REALTY MEN IN POLITICS

Some Exchange Members Get Very Much Excited at Meeting.

HARRISON'S PROTEST UNHEEDED

Former President Asks Members Not to Turn Body into Political Camp, but Enthusiasts Persist.

Protest against converting the Omaha Real Estate exchange into a "political camp" was centered at the weekly meeting of the organization in the Commercial club rooms yesterday by C. F. Harrison.

When he had finished somebody cried that he was "out of order" and F. D. Wead, recently nominated to the Water board, was called upon for a report of his campaign's success.

BONDING COMPANY IN CHARGE

Will Complete Carpenter Work on the New Court House.

WILL NOT DELAY COMPLETION

Subcontractor is Not Able to Patch Up Difficulties with the General Contractors, Hence the Change.

Neils Rasmussen, carpenter subcontractor on the new county building, and Caldwell & Drake, general contractors, have been unable to patch up their financial differences and Rasmussen's bondsmen, the Massachusetts Bonding company, has taken charge of his work.

The bonding company has called for bids for finishing of the work abandoned by Rasmussen and will let a contract as soon as the bids have been examined. Carpenter work will be resumed within a week or ten days with the bonding company in charge, according to John W. Murphy, chief clerk for Caldwell & Drake.

"The delay caused by Rasmussen's abandoning the job will mean no further delay of completion of the entire county building job," said Mr. Murphy. "We are well up with all the work and only the marble is delaying us. As it is, we will have the carpenter work and all other work finished by the time the marble is here and set, which I believe will be before August."

Building Permits for Day Run High

Improvements consisting of frame and brick dwellings, warehouses and garages, to cost \$6,450 were authorized yesterday by permits issued from the office of the city building inspector.

In addition to twelve residences ranging in cost from \$1,500 to \$7,500, the Drummond Motor company will build a brick garage and warehouse at 2668-70-72 Farnam to cost \$35,000. The Standard Oil company will erect two buildings at Thirtieth and Locust streets, one to cost \$19,000 and the other \$18,000.

Ernest Sweet will build a \$7,500 brick residence at 49-11 South Twenty-fifth street. The Standard Oil company will build a brick barn and a brick warehouse.

Harriman Official Expires in Chicago

Word has been received announcing the death of P. C. Stohr, assistant director of the Harriman system. The announcement merely mentions that Mr. Stohr died at his home in Chicago at 4 o'clock yesterday. Friends here had not been advised of the illness of Mr. Stohr. He was in Omaha recently and was in perfect health. At that time he accompanied General Manager Scott on a tour of inspection of the Union Pacific lines. He had been assistant director of traffic ten years.

TASTE, SMELL AND HEARING RESTORED

A Simple, Harmless Remedy Quickly Relieves Catarrhal Deafness.

The thousands who suffer the miseries of catarrh, and claim they have never found a cure, can get instant relief by simply appointing the nostrils with Ely's Cream Balm.

Unlike internal medicines which upset the stomach, or strong snuffs which only aggravate the trouble, this cleansing, healing, antiseptic balm instantly reaches the seat of the trouble, stops the nasty discharge, clears the nose, head and throat, and brings back the sense of taste. It strengthens the weakened, diseased tissues, thus protecting you against a return of the trouble.

Nasal catarrh is an inflammation of the membrane lining the air passages, and cannot be reached with mixtures taken into the stomach or with snuffs and powders which only cause additional irritation. Don't waste time on them. Get a fifty cent bottle of Ely's Cream Balm from your druggist, and after using it for a day you will wish you had tried it sooner. Sicilians Prepare to Defend Puglisi

Sebastino Puglisi's Sicilian countrymen are taking a great deal of interest in his case, and will probably raise a fund for defense against the charge of murdering Constable J. A. Woods. It is understood that he will plead accident. Formal charges have not yet been lodged against Puglisi, and will not be until after the inquest Thursday afternoon.

GOES TO THE ROCK PILE FOR TAKING PETTICOATS

Two silk petticoats, valued at less than \$5, purloined from a counter in the Brandeis stores by Romeo Matias, a Mexican, won him a sentence of twenty-five days on the rock pile. Special Officer Casey saw the fellow hide the garments under an overcoat and arrested him.

GREATER WHEAT ACREAGE IS REPORTED IN THE WEST

Assistant General Freight Agent Johnson is back from a crop inspection tour over the Burlington's high line through southern Nebraska. He went as far west as Holdrege and everywhere found the growing wheat crop in splendid condition. Mr. Johnson spent some time in Phelps county, and there, as elsewhere in the southern part of the state, found the acreage of wheat from 15 to 20 per cent greater than last year. Farmers and grain men say that this season of the year the condition was never so good as now. This condition is placed at 100 per cent.

THIRTY DAYS ON ROCK PILE FOR STEALING TROUSERS

The weather has not been warm enough for James Hyrnes, so he decided to procure additional apparel, namely, trousers. He visited the People's Cloak and Clothing store and took two pairs. When arrested Hyrnes was wearing both of them. He admitted stealing them. He was given thirty days.

Good Outlook for Bumper Corn Crop

C. E. Doolittle of Dakota City and Oscar Stamm of Sioux City, here in jury service in the federal court, say they hail from the richest farming section of Nebraska. Last year, generally conceded to be the poorest years for crops in this state, proved of little harm to Dakota county, where some farms reaped as high as fifty bushels of corn to the acre. Conditions this year are better, and bumper crops in all grains are expected.

Burlington Track Slides Into River

Undermined by the high water in the Missouri river, a section of the Burlington roadbed, north of Pacific Junction, yesterday slid off into the river. As a result, Kansas City and St. Louis trains are running by way of Plattsmouth.

CLOTHING PRICES MOVE UP BECAUSE OF STRIKE

Speaking on general trade conditions in the clothing line, John F. Ryan of New York, sales manager of the Stern-Bloch company who is at the Rome, stated that because of general increase of wages of mill workers due to the New England strikes this spring, the manufacturers have raised the prices correspondingly on cotton and woolen goods.

SINHOLD IS BUSY MAN HEAVING ABUSE ON WIFE

Among the many things which Albert Sinhold, a tinner, living at 192 South Twentieth street was accused of doing to his wife were these:

Hitting her with a broom; cursing and abusing her; tearing up their babies' pictures; breaking all the dishes; selling the furniture; neglecting to support her, and occasionally getting drunk.

Sinhold was arrested upon complaint of Mrs. Sinhold. She told Judge Foster that her husband had been arrested upon two other occasions for the same offense, being fined \$5 and costs once and discharged once. Judge Foster was not impressed by Sinhold's story and sentenced him to forty-five days in jail.

Realty Men to Back Parrish's Plan to Advertise Omaha

The Omaha Real Estate exchange will get back to the movement started by E. V. Parrish, manager of the publicity bureau of the Commercial club, to advertise Omaha to Omahans.

Parrish made a talk outlining the educational campaign. His speech was followed by unanimous endorsement of the movement by the exchange and the appointment of a committee of three men to work with him along the line.

OMAHA UNI IS TO HAVE H. S. SENIORS AS GUESTS

The reception for the seniors of the Omaha High school by the University of Omaha which has been an annual event for the last two years will be held again this year on Friday, May 1, at the university. This year the affair will be greatly enlarged and invitations will be extended to the senior classes of the Omaha, South Omaha and Council Bluffs High schools.

The first definite action on the affair was taken at chapel Monday morning, when students and faculty discussed the proposition. All were unanimous in the opinion that it should become the custom to give an annual reception for the senior classes of the three schools.

The committee appointed to make tentative plans is made up of the presidents of the Junior, sophomore and freshman classes.

S.S.S. HEALS SORES AND ULCERS

S. S. S. heals Sores and Ulcers in the very simplest way. It just goes right down into the blood and removes the cause, and the place is bound to heal because the impurities and morbid matters which have been the means of keeping the ulcer open are no longer absorbed from the blood. External applications of salves, lotions, plasters, etc., can never produce a cure because they do not reach the source of the trouble. At best they can only allay pain or reduce inflammation; such treatment is working on symptoms and not reaching the cause. Every nutritive corpuscle in the blood is weakened or infected, they cannot nourish the fibrous tissue around the place, but instead they constantly discharge into the flesh around the sore a quantity of impure, germ-laden matter which gradually eats into the surrounding healthy tissue and causes the ulcer to enlarge. Since impure blood is responsible for Sores and Ulcers, a medicine that can purify the blood is the only hope of a cure. S. S. S. has long been recognized as the greatest of all blood purifiers, possessing the qualities necessary to remove every impurity from the blood. While curing the sore or ulcer S. S. S. brings about a healthy condition of the flesh by supplying it with rich, healthy blood, and thus makes the cure permanent and lasting. Book on Sores and Ulcers and any medical advice free to all who write.

Millard's Condition Remains Unchanged

The condition of Joseph H. Millard, who is suffering from a severe attack of tonsillitis and a high fever, has not changed for better or worse during the last twenty-four hours. The attending physician reports that he is a very sick patient. A favorable change in his condition is confidently expected within a short time.

OFFICERS IN DISGUISE FOOL AUTO SCORCHERS

Traffic Officers Wheeler and Emery, the enemies of automobile speeders, have been furnished with new khaki uniforms. The suits make them look like soldiers and as few of the automobilists know of the new uniforms they speed past the officers and soon after are arrested.

It Banishes Catarrh

Getting rid of catarrh is an easy matter if you will only use a common sense method.

Germes cause catarrh. You know that, and you also know that in order to end catarrh you must destroy the germes. Sprays and douches will not kill the germes. Liquid cannot penetrate into the folds and crevices of the mucous membrane of the nose and throat infested with catarrh germes.

It's pleasant, soothing and healing, is this vaporized air, and it is really the only remedy known that can reach and destroy catarrh germes and end the misery and humiliation that catarrh causes. Complete outfit \$1.00. Extra bottles of HYOMEI if needed cost 50 cents. Druggists everywhere sell HYOMEI. It is guaranteed not to contain cocaine, opium or other habit forming drugs.

HIGH-O-ME

That's the Proper Way to Pronounce HYOMEI, the Famous Catarrh Remedy Made from Australian Eucalyptus and Other Antiseptics—Just Breathe It.

DARKEN THE HAIR NATURALLY WITH SIMPLE REMEDY

A feeling of sadness accompanies the discovery of the first gray hairs which unfortunately are looked upon as heralds of advancing age. Gray hair, however handsome it may be, makes a person look old. We all know the advantages of being young. Aside from the good impression a youthful appearance makes on others, simply knowing that you are "looking fit" gives one courage to undertake and accomplish things. So why suffer the handicap of looking old on account of gray hairs, when a simple remedy will give your hair youthful color and beauty in a few days' time?

Most people know that common garden sage acts as a color restorer and scalp tonic as well. Our grandmothers used a "Sage Tea" for keeping their hair dark, soft and luxuriant. In Weyth's Sage and Sulphur Hair Remedy we have an ideal preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp and thin, weak hair that is split at the ends or constantly coming out. A few applications of this valuable remedy will bring back the color, and in a short time it will remove every trace of dandruff and greatly improve the growth and appearance of the hair.

Get a fifty cent bottle from your druggist today, and notice the difference in your hair after a few days' treatment. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.
