

HOSPITAL STRIFE WIPED OUT

Commissioners Conclude to Fire the Druggist and Internes.

RESOLUTIONS ARE ADOPTED

Original Resolution Carried Charge that Institution is Mismanaged, but Robinson is Given Time to Make Good.

First step toward solution of the county hospital problem was taken by the Board of County Commissioners when it decided to wipe out the strife between the druggist and the internes by discharging all three of them. A resolution to this effect was adopted. It is as follows:

Whereas, The Board of County Commissioners of Douglas county have learned through the report of the investigating committee by the grand jury recently addressed, that the affairs of the Douglas county hospital are in a state of disorder, and Whereas, Internes Higgins and Neffman and Druggist Storkan are unable to agree or work together harmoniously, therefore be it

Resolved, That the said Internes Higgins and Neffman of Douglas county be discharged from further service in said institution. Resolution Modified. The resolution, which was offered by Commissioner Elmsner, in its original form, found the hospital to have been mismanaged and discharged Miss Rambo and Miss Holt, nurses, and Superintendent Robinson. The other commissioners were opposed to removing Robinson without giving him further opportunity to demonstrate his ability to govern the hospital, and was opposed to the inclusion of the names of Misses Rambo and Holt in the resolution. The resolution was amended so as to read as above and it was agreed that Head Nurse Miss Henry be requested to call for the resignations of Miss Rambo and Miss Holt, not on the ground of any misconduct upon their parts, but because they were drawn into the hospital controversy and as long as any persons remain who were parties to the controversy there is danger of ill feeling which would be inimical to the best interests of the hospital.

Employ New Physicians. Commissioner Elmsner offered also a resolution instructing the medical advisory board to employ two reputable physicians and four undergraduate assistants as internes at the hospital and to authorize Head Nurse Miss Henry to increase the number of nurses to twenty. There was no second for this resolution, the other commissioners wishing to defer action upon it until a conference with the advisory board, which was agreed upon Wednesday night, can be had.

Store Keeper Robbed at the Point of Gun

Two holdups occurred Friday night, but the police were not informed of them until early yesterday morning. The first one occurred about 11:15 o'clock when two unmasked men entered the store of Jacob Goldware at 1277 Cumming street and at the point of a revolver robbed him of money in the cash drawer and in his clothes.

E. Winters Jorgensen, a guest of the Windsor hotel, was walking west on Douglas street about 11 o'clock, and between Ninth and Tenth streets he was set upon by three men. One struck him over the head rendering him unconscious. When he recovered his senses later it was about midnight. His pocketbook was missing, containing a cashier's draft in favor of himself upon the Corn Exchange National bank for \$100, besides a watch and \$20 in money.

Sheridan Working for Park Highway

SHERIDAN, Wyo., April 12.—(Special.)—Determined not to be left off the proposed northwest national highway from Chicago to the Yellowstone park and the coast, Sheridan is planning to send to the Wyoming-South Dakota good roads convention, which meets at Buffalo, Wyo., April 19 and 20 half a hundred good roads enthusiasts to insist upon the city's rights and to vote in favor of carrying the route through Sheridan and around the north end of the Big Horn range, via-Custer battlefield and Pryor Gap, thence through the Big Horn basin to the Cody entrance to the park.

In opposition to this plan it has been suggested that the route be carried over the south end of the range via Hamilton and Basin City to Cody. Southern Wyoming is working to bring the road down to Casper and Douglas and thence up through the basin to the park.

Brother is Granted Divorce from Sister

CINCINNATI, O., April 12.—A strange story which resulted in John Ruch, Jr., aged 22 years, being divorced from his sister Helen Hoffman Ruch, 24, was related in the solemnity court here today. The brother and sister were married October 25, 1910, neither at the time knowing of the blood relationship between them. The discovery of the relationship was disclosed a few weeks ago and the action for divorce followed.

It was explained to the court that the mistake had been possible because of the fact that the mother for a private reason had hidden from the children the fact that they were brother and sister, allowing them to believe that the girl was only an adopted child.

The husband was given the custody of the two children. The petition for divorce, filed by the husband, was on the formal ground of neglect.

The divorce was granted on that ground for the purpose of protecting the young couple, so far as possible, in the record. "The father-and-mother-of the young couple were not in court when the hearing was held."
