BUTTER STAYS AT HIGH MARK

Is Selling at Nine Cents Higher Than Last Year.

SUGAR AND FLOUR HIGHER
Garden Truck Is Coming onto the Market to Take the Place of Some of the Foodstuffs Which Are Climbing.

Butter is selling 9 cents higher than it sold a year ago. Prices being asked by local retailers range around the 4-cent mark. The reason for the advance over a year ago is that grazing has been poor and feed prices extraordinarily high. Other kitchen necessities also are stepping up the cost ladder. Sugar during the last week has seen a rise of 10 cents a hundred pounds—a reaction, the dealers say, after its decline caused by large shipments out of Great Britain recently, which was attendant upon the coal strike and consequent fear of strikers by the storage concerns. Flour, too, is climbing. A rise of 20 cents a hundred pounds was recorded for the week, which is a result of the latest wheat scare.

"Garden truck is coming into the market to alleviate conditions," said A. King, manager of the grocery department at Hayden Bros. "Home grown asparagus probably will sell for 5 cents a bunch by Saturday, there being plenty of it in the community. Green onions are being bought on the retail market six bunches for a nickel." It is saving now to buy new potatoes. Selling at 5 cents a pound, new potatoes are as cheap as the old, which are retailing at 4 cents a peck and have to be greatly pared before they can be eaten. There is no difference in price when the waste is figured. Eggs are selling at 30 cents a dozen, a drop for the day of 1 cent, and a further decline is expected since the market is gaining in receipts.

Wealthy Leper Suspect Offers to Give Big Bond

CENTREVILLE, Ia., April 24.—(Special.)—In spite of the demands of Herman Hirschfeld, the leprosy suspect and rich business man of Bay City, Mich., that he be allowed to go back to his home, he is being forced to stay here until the red tape of the health departments of two states is untangled. He proposed today to put up a \$50,000 bond that if allowed to go he would return to his Bay City home. It was at first thought that the Michigan State Board of Health would send a man to return with Hirschfeld. It now develops that Michigan cannot send out of the state for such a patient and Iowa is preparing to deliver Hirschfeld at the Michigan state line. Dr. G. P. Severs of the State Board of Health is preparing to accompany Hirschfeld, but it probably will be necessary to charter a special car for the patient and the doctor, as it is improbable that the suspect will be allowed to travel with other passengers.

It has developed that at one time Hirschfeld was a junk dealer, and that while engaged in this business he visited Michigan lumber camps to buy scrap and old rags. Leprosy did exist in some of these camps, and it is thought Hirschfeld contracted the disease by handling infected rags. LANSING, Mich., April 24.—Dr. Robert L. Dixon of the State Board of Health has received word from Dr. A. S. Warham of the pathological department of the University of Michigan that Herman Hirschfeld of Bay City is now being held by Centerville, Ia., authorities as a leper. Tissue taken from the patient was analyzed by Dr. Dixon and he was convinced that the man was suffering from leprosy.

MRS. KILDUFF GUILTY OF MANSLAUGHTER

DAVENPORT, Iowa, April 24.—Mrs. Anna Kilduff, charged with murdering her husband, John Kilduff, was found guilty of manslaughter by a jury today after about twelve hours deliberation. This was the second trial, the first resulting in a disagreement. Kilduff and his wife had not been living together and it was charged the woman went to the place where her husband was working and shot him. She gave herself up at once. The defense claimed that the woman was insane.

Bay Drowns in Ditch.
TRAEER, Ia., April 24.—(Special.)—Gertrude, the 18-month-old daughter of Mr. and Mrs. Lawrence Leslie, was drowned today in the open drain ditch that carried the sewage from the house away from the premises. Although the water in the ditch was only six inches deep, the babe was lying dead, face down, when it was found.

Deneen Issues Call For Another Special Session of Assembly

SPRINGFIELD, Ill., April 24.—Governor Deneen today issued his call for another special session of the general assembly. Under the call for the session within a session, the two houses are to be convened at 4 p. m. today. News of the second call reached the house after most of its members had left for home under an agreement not to return until May 7, and in consequence not more than a dozen house members are expected to respond to the roll call. Most of the senators are here, however. Five subjects are contained in the emergency call, as follows: Amendment to St. Clair county drainage act. Appropriating the \$200,000 received from automobile licenses to highway improvement. A deficiency appropriation for state printing. Amending the act fixing salaries of state attorneys. An act for the organization of park districts and the transfer of submerged lands to those bordering on navigable bodies of water. The legality of the original act as questioned by reason of a faulty public action.

THE SECRET OF SUCCESS

Genuine Merit Required to Win the People's Confidence

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been cured, to those who are in need of it. In an interview on the subject a prominent local druggist says: "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows immediate results, as many of my customers testify. No other kidney remedy that I know of has so large a sale."

The success of Dr. Kilmer's Swamp-Root is due to the fact that it fulfills every wish in overcoming kidney, liver and bladder diseases, corrects urinary troubles and neutralizes the uric acid which causes rheumatism. A free trial bottle will be sent by mail, absolutely free. Address Dr. Kilmer & Co., Binghamton, N. Y., and mention this paper. Regular size bottles sold at all druggists—50c and \$1.00.

Roosevelt Bids for Vote of Democrats in Bay State Primary

WASHINGTON, April 24.—In a statement issued here today Director William B. McKinley of the national Taft bureau charges that the Massachusetts Roosevelt committee caused a paid advertisement to be printed in a Springfield newspaper Monday, April 22, as follows: "Remember, you don't have to be enrolled in any party to vote at this primary."

Memorial Services For the Late Samuel Kate to Be Held May 5

Several of the Jewish societies of Omaha will hold a memorial service Sunday evening, May 5, at the Temple Israel to the late Samuel Katz, former president of the Temple. The memorial will be under the auspices of Omaha, Council Bluffs and Lincoln B'nai B'rith lodges, the Associated Jewish Charities and the Young Men's Hebrew association. Rev. Rabbi Leo Franklin of Detroit, Mich., former president of the Temple Israel, will deliver the memorial address. Several local speakers also will take part. The late Mr. Katz was director of the local Young Men's Hebrew association, vice president and former president of the Associated Jewish Charities and former president of the grand lodge of B'nai B'rith.

Heinze Chicago Plant is Damaged by Fire

CHICAGO, April 24.—Fire starting from an explosion in the basement, destroyed the five-story plant of the H. J. Heinz company at West Eighteenth and South Clark streets today and spread to an adjoining building occupied by S. L. Helweg & Co., causing a loss of about \$200,000. The fire, which broke out before the hundreds of employees had reported for duty, damaged half a dozen tenement houses and drove a score of families into the street. Several firemen were overcome by smoke.

HENRIETTA CROSMAN PRAISES

Pays Fine Tribute to Merchandiser at Brandeis Store.
During the recent engagement of the noted actress, Miss Henrietta Crossman, in Omaha last week, she sent a letter to the firm of J. L. Brandeis & Sons which highly compliments this firm. The letter reads: "Since the opening of this season, during which I have presented 'The Real Thing,' I have had so many enthusiastic compliments on the gown which I wear during the first act of the play that I would be indeed ungrateful if I did not make proper acknowledgment to you. This costume was purchased by me at your store while we were rehearsing our play in Omaha last summer. I was delighted with it at the time and I have grown even more attached to it, since, owing to the scores of friends who have admired its artistic character and beauty of design. I felt myself fortunate last summer that I was able to find a store so far from New York that could supply me with the beautiful gown my part required and I am so glad to assure you that my admiration for the costume has been shared by so many others in different parts of this country."
 cordially yours,
"HENRIETTA CROSMAN."
In commenting on the letter, Miss Crossman said that actresses often bought costumes in whatever city they might rehearse to serve a temporary purpose only. They almost invariably supplant them with new gowns as soon as they reach New York. In the instance of the gown she bought at this Omaha store, she found nothing in New York which she liked so well.

stands ready to enter into negotiations to that end.

Hellig Olav Not Near Titanic.
COPENHAGEN, Denmark, April 24.—The Scandinavian-American line today issued a statement that the Hellig Olav, one of their steamers, which was mentioned during yesterday's senate inquiry into the Titanic disaster as having been near the scene of the collision, was at least 250 nautical miles west of the Titanic at the time of the catastrophe.

SHIP RETURNING WITH BODIES

Mackay-Bennett Expected to Reach Halifax Friday.
NEW YORK, April 24.—The names of additional identified victims of the Titanic disaster are awaited today by the White Star line officials from the cable ship Mackay-Bennett, now searching the scene of the disaster. So far seventy-seven bodies have been recovered, but many of these were in such condition that no identification was possible and they were at once buried. The Mackay-Bennett expected to start today for Halifax, where it will arrive Friday night or Saturday. Nearly one hundred persons have already gone or are preparing to go to Halifax to meet the bodies recovered. Of the 118 Titanic survivors taken to St. Vincent's hospital only nine now remain, the others having recovered and departed for their homes. An employment bureau which sprang into existence to give work to those survivors who apply finds that while it has numerous requests from survivors for positions, there are more positions than applicants. Mrs. Madeline Force Astor is still in a state of nervous weakness, at her home. There is no reason to believe, however, that she will not recover. The White Star line announced today that they have sent two men to Halifax to look after the recovered bodies of the Titanic victims, with instructions to send the identifications as quickly as possible. The White Star officials have endeavored to get in touch with the Mackay-Bennett to instruct it to hasten to Halifax. The steamer Minia is expected shortly to reach the spot where the Titanic went down and to continue the search for bodies.

Famous McClellan Estate May Go to South Dakota

SIoux FALLS, S. D., April 24.—(Special.)—The famous McClellan case, involving property worth between \$60,000 and \$80,000, which has been in the courts for about twelve years, and which has several times reached the state supreme court, promises to have a new lease of life as the result of a decision just rendered by County Judge Medin, who holds in substance that none of the claimants are the legal heirs. If this decision is sustained by the higher courts the estate will go to the state of South Dakota. The estate is that of John McClellan, a wealthy pioneer resident of Sioux Falls, who in 1899 was killed by the elevator in the building where he had his apartments. It was late at night and he operated the elevator himself, as he previously had done, and was crushed to death. There have been several sets of claimants contesting for possession of the estate, among them what are known as the Irish claimants, the Canadian claimants and the Arkansas claimants. The latter were the principal plaintiffs in that phase of the legal contest which has just been decided by the county judge. It is believed that the Arkansas claimants will now take an appeal from the decision of Judge Medin to the state circuit court.

HURON COLLEGE WINS IN DEBATE WITH STATE

HURON, S. D., April 24.—That Constitutionally Watered, the Principle of the Recall of Judges Should be Adopted by the Several States. That was the question debated Monday evening at the college here by representatives from the state college, Brookings and Huron colleges. Messrs. Clifford, White and Huling represented the former institution, and Messrs. Hils, Sheldon and Hunt the latter, which had the negative and won a unanimous decision. The judges were Hon. H. F. Packard, Redfield; A. A. Rowan, Parker; G. B. Markes, Mitchell. The honor was given to Everett Hunt of Huron college, who will represent that institution in the state contest. In the high school declamatory contest for representative from this district in the state contest to be held in Vermillion on May 17 and 18, George Rosenberry of this city won first place.

WOMAN'S SUFFRAGE FOR ALASKA LOSES BY TIE VOTE

WASHINGTON, April 24.—Woman suffrage for Alaska was defeated in the house today by a tie vote. Representative Mann of Illinois, republican leader, offered an amendment to the Alaskan home rule bill giving woman the right to vote. A rising vote showed a tie, 29 to 29, and a vote of tellers again produced a tie, 41 to 41. The amendment was declared lost.

DEATH RECORD

Miss Maggie Jones.
STELLA, Neb., April 24.—(Special.)—Miss Maggie Jones died at the home of her sister, Mrs. Henry Mathews, two miles north of Sutherland. Funeral and burial were at Prairie Union, near Stella. Miss Jones was 67 years of age. She was born in Ohio and came to Nebraska at the age of 1 year with her parents. Her father, the late David N. Jones, helped to develop the Prairie Union locality and in the colony of Welsh who came here with him. The death of his wife was the first. Miss Jones left an estate of about \$15,000, which will go to Mrs. Mathews.
Mrs. J. W. Brush.
AUBURN, Neb., April 24.—(Special.)—Mrs. J. W. Brush, widow of Major J. W. Brush, died here yesterday morning aged 80 years. She survived her husband only a few months. She is survived by a large family of grown children.
J. N. Collier.
AUBURN, Neb., April 24.—(Special.)—J. N. Collier dropped dead last evening while playing a game of pool of heart failure. He was about 90 years of age and had lived here only a short time.

Beach Comes Back to Answer Charge of Attempt Murder

NEW YORK, April 24.—Frederick O. Beach and Mrs. Beach reached here today on the steamer Kaiser Wilhelm II from a trip abroad where Mr. Beach learned that he was wanted in Alken, S. C., for trial on the charge of having attacked Mrs. Beach there on February 23 last. The attack of Mrs. Beach created a sensation in society last winter. She was seized in front of the Beach winter home and slashed in the throat with a sharp weapon. It was said that Mrs. Beach was attacked by a negro. Mr. Beach stated that he ran to his wife's rescue when he heard her screams. After Mrs. Beach's recovery she and her husband returned north and sailed for Europe. Later a warrant was issued on the affidavit of a detective accusing Mr. Beach of the attack. Mr. Beach sailed from abroad that he would return home at once.

W. H. Moore Becomes Head of Rock Island Executive Board

NEW YORK, April 24.—Directors of the Chicago, Rock Island & Pacific Railway company today elected William H. Moore, chairman of the executive committee, succeeding Robert H. Walker. Mr. Walker also retired from the position of general counsel, having entered a law firm which will act as eastern counsel of the Rock Island system. R. C. Dillard was elected vice president and general counsel of the Chicago, Rock Island & Pacific with headquarters in Chicago. Edward C. Moore was elected president of the Chicago, Rock Island & Pacific Railroad company (of Iowa), with headquarters in Chicago. Chicago will be the operating headquarters of the system and President H. U. Mudge as well as all the operating staff will be located there. New York will be the financial headquarters, with Judge Moore as chairman of the executive committee and D. G. Reid, chairman of the directors in control.
