The opening date will be May II or May II, according to the weather conditions. The golf course of nine holes is in excellent condition and will be kept in good shape all year by J. H. Melvin, custodian. Very few changes have been made on the course, except that some of the

the opening day.

The Clan Gordon Athletic association will play cricket, golf and lawns bowls at the Miller Park club this season, which will mean a total of about thirty extra members. A special sod "layout" will be made for the lawn bowlers.
