TENNIS ENTHUSIASTS ON TOES

Courts Being Prepared and Arrangements Under Way for Strong Schedule—Nebraska Wesleyan Coming.

The base ball bug is alive at Creighton university, and the large campus is crowded with players. Class teams are being organized and the Creighton Annex team has begun practice. The first game of the season will be played Monday evening, when the Annex team will meet the team representing Fourth High class. In spite of the decision of the faculty that there will be no varsity team, the students have not given up all hope. There seems to be no lack of material which would go to make up a college team.

The tennis courts fast are rounding into condition and will be in use within a week. A varsity team will represent Creighton in tennis and a regular intercollegiate schedule will be arranged. Two of the members of last year's team will again be at school and there are several other very promising youngsters, who gave the varsity men of last year a hard tussle for their places. The first game will be with the Nebraska Wesleyan school of University Place. The team from Nebraska Wesleyan will make a three weeks trip through Iowa, Kansas and Nebraska, and will be in Omaha May 1 and 2, meeting Omaha university on May 3 and Creighton on May 4.
