MY NEW Five Passenger Touring Car Price $685, for Immediate Sale

Have purchased a new car, (same make but larger), which will arrive May 1st, and will make above price to secure quick sale before new one arrives. This car was purchased late last fall (Sept. 15th), with a manufacturer's guarantee which does not expire until Sept. 15, this year. It's in perfect condition—runs as quietly as day taken from salesroom—body not marred or scratched in any way—longest trip ever driven was 25 miles and return—owing to fact purchased late last fall has been used very little. There is not a thing about the car that is not in perfect working order; tires are all good as new. It's a four-door body, a late design—long, low boat shape, with graceful, straight lines, painted a rich Blue black, with wheels in battleship gray. Upholstered in black leather; front seat—divided; comfortable and easy riding. Equipped with good mohair top curtains, boot, etc.; ornamental side lamps; neat road lamps, with good reflectors; Prest-o-lite gas tank (large size). It's a snappy little car, with a smooth-running and powerful 4-cyl. engine that's always ready; will take you any place, up any hill, and just as fast as you want to ride. Three speeds forward and reverse; multiple disc clutch; easy shifting gears that do not jam or jerk the car. This car costs new, 1913, stripped F. O. B. Detroit; freight to Omaha, $44. Top, curtains, boot, etc., $50. Road lamps and Prest-o-lite equipment, $25; making total cost $1,104. My price for this car fully equipped as above described, $685 net. (Will not consider a trade, or an offer for any less. Will not pay a commission to any dealer.) 'Phone me at once for demonstration. This certainly is worth the money and will sell quickly. 'Phone Benson 516.*

BUSINESS CHANCES

FINE STOCK MERCHANDISE

We own and offer for sale one of the best stocks of general merchandise in the state. Located in a fine little town in central Nebraska, and drawing trade for twenty-five miles around. This stock will invoice about $19,000, exclusive of fixtures and is all clean, up-to-the-minute and of recent selection. The fixtures will invoice about $500 and are all of the modern type. The stock is located in a good brick building, absolutely central, and has a very attractive plate glass front. This store has not changed hands for years and is doing a splendid business. It is not to be confused with the usual "trading" merchandise stock, as it has never had a sacrifice sale and the staple lines are not depleted. We own this stock, together with the fixtures and the 50-foot front brick building, and offer the entire plant for sale at a bargain figure. We will consider an exchange for a portion of the consideration, if the offering is fairly valued, or we will sell the stock and fixtures separately. We will, however, not consider incumbered property on exchange, as there is not a dollar of incumbrance against either stock or building. If your proposition comes within the limitations, submit it.
