10 Free Stamps for All Your Old Books And 20 Free Stamps for All New Books

We are Pleased to Announce, in Connection With the Closing Out of the Suits Left From Our Big Sale of Last Week, a

Sale of 200 Suits Worth From \$25 to \$35 at \$18.95

These suits were shipped to us by our New York office, being a share of the entire stock of a manufacturer whose business was jeopardized by a break in the market—remarkable values in every way. The choice of this purchase, and the suits left from the big sale of last week, should bring every woman in need of a new suit to the store early Wednesday morning.

They are made of Scotch mixtures, serges, diagonals, cream-white cloths, etc.—in fact, nearly every cloth, shade and style that is desirable may be found in the assortment.

Wool Serge Dresses, \$9.95

This price, too, had been brought about by a large purchase from a prominent maker. There are striped and plain serges trimmed with laces, braids and silks. Values from \$12.50 to \$16.50—saves for women and misses.

Lingerie and chiffon waists to go with the new tailored suits are priced as follows—Lingerie waists in all of the choicest styles, \$1.25, \$2.75, \$2.95, \$3.95 and up to \$35.00; chiffon waists in fancy and plain styles, \$5.00 to \$75.00 each.

New Corsets for Summer Many of the Lines Shown in Our Corset Dept. are Exclusive With Us

If variety were its only claim to distinction, the Bennett corset department would occupy an enviable position. But even more important than the number of brands it displays is the worthiness of those brands—the discrimination we have employed in selecting them.

Every line we carry owes its presentation by us to some feature in its construction which is better than the average; and, in the case of a number of them of unusual excellence, we have the exclusive sale for this city. Chief among the various lines are:

Madam Grace Corsets at \$3 to \$25 American Beauty Corsets, \$1 to \$5 which we are showing in many variations of the low bust and long hip effects—the latest dictum of Paris fashions. These corsets show the work of a master designer and builder in every line and bit of material. All are elegantly trimmed, boned with non-rustable boning, equipped with good hose supporters and made to equal every other corset offered at a similar price. The services of our expert corsetiers are entirely free.

EVIDENCE

Hotel Empire, New York City, April 19th, 1912.

Pantorium, Omaha, Neb. Gentlemen:—I am sending the following articles by express to be cleaned and returned soon as possible to the above address: 3 Dresses, 1 Irish Lace Collar and 4 pairs of gloves.

Respectfully yours, Mrs. W. H. Cressy, Cressy & Dayne.

And again: Hotel Madison, Minneapolis, Minn. March 9th, 1912.

The Pantorium, Omaha, Neb. Gentlemen:—I am sending by express box containing the following articles to be cleaned: 2 Dresses, 1 Woolen Shawl, 1 silk crepe shawl, 5 pairs of gloves. Please return to me, care of Temple Theater, Detroit.

Respectfully yours, Mrs. W. H. Cressy.

We've been doing Mrs. Cressy's work for ten years and she thinks we are the best in the country, so sends her work to us clear from New York, or any other city where she happens to be playing.

We have hundreds of customers among theatrical people who save their work for weeks before reaching Omaha in order to have it cleaned at the Pantorium.

Last week we cleaned part of Maude Adam's wardrobe, and the week before we cleaned the entire wardrobe for the Spring Maid company, it being the second time we have cleaned it this season.

We do all the cleaning for the Brandeis, Boyd's, Orpheum and American theaters.

We do more cleaning and dyeing in our plant every week than is done in any other two plants in Omaha—and we do it better. We have the equipment, experience and competent help.

Any statements made in our advertising are true and we stand ready to prove them at any time.

Just now we are cleaning lots of house furnishings, such as portieres, draperies, pillow, stand and couch covers, carpets, rugs, curtains, etc. Ask our driver to quote prices on all your work.

We use the latest methods (except the "hot air" system), and produce work that cannot be equalled in Omaha. Try us.
