CITY PROTECTING LOWLANDS

Engineer's Force is Busy Trying to Save Property on Bottoms.

STREAMS POURING IN WATER

Precautions Are Being Taken Everywhere and an Effort is Being Made to Stave Off Disaster Which Threatens.

Eight men have been sent from the office of the city engineer to protect property on Nicholas street, in the lowlands, now rapidly being inundated.

Melting snow has caused streams of water to pour into the lower levels of vacant land near Nicholas street and property is threatened.

Small lakes are forming in several portions of the city and over 100 men are employed on the streets and by citizens to open outlets to drain off the water.

Barring a few culverts washed away and ungraded streets badly damaged, no property in the city has been reported destroyed or damaged.

The street car company is expecting considerable difficulty with the advent of warmer weather.

Autos Being Made in Omaha by Omaha Motor Car Company

Active work has been begun by the Omaha Motor company at the Stroud Machine factory on building the Omaha "30" automobile, and the company expects to have several cars on the streets by April 10.

D. W. Henry, the man who is promoting the new enterprise, has just returned from an extensive trip through the east, having made contracts with several large parts companies for material of which to build the cars.

Several Omaha business men and automobile dealers are interested in the new company and are confident that the car when put on the streets will make a decided hit.

One of the excellent features of the machine is that it is underslung, which few machines of today are.

ITALIAN SOCIAL CLUB GETS SOME NEW MEMBERS

Twenty-five new members were admitted to the Omaha Italian Social club at its meeting in Curtis hall Sunday afternoon.

Members of the club say that by May 15 there will be a total membership of more than 200. Addresses urging Italians to work together for their own advancement to try to raise the standards of the Italian people in this country and to strengthen the bonds among themselves were made by Joseph Sesto, Peter Procopio, J. M. Calabria and others. Club meets Sunday afternoons.

MULLEN BACK FROM ALASKA TO VISIT HIS OLD HOME

After an absence of ten years, except for visits, Patrick M. Mullen, who recently resigned from the land office in Alaska, is back in Omaha, where he used to be counted among the old residents.

He is looking after his property here and will remain for some months, and perhaps permanently. Before receiving his appointment to Alaska Mr. Mullen was in the legislature in Nebraska and had been employed in the Union Pacific shops.

LAST WORD ON THE PROTEST AGAINST LOBECK

In answer to the ruling that the protest made against the filing of Congressman Lobbeck as a populist was received too late, the following letter has been sent to the secretary of state:

OMAHA, March 25.—Hon. Addison Vail, Secretary of State, Lincoln—My Dear Sir: I beg to acknowledge receipt of yours of the 25th instant, and note your final action in the matter of my protest. As you know, I have no personal interest in it, except the desire which you, and all republicans, should have to stop a fraud on the voters. Very truly yours, VICTOR ROSEWATER.

BUTCHER IS ROBBED NEAR THE PLAZA HOTEL SUNDAY

Charles Hahn, a butcher employed at the Public Market told the police Sunday night he had been strong armed and robbed of \$15 while passing in front of the Plaza hotel at 5 o'clock.

Early Monday the police arrested Adolph Belger, a clerk and Neils Lundall, a painter, as suspicious characters. The police do not place great confidence in the story told by Hahn.

Both Belger and Lundall are being held, but it is probable that they will be released. Hahn has no witnesses to prove his assertions that they were the men who "strong-armed" him.

OUT OF HOSPITAL ONLY THREE DAYS; IN AGAIN

Oscar Mink, a bricklayer who left a Des Moines hospital only last Friday

after a long siege of intestinal trouble, slipped on an icy sidewalk at Twenty-ninth and Leavenworth streets last night and fractured his left hand and badly cut his face and head. He was found by passersby who called Police Surgeons Hibbard and Ashe who attended to his injuries. Mink was on his way to his rooming house at Thirtieth and Leavenworth streets. Doctor Hibbard fears that Mink's injuries will prove serious because of his recent illness. He was taken to St. Joseph's hospital.

Button Causes Death of Five-Year-Old Girl

After suffering intense agony since Thursday from a collar button that had lodged in the windpipe, Alma Frances Winkler, the five-year-old daughter of Mrs. Joseph Winkler, died at her home, 1129 Eighth avenue, Council Bluffs, at a late hour Saturday night.

The button passed slowly through the entire length of the windpipe and lodged in the lungs.

Dr. Humbach tried in vain to extract it. It was a common small button the child had put in her mouth and readily passed through the large air passage until it finally lodged in the lungs. Dr. Condon of Omaha was called in consultation and as a last resort an operation was performed, but the exhaustion caused by the long suffering of the little patient was too great.

DEATH RECORD

John O'Neal, 215 Charles street, died yesterday at St. Joseph's hospital from internal illness. He was employed at the Union Pacific roundhouse as a machinist and was 36 years old. The funeral will be held from Dodder's parlors Wednesday at 2 o'clock. O'Neal is survived by his widow, besides two daughters.

David Thompson, 623 North Forty-second street, one of Omaha's pioneers and a veteran of the civil war, died early Sunday morning at his home of illness incident to extreme old age.

Mr. Thompson came to Omaha more than twenty years ago and had lived here continuously ever since. He was prominent in the Grand Army of the Republic and that organization will have charge of his funeral services, which will be held Tuesday afternoon at 2 o'clock. The interment will be in Forest Lawn.

Mary Ann Seavers.

Death relieved Mrs. Mary Ann Seavers, 31 South Twenty-ninth street, from suffering yesterday at her home. She was 57 years of age and had been ill for several months. The body will be taken to Marshalltown, Ia., for interment.

Jeanette Herbert.

Mrs. Jeanette J. Herbert, wife of W. H. Herbert, railway mail clerk in the fourth division, died yesterday at St. Joseph hospital at the age of 32 years. The funeral will be held Tuesday morning at 9 o'clock from the residence and interment will be made in Forest Lawn cemetery.

Hilda Cassidy.

Mrs. Hilda Cassidy, wife of William Cassidy, a farmer living near Burwell, died yesterday afternoon at a local hospital. She was 41 years of age and her demise was caused by internal illness. The body will be sent to her home today from Dodder's undertaking parlor.

Michael Murphy.

Michael Murphy, veteran freight clerk, who for more than fifteen years had been in the employ of the Union Pacific, died Saturday at a local hospital at the age of 62 years. Murphy's death followed his wife's just three months to a day. Mrs. Murphy dying on December 23. The funeral will be held from the family residence at 192 South Fifteenth street on Tuesday afternoon and the interment will be in St. Mary's cemetery.

Kaiser Will Meet King Victor in Venice

VENICE, March 25.—Emperor William of Germany, accompanied by Princess Victoria Louise and Prince and Princess August William, arrived here today and was received at the station by the mayor, the prefect and other authorities, the German ambassador and many members of the German colony.

A great crowd gave the emperor an ovation and the applause and cheering continued all along the route to the Hohenzollern Italian vias intermingled with the "Hecks" of the Germans.

The emperor, who came here from Vienna where he spent yesterday with the Emperor Francis Joseph at Schonbrunn castle, will meet King Victor Emmanuel, who is now on his way to Venice. Shortly after his arrival the emperor, the prince and princess went sightseeing in a gondola. The whole town is illuminated this evening and has put on a gala appearance.

To Remove First Signs of Old Age

"The infallible first sign of age is the sagging cheek muscles," says Mrs. Cavallari, whose fame as a beauty culturist is scarcely less than that of a singer. "These are more difficult and serious to treat than wrinkles," she continues. "The sagging muscles indicate they have grown too weak to remain in place; they must be assisted, strengthened."

The best way to strengthen them is by using a wash lotion made by dissolving an ounce of powdered excolite in a half pint witch hazel. This creates a freer circulation to the parts, besides causing muscles and skin to contract. Excolite, procurable at every drug store, has long been known by complexion specialists to possess remarkable properties, valuable in treating flabby tissue and wrinkles.—Adv.

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S.S.S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S.S.S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no minerals in any form, and is an absolutely safe treatment for children, even infants, or persons of any age. Literature about Scrofula and any medical advice free. Protest Against May Pole Games is Before the Board

Dr. E. Holovitchner, chairman of the committee on course of study and text books of the Board of Education, has called a meeting of the committee for this afternoon when the problem of dancing in the public schools will be discussed. Establishment of a commercial high school will also be considered.

A protest has been received by the board against the maypole and folk dances, classed as "games" by the members of the board, and the abolishment of the dances requested.

Superintendent E. U. Graff holds these diversions are games, and not dances and the committee on course of study has classified them under the head of "recreations."

Under these circumstances no action will be taken on the protest further than a letter written to the opponent explaining the situation.

Thirty-six maypoles have been ordered by the board and ribbons of red, green and yellow—the Ak-Sar-Ben colors have also been purchased. While there is a division of opinion in the board as to whether the "games" will be continued the preponderance of opinion is in favor of the "diversion."

Prof. L. C. Rumsel, head of the commercial department at the high school, will meet with the committee to discuss the advisability of making Leavenworth building a commercial high school. Dr. Holovitchner says there will be no opposition to carrying on the plan. Prof. Rumsel will be placed in charge of the school.

OLD LANDMARKS ON TENTH STREET BEING TORN DOWN

Three of the old one-story buildings on the west side of Tenth, between Harney and Howard streets, that have been occupied for fifty years, and which were among the first business houses erected in the city, are being demolished, having been condemned.

At one time in the dim past the three buildings now being destroyed were occupied by a high class dry goods store, then by a clothing firm. After business turned the corner and started up Howard, Harney and Farnam streets, at intervals they were occupied as saloons and restaurants and shops. For a number of years they have been turned over to the cheapest kind of second hand stores, pawn shops and employment agencies.
