A raincoat perfected

THIS coat combines all the essentials of a rain and storm protector with the style and swaggerness of a smart overcoat. It is the kind of raincoat men have long been looking for. It is cut in the favored Raglan style—loose, full and gracefully draped—buttons up close at neck if desired—has long cuffs and large, roomy side patch pockets. In addition to being a rain protector, it can be worn over an overcoat on cold stormy days, affords ample protection on cool summer evenings and is ideal to wear over evening clothes in the summer. It is an all-around handy garment that every man needs. It is made from genuine Preisley Cravenette cloth and is tailored with the same care and skill that go into all Adler Collegian Clothes.
