Guard Your Family With the Woodmen Circle. World's Greatest Women's Fraternal Organization

Membership 105,000 **Surplus Funds, \$2,500,000**

There is no better protection in the world than a membership in this great organization, which has grown more rapidly in proportion to size than any order affiliated with the National Fraternal Congress

This solid organization has paid to beneficiaries of deceased members as funeral and death benefits more than two and one-quarter million dollars

This fraternity pays death benefits, old age disability, funeral benefits for males and erects a monument for females—all in one certificate, all at one cost

For twelve years Mrs. Emma B. Manchester, supreme guardian, has been at the head of this great woman's organization. During that period the growth of the circle has been wonderful, the membership increasing from 5,000 to the present enrollment of 105,000

Mrs. Manchester's firm management of the circle has produced this wonderful change, and just now, supported by an excellent corps of officers, she is pushing the Woodmen Circle into a still higher position among the fraternal orders of the world.
