BALLOT CONFUSES VOTERS

Many Find it Difficult to Pick Delegates They Favor.

SOME SWITCHING OF PARTIES

Vote Rather Light Over Nebraska, with Spots Where Contest is Bitter--Clark Men Urged on by Telegrams.

(From a Staff Correspondent.) LINCOLN, Neb., April 19.—(Special.)—The primary vote early today was decidedly light, but increased as the day wore on, and toward night it was heavy. There was even less talk than usual around the polls to indicate the trend of the voting and the most astute political observers confessed they could see nothing to give a clue as to the result until the votes were counted. In spite of the spirited character of the primary campaign there was no ill feeling manifested by those around the polls. There were the usual number of workers, but the voters did not seem inclined to listen to what they had to say, all evidently having their minds made up before coming to the polls.

No trouble was reported from anywhere except in a precinct of the Fourth ward, where Franklin C. Hamer, republican candidate for state treasurer, became involved in an altercation, but it was not serious.

Democrats Switch Over.

NORFOLK, Neb., April 19.—(Special Telegram.)—Up till 7:30 o'clock tonight more than half the city vote and more than a third of the rural vote had been cast. Twice as many farmers as two years ago voted. A very large number of the democrats voted in the republican primary, some on account of local candidates and some to vote for Roosevelt or La Follette. The lack of designation as national convention delegates caused great confusion and it is said many voters cast ballots in this community not knowing which presidential delegates they were voting for.

Light Vote in Fremont.

FREMONT, Neb., April 19.—(Special Telegram.)—A very light vote was cast here. The republicans are turning out in a larger proportion than the democrats and there are Taft and Roosevelt workers at each of the polling places. Less than 1,000 votes will be polled.

Leading mark democrats today received telegrams urging them to try to line up the Wilson men for the Missouri statesman in order to head off Harrison and the Harmon received dispatches warning them of the plan. Prominent men on both sides who had not registered their party affiliations had to file an affidavit with the city clerk in order to vote, including one candidate for a state office.

Heavy Vote in Gage.

BEATRICE, Neb., April 19.—(Special Telegram.)—A heavy vote is being polled in the primary election in Gage county today. Taft is getting a big vote in Beatrice, but reports from some of the country precincts are in favor of Roosevelt. For national committeeman, Victor Rosewater appears to be far ahead, although the vote as far as can be learned is close.

For state senator Peter Jansen, republican, appears to be leading his opponents in Beatrice. Unless the country precincts will change conditions materially he will be nominated.

Ballot Confuses Electors.

KEARNEY, Neb., April 19.—(Special Telegram.)—An exceptionally light vote was polled in the four precincts that center in Kearney. The prospect at 7 p. m. gave 1,000 as the maximum number. Republican votes outnumbered the democratic, 4 to 1, the ratio running about the same in all polling places. The general opinion has Taft picked for a more plural vote with Roosevelt and La Follette each receiving possibly a little more than one-fourth of the vote.

Great confusion on the part of the voters prevailed regarding the preferential vote for president and presidential electors, many thinking the preferential vote carried with it the electors in favor of that preference. Many democrats were disappointed that there was no way for them to vote for Senator Norris Brown.

PRIMARIES STOP THE WHEELS

Little Doing at State House on the Day of Voting.

NO FREIGHT SENT TO MEXICO

Rock Island Railroad Serves Notice This Service Has Been Suspended—Judge Hamer's Pocket Picked by "Dips."

(From a Staff Correspondent.) LINCOLN, April 19.—(Special.)—State officials who did not go yesterday left today, going home to vote at the primaries and as a result there is no thing doing at the state house except official routine. The last of the officials departed this afternoon. Governor Aldrich and Secretary of State Wait bringing up the rearward. Secretary Currie of the Tift headquarters left on a late train last night for Broken Bow and the office, which has been a busy place for the last few days is now deserted.

The first filings of campaign expenses were made today. The La Follette committee submitted a list showing the expenditure of \$90.00. This is signed by P. A. Corrick, P. A. Caldwell republican candidate for congress in the Fifth district says he spent \$25.00 in the primary campaign. These reports are by law compelled to be filed not later than ten days after the primary and it is somewhat unusual to file them before the primaries, in fact, a considerable portion of the expense often is incurred on that day.

Governor Aldrich's boys last evening had a chat with Colonel Roosevelt. As one of the boys is comely, like of a sportsman he and the colonel at once found common ground for conversation.

No Freight for Mexico.

The Rock Island railroad was notified the State Railroad commission that all rates to and from points in Mexico are temporarily suspended and that the road will receive no freight destined for points in that country. The order is issued on account of the disturbed condition of affairs in the states of the republic, the greatest trouble existing in the northern district tributary to the Rock Island lines. Company officials, of course, give no intimation of when the Mexican traffic is likely to be resumed.

William Husemeyer, state oil inspector, is back in his office after several days spent in the hospital with an attack of muscular rheumatism.

The Memorial day proclamation has been issued from the office of the assistant adjutant general in the state house. It feelingly calls attention to the fact that each year finds many less of the old veterans to participate in the ceremonies and contains directions for the official observance of the day. The Grand Army of the Republic department has also issued a circular to the various posts cautioning them against taking any official action regarding the proposal to erect a memorial to Mary Todd Lincoln until after the national encampment has passed on the question. This action is taken, not because of opposition to the plan, but because regulations require endorsement of the national body before the posts can act.

Expenses of State Institutions.

The expenses of the various state institutions were \$10,212.45 less during March than in February this year. The February total was \$11,225.45 up to \$7,988.50 and those of March to \$6,776.41. April will probably see a larger amount expended as work on various buildings and improvements, notably the tuberculosis hospital at Kearney, which was suspended during the severe weather in March, will be resumed. Following is the detailed statement for the various institutions:

Judge Hamer's Pocket Picked.

Judge Hamer of the supreme court had his pocket picked last night in the crowd returning from the Roosevelt meeting. The pocketbook contained no cash but a check for \$25, some receipts and other papers of value only to himself were taken. He noticed his loss immediately after being jostled by two men, but they had disappeared in the crowd. Several others report having lost valuables as the result of the work of pick pockets, but up-to-date no large losses are chronicled.

Curio to Society.

The State Historical society has been presented a hair larva made by the Pawnee Indians. It was presented by E. Landis of Morrill, Kan., formerly a resident of Kearney, this state. He obtained it from the Indians in the early day and has had it in his possession ever since. It is now twenty-two feet long, four feet having been cut off from time to time by curio hunters.

JUDGE GOOD KNOCKS OUT WILL OF W. B. ECCLESTON

ASHLAND, Neb., April 19.—(Special Telegram.)—Stipulation was filed in the district court before Judge Edward E. Good at Washoe Wednesday wherein it is agreed by and between the proponent, Mrs. Clarie Pawling Plummer, and the contestant, William B. Eccleston, that the appeal to the matter of the estate of George W. Eccleston, deceased, be dismissed. It is further agreed that the findings and decree of the county court, holding that the instrument tendered for probate is not the will of the late George W. Eccleston, shall remain in full force and effect. This case attracted attention across the continent last fall. A paper purporting to be the last will and testament of George W. Eccleston was filed before Judge Peter P. White in the county court at Washoe by Mrs. Clarie P. Plummer and was contested by William B. Eccleston, a minor son. Mrs. Plummer conducted a retreat for incurables near Atlantic City, N. J., at which place Eccleston was a patient before his death in July last. The document presented by Mrs. Plummer read as follows: "I, George W. Eccleston of Ashland, Saunders county, Nebraska, bequeath to my best friend, Clarie Pawling Plummer of the city of Atlantic

Bishop McGovern Taken to Hospital at Denver, Colo.

CHEYENNE, Wyo., April 19.—(Special.)—Father Patrick H. McGovern of Omaha who was yesterday officially consecrated as bishop of the Diocese of Cheyenne of the Roman Catholic church, was today removed to St. Joseph's hospital in Denver where he will be treated for nervous trouble. Indeed, Bishop McGovern is on the verge of a breakdown, and local physicians advise his removal to the hospital. Bishop McGovern has been under a severe strain for many weeks and was in no condition to withstand the ordeal incident to his elevation to the high position he now occupies. It is thought, however, that with rest and quiet his health will be restored.

MURDERER OF SHERIFF HAD LIVED IN NEBRASKA

HASTINGS, Neb., April 19.—(Special Telegram.)—Through the publication of the man's picture in a newspaper the mur-

der of Sheriff Moody of Rockland county, South Dakota, has been identified by Deputy Sheriff Wilson, as Bert Hudson, who lived at Hansen, Neb., until two years ago. Hudson was killed by the posse, and relatives living at Hansen and Hastings will have the body brought here for burial.

BONDSMAN SETTLES WITH JOHNSON COUNTY

TECUMSEH, Neb., April 19.—Frank A. Taylor of this city has given County Treasurer W. C. Redfield his check for \$2,234.12.
