Macaroni is a cheap food, too. A 5c package will make the principal part of a meal for a family of five—it will take the place of many times its value in meat.
 Use more Fausti Macaroni and cut your butcher bills in half—and be better fed, too. All good dealers sell Fausti Macaroni—5c and 10c packages. Write for our free book of Recipes.

MAULL BROS.

1221 St. Louis Avenue, St. Louis, Mo.
 A "spring opening" is planned for the new greenhouse next Friday afternoon. This structure, which was erected last summer, is one of the most up-to-date in the country, with concrete walls, hinge ventilators, steam heat and three tables each 100 feet long. There are 4,000 plants and 3,000 bulbs now being forced in order to be ready to bloom on the campus in time to be in set at commencement time.

KEARNEY NORMAL SCHOOL.

Bryan, Metcalfe and Richmond Make Addresses to Students.
 Students and faculty of the Kearney Normal were greatly pleased to receive a visit on Friday morning from William Jennings Bryan, accompanied by Richard L. Metcalfe and Henry Richmond. Mr. Metcalfe gave an interesting and valuable address, after which Mr. Bryan spoke for three quarters of an hour on "Oratory and Education." His address was greatly appreciated and exceedingly helpful to the students. Mr. Richmond called as a friend and one interested in the school from his former association therewith. Mrs. Richmond was a member of the first faculty of the Normal school.
 The German students, under the direction of Miss Alma Hoste of the German department, held a stated meeting on Tuesday of last week. Misses Louis Schumacher, Elise Hoffmann, Stella Krause and Edith Hanish rendered the German comedy "Ein Kuppelkuch" in a very pleasing manner. Earl Welliver gave a recitation, Misses Kate West, Irma Green, Bernice Wood and Myrtle Thysen gave a German play. Will Wolfe rendered a piano solo. Considerable interest is taken by the students in this club.
 Miss Sarah L. Garrett, registrar, read a paper on "Literature and Art" before the Nineteenth Century club on Tuesday afternoon.

Prof. Mercer gave a talk to the students on the Equinox on Thursday morning.
 President Thomas was called to Iowa on Tuesday of last week by the death of his mother, who was laid to rest by the side of his father, who died in December, in the Greenwood cemetery at Clarinda, Ia.

CHICAGO UNIVERSITY.

System of Pensions for Aged Professors and Dependents.
 At the eighty-second convention of the University of Chicago March 19, President Harry Pratt Johnson announced a system of retiring allowances for University of Chicago professors and allowances for widows of professors has been instituted by the board of trustees.
 The fund is capitalized at \$2,000,000, taken from the \$10,000,000 Rockefeller endowment of 1910.
 Heretofore there has been no provision for the support of retired or disabled University of Chicago professors, since that school, being nonsectarian, is ineligible for either the Carnegie pension or the Rockefeller endowment for aged professors.

One hundred and twenty-five degrees were conferred at the convocation, fifty-seven of them titles of associate, forty-seven bachelor degrees, seven masters, and thirteen doctors. Those receiving degrees from adjacent states are as follows:
 Iowa—Larned van Patten Allen, S. B.; Davenport; Carl Hamann, Lambach, J. D.; Davenport; William Addison Warner, Jr., S. B.; Des Moines; Clarence Edwin Lynn, S. B.; Dubuque; Ellen Corona Mulrooney, Ph. B.; Fort Dodge; Maude Miriam Miller, Ph. B.; Fort Madison; Halstead Marvin Carpenter, associate in philosophy, Moultrie; George Milton Potter, A. M.; Oaage; Nena Frances Wilson, Ph. B.; Washington.
 Kansas—Earl Ralph Hutton, Ph. B.; Wichita.
 Nebraska—Emma May Miller, Ph. B.; in education, Lincoln.
 North Dakota—Joseph Christopher Gierum, S. B.; Devils Lake.

STATE NORMAL SCHOOL.

President Sparks Will Attend Bryan Banquet at Lincoln.
 President Sparks left Sunday evening for Lincoln, where he will attend the Bryan banquet to be given on Tuesday evening. He will return to Chadron Thursday morning.

Friday morning Prof. Walker of the high school visited chapel and responded briefly to the usual invitation extended to visitors to give a word of greeting to the students. Mrs. Pitman gave us one of the best short talks of the year and Mr. Sparks and Mrs. Richert promised to talk at some future time. In view of the approaching game with Sidney Mrs. Irwin led in the cheering. The exercises closed with the "Bells song."
 At the last class meeting the seniors decided to publish an annual. The following officers were elected to direct the work in their respective lines: Editor-in-chief, Miss Carrie Munkers; business, David Daboll; athletics, Walter Bowman; literary, Miss Catherine Hennessy; social, Miss Emily Grews; calendar, Miss Kathleen Morgan.
 On Tuesday during the chapel period Miss Anna Day, assistant state superintendent, gave a talk on the country schools of northwest Nebraska, and impressed upon the students who intended to become teachers the need of adapting themselves to conditions in their districts.
 In accordance with some previous arrangements several of the normal boys met Friday evening for the purpose of organizing themselves into a club whose chief purpose is debating and public speaking. Prof. Wilson was chosen sponsor and the following officers were elected for a term of four weeks: President, E. D. Zink; vice president, Kenneth Sevel; secretary, Clarence Garley; treasurer, Ernest Nelson, and sergeant at arms, Vivian Lundmark.

Last week the regular monthly professional meeting of the faculty was held at the office at the normal building.
FREMONT COLLEGE.
Brief Mention of the Week's Happenings.
 Miss Irene Stecker, graduate of the shorthand department, has taken a place with the Motorist in Omaha.
 Miss Ida Kaufman, graduate of the shorthand department, has accepted a place with an Omaha wall paper house.
 The expression class celebrated St. Patrick's day with a program consisting of Irish songs and readings. Mrs. Clemmons gave a sketch of St. Patrick and said that inasmuch as St. Patrick's day was her birthday she always celebrated it.
 A play entitled "The Toastmaster" was given under the auspices of the Union Literary Tuesday. It was well presented; well patronized and it is said by some in attendance that it was the best play that has ever been given at the college.
 Much interest is being manifested among faculty and students over the coming of the East Central Nebraska Teachers' association next week. It will be the last week of the present term and examinations will be held the early part of the week, thus giving all a chance to attend the meetings who are staying over on the campus in time to be in bloom at commencement time.

Prof. Gregg is expected home to spend his vacation in Peru. He has been at Chicago university during the winter semester.
 The Nebraska county farmers' institute was in session here Saturday. The speakers were Prof. Filley, Mr. Granlich and Miss Rowen of the state university.
 Awards were recently made to the winners of a kodak contest for the February. First prize to Mr. Clements, second, Mr. Johnson, and third and fourth, Mr. Krebs.

Students' Retreat at Sacred Heart

Retreat of the students of Sacred Heart high school and sodalities of that parish was begun last evening at 7:45 o'clock at the church. Twenty-second and Blinney streets.
 Solemn high mass was said in the morning at which Father William J. Leahy, S. J., of Cleveland preached a sermon on the retreat. The Rev. Father Lawrence A. Meyer of Creighton university was sub-deacon and the Rev. Father C. Collins, master of ceremonies.
 Almost 600 parishioners received communion and it is expected that 300 will make the retreat.
 Mass will be said this morning at 8:30 o'clock and in the afternoon at 3 o'clock station of the cross and benediction will be held.
 A special service for the young girl students of the parish will be held each morning and afternoon.
 Each night until the close Thursday morning services will be held at 7:45 o'clock.

Blacksmith is Gone; Foul Play Suspected

Mrs. Thomas Peterson, 2424 South Twenty-fourth street, has asked the police to try to locate her husband, who left his home to go to work Saturday morning and has not been seen or heard of since. Mr. Peterson is a blacksmith, operating a shop at Seventh and Leavenworth streets. He is 45 years old and was well dressed when he left home. He had over \$150 with him and his wife fears foul play.

Particular Thief Takes Best Chickens

H. Moskowitz, 305 Burdette street, reported to the police that his chicken coop was broken into by thieves last night and twelve well bred birds stolen. There were several other chickens in the coop at the time of the theft, but the discriminating thief took only the best, eliminating thief took only the best.

PROF. ROSS RENEWS A COLLEGE FRIENDSHIP

Prof. Edward A. Ross of the University of Wisconsin returned east immediately after the Palmist dinner, which he addressed Saturday evening. Prof. Ross while here renewed personal acquaintance and friendship with Victor Rosewater of The Bee, dating back to the time when both were students at Johns Hopkins university under the same professors of economics and sociology. Dr. Ross also recalled that they had not dined together since the dinner he had given about five years ago in honor of the noted English economist, John A. Hobson, who was his guest at Lincoln.

GRIP THIEF AT WORK IS CAUGHT BY POLICE

Frank Lucas was arrested yesterday afternoon for the alleged theft of grips from the Union station. He is said to have stolen two grips Saturday afternoon from E. A. Tynan, 3039 Harney street, who was leaving Omaha to attend school at Indianapolis. He left his grips on the stairs while he went to purchase a ticket and when he returned they had been stolen.

I INVITE EVERY WOMAN

Every woman is invited to consult our Staff of Physicians, Surgeons and Specialists, at the Invalids' Hotel and Surgical Institute, Buffalo, N.Y., by letter at my expense—R. V. PIERCE, M. D.
 There is every reason why women should not trust their delicate constitutions in the hands of unskilled persons. It requires a thorough medical education to appreciate and understand the female organism. There is every reason why she should write a specialist.

As a powerful, invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, fainting spells, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the distinctly feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

Dr. Pierce's Favorite Prescription is devised and put up by a physician of vast experience in the treatment of woman's maladies. Its ingredients have the indorsement of leading physicians in all schools of practice.

The "Favorite Prescription" is known everywhere as the standard remedy for diseases of women and has been so regarded for the past forty years and more.

Accept no *secret nostrum* in place of "Favorite Prescription"—a medicine of known composition, with a record of forty years of satisfaction behind it. Sold by all Druggists.

Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One to three doses. Easy to take as candy.

Send 31 one-cent stamps to pay cost of wrapping and mailing only on a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, cloth-bound. Invalids' Hotel and Surgical Institute, R. V. Pierce, M. D., President, Buffalo, N. Y.

Columbia university will not be open women students. In the beginning of its career, at all events. This is the decision of the authorities of the university, confirmed by the advisory board of the school. It is based upon the practical difficulties, including expense, in the way of provision for women in the school, and also the admission of any expression by Mr. Pulitzer, either during his life or in his will, which would call for a four-year's course, on a plane with the regular academic course at Columbia, to which course women are not admitted.

REV. C. H. BASCOM ORDAINED

Priest is Elevated at Morning Service at All Saints' Church.
HE WILL HAVE TWO PARISHES
 To be Priest in Charge of St. Stephen's Episcopal Church at Ashland and St. John's Episcopal at Wahoo.
 With solemn and impressive ceremony Rev. Charles Hamilton Bascom was ordained a priest of the Protestant Episcopal church by Rt. Rev. A. L. Williams, bishop of the Nebraska diocese, at All Saints' church yesterday morning.
 The young priest leaves this week for Ashland, Neb., where he will take the pastorate of St. Stephen's Episcopal church. He also will be pastor of St. John's Episcopal church, Wahoo.
 Members of All Saints' parish and visitors, many members of the Ashland and Wahoo churches, and representatives of the Young Men's and Young Women's Christian associations and other religious and semi-religious organizations filled the church. A few simple floral decorations added an artistic touch to the service and yet robbed it of none of its solemnity. Musical parts of the ritual were sung by the vested choir, the music increasing the serious impressiveness of the occasion.
 Those who took part in the ordaining were Bishop Williams, Rev. T. J. Mackay, rector of All Saints'; Rev. John Albert Williams, rector of the Church of St. Philip, the deacon, and deacon examining council: Rev. James Noble, rector of St. Matthias church and chaplain of Brownell hall, and Rev. J. W. Jones, city missionary of the Episcopal church.

After the morning prayer service Bishop Williams preached a brief sermon upon the text, "All Power is Given unto Me." He discussed the duties of a priest, holding that in order to perform them he not only must have strength and courage, but must have the God-given power to use that strength and courage.
 The young priest then was ordained by the ritual provided. He made his declaration of conformity, answering the questions put to him by the bishop as to his willingness to abide by the rules and laws of the church and obey the commands of those higher in authority than he. Rev. Mr. Williams formally presented to candidate, saying he had examined him and had found him fit for the holy order.

Rev. Mr. Bascom then was ordained a priest by the laying on of hands, first by the bishop and then by the other ministers in the church.

A brief period of silent prayer for the young priest followed, and the ordination ceremony was ended.

Mr. Bascom has spent years in preparation for the priesthood. He is a son of Canon Bascom, rector of Holy Trinity church, Castro St. Lucia, West Indies. Canon Bascom has been pastor of that church for thirty-seven years and it was in its shadows that the young priest was born.

Miss Edith Tobitt to Address Librarians

Miss Edith Tobitt of the Omaha public library will deliver an address on "Type of Assistant" at the annual meeting of the American Library association, which will be held in Ottawa, Canada, the last week in June.
Death from Blood Poison
 was prevented by G. W. Floyd, Plunk, Mo., who healed a dangerous wound with "Buckley's Africa Salve." Only \$20.

CODY MAN LOSES GRIPS WHILE BUYING TICKET

E. A. Lyman of Cody, Wyo., reported to the police last night that while he was buying a newspaper in the union depot two leather grips worth about \$20 each were stolen. The bags contained only clothing.

PERSONAL PARAGRAPHS

H. D. Harold left Saturday morning for a two weeks' hunting trip in the sand hills.

Harmless Remedy Beautifies and Darkens Hair

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and luster if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.
 You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wehr's Sago and Sulphur Hair Remedy. For generations common garden Sago has been used for restoring and preserving the color of the hair; and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.
 If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wehr's Sago and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment.
 Special agent, Sherman & McConnel Drug Co.

Harness and Saddles

Buy your harness at wholesale, direct from the firm that makes them. Save the middleman's profit. Our harness are made of the best heavy oak leather and will outwear two sets of cheap factory made harness, and cost you no more. Our store has been open forty years in Omaha. Everything given a made harness. Write for catalogue.

NEUROUS TROUBLE HAS MANY DIFFERENT PHASES

Strain and Worry of Modern Life Makes Many Physical Wrecks.

PEOPLE AFFLICTED UNHAPPY

Do Not Waste Your Energy by Neglecting the Help Science Offers You to Quickly Rebuild Your Nervous System.

A man or woman afflicted with a debilitated condition has little chance for happiness, as the trouble always produces a mental depression that causes the sufferer to look on the gloomy side of life, be dissatisfied with the present, and have small hope for the future.
 Are you in a run-down, debilitated condition? Do you tire easily, sleep poorly and feel half dead most of the time? If you are, you can get immediate relief and renew your ability to fight life's battles by letting this great Tonic build you up and restore your strength. Don't drag around, feeling miserable and hopeless, another day. You will positively be astonished how quickly "Tona Vita" will start you on the road to health. The tonic is sold with the distinct understanding that it must renew your health, or the price is refunded.

The symptoms of nervous debility are susceptibility to coughs and colds, weak back, cold feet, bad memory, poor circulation, constipation, lack of energy or vitality, nervousness, stomach trouble and uneasy sleep. Nervous debility is caused by the strain and worry of modern life and the country is filled with hundreds of half sick, worn out, nervous people.
 Anything, to be successful, should add to the happiness of the human race. No medicine ever before sold in the United States has been so tremendously successful as the wonderful new tonic "Tona Vita." The reason is plain. "Tona Vita" is bringing back health and happiness to thousands of discouraged, "run down" men and women.

Lee's Rhubarb Laxative is an assistant remedy to "Tona Vita." It is to be used in cases of chronic constipation. There is no plant known to modern medicine so thoroughly reliable and harmless as rhubarb. It is nature's own laxative, and instead of straining the intestines, like other drugs, tones them up and gives them new strength. Lee's Rhubarb Laxative is the safest possible laxative for children and they like the taste. It should be in every household.

These two great preparations are sold in Omaha by Sherman & McConnell Drug Co., 16th and Dodge Sts.; Owl Drug Co., 14th and Harney Sts.; Harvard Pharmacy, 24th and Farnam Sts., and Loyal Pharmacy, 26-9 North 18th St.—Adv.
