HOBBY CAUSES MACH'S DEATH

Had Irresistible Desire to Repair Revolvers and Tools.

BROKEN WEAPON DISCHARGED

Bullet Enters Aged Man's Head and Relatives, Rushing to His Side, Find Him Dying—Verdict Says Accident.

Desire to correct breaks and imperfections in revolvers, tools and machinery, cost John Mach, a machinist, living at 86 South Twenty-second street, his life early yesterday morning.

The coroner's jury which investigated the case brought in a verdict at 11 o'clock that Mr. Mach came to his death from his own hands through an accident. It is thought that he supposed the revolver he was working with was empty.

There was a party at the Mach house Wednesday night and the guests did not leave until after midnight. Mr. Mach bade his son, Dr. John Mach, a dentist, good night about 1 o'clock. The elder Mach then went about to close doors, windows and to put out the lights. He is thought to have found the revolver upon his rounds, and finding it out of repair decided to fix it.

Mach is Found Dying.

Between 2 and 3 o'clock Dr. Mach and his brother-in-law, A. F. Borglum, heard the report of a pistol. They dressed and went to investigate and found their father dying. He was unable to speak to them.

The testimony taken at the inquest showed that Mach was in good health and had no mental or other troubles. The jury was convinced that his death was caused by accident. He was 69 years old, and is survived by a widow, three sons and three daughters.

Rule 10 is Unfair to Omaha Shippers

Opposition to the application in this territory of "rule 10" of the Interstate Commerce commission was pledged by the Omaha Manufacturers' association and personal letters will be written by each member of the organization to the State Railway commission urging against the new rule.

It is argued that the rule is decidedly unfair to Omaha interests and especially unfair to the grocery manufacturers and jobbers in that it will give Chicago grocers opportunity to sell their goods in this territory at a cheaper rate than home goods can be sold.

Rule 10 allows for mixed carloads to be shipped at less than carload rates, which will give to Chicago grocers the privilege of shipping varieties of goods in one car at less than carload rates, while Omaha concerns manufacturing or handling only one brand of goods and shipping in amounts less than carload lots still will have to pay the carload rate.

Postoffice Robber Brought to Omaha

Deputy United States Marshal Frank A. Blanchard returned to Omaha Wednesday from South Sioux City, bringing with him in custody George Taylor.

Taylor broke into the postoffice there a week ago, making away with \$600 in currency and \$50 in stamps.

He will be arraigned before the grand jury here in September, or taken to Lincoln next month, when the grand jury there is in session.

MASTEN ARRANGES FOR QUICKER MAIL TRANSFER

F. H. Hammill, superintendent of the Iowa lines of the Northwestern, with headquarters at Boone, Ia., and T. D. Holmes, commercial agent of the road at Omaha, waited upon J. M. Masten, superintendent of the United States railway mail service, yesterday afternoon and arranged a plan to relieve the delay to Minneapolis trains due to loading mails at the Union Pacific transfer.

Because of the present congestion of mails Mr. Masten suggested the Northwestern have its trains, which are heavy carriers, load their mail previous to their backing into the Omaha station. This would minimize the delay on the other side of the river. The representatives of the railroad agreed to this.

The Postoffice department will change the time for the mails at the Union Pacific transfer sufficient to allow these trains to maintain their schedule out of Omaha.

C. A. Searle of Chicago, manager of mail traffic of the Rock Island lines, saw Mr. Masten relative to a more prompt handling of the mails by that road at Colorado Springs, a transfer point of the Rio Grande and Midland roads in Colorado.

SCHOOL LADS TAKE OUTING WITH CHURCH BOYS' CLUB

The boys attending Saratoga, Monmouth Park and Miller Park schools have been invited to go on an outing Saturday with the Boys' club of St. Stephen's mission under the direction of the Rev. Lee W. Heaton. The boys will leave Twenty-fourth and Fort streets at 9 a. m. and tramp north and west. After dinner a base ball game has been arranged. The party will return late in the afternoon.

It would surprise you to know of the great good that is being done by Chamberlain's Tablets. Darius Downey of Newberg Junction, N. H., writes, "My wife has been using Chamberlain's Tablets and finds them very effective and doing her lot of good." If you have any trouble with your stomach or bowels give them a trial. AMBASSADOR BRYCE STARTS FOR AUSTRALIA

WASHINGTON, April 25.—British Ambassador Bryce and Mrs. Bryce left Washington today for San Francisco, from whence they will sail for New Zealand. The ambassador's purpose is to study at first hand the political and sociological conditions of a part of the British empire he has never before visited. He will be away about three months, leaving the embassy under charge of Alfred Mitchell Innes, the counselor.

Is Your Skin a Source of Embarrassment to you?

A bad complexion, blotches, pimples and eruptions on the face can only be removed by purifying and enriching the blood. Perhaps you have tried many so-called "Cures" and have become discouraged. Don't give up hope.

Dr. Pierce's Golden Medical Discovery

Is Recommended in Your Case

That which it has accomplished for others it can surely accomplish for you. More than forty years of experience has proven its superior worth as a blood-purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots, such as golden seal and queen's root, stone root and mandrake root, bloodroot and black cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine.

The "Golden Medical Discovery" makes rich, pure blood, and so invigorates and regulates the stomach, liver and bowels and, through them, the whole system. Thus all skin affections, blotches, pimples and eruptions, as well as scrofulous swellings and old open running sores or ulcers are cured and healed.

Treating old running sores or ulcers, it is well, to insure their healing, to apply to them Dr. Pierce's All-Healing Salve. If your druggist doesn't happen to have this salve in stock, send fifty cents in postage stamps to Dr. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of "All-Healing Salve" will reach you by return post.

SEND to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia, as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

Send 31 one-cent stamps to pay cost of mailing only on a free copy of Dr. Pierce's Common Sense Medical Adviser, 1008 pages, cloth-bound. Address Dr. Pierce, as above.
