### STATE WARDS USING CASH Auditor's Books Show Eleven Institutions Ahead of Appropriations.

CAVINESS SUCCEEDS SHELLHORN

Nebraska

#### Commandant Hillyard of Soldiers Home at Milford Said to Be Contemplating Return to His Farm.

From a Staff Correspondent.) LINCOLN, April 27.-(Special.)-April 1 ias the beginning of a new fiscal year for all the state institutions. The appropriations are made for a two-year period and the auditor's books show that eleven of the eighteen institutions have used up more than half the money appropriated for their maintenance for two years. In he case of the School for the Feeble dinded at Beatrice the typhold epidemia which necessitated the reconstruction of the plumbing and the sinking of new wells, was the cause for the overlap, and he penitentiary has also overdrawn as t result of recent events which required he expenditure of considerable money

out anticipated by the legislature. All four of the normal schools have used up more than half the two-year appropriations, Chadron having made the largest inreads into its cash, and the stra expense incident to the repairs to the foundation, which settled, will make unother draft for the second year of the blennium. The other institutions which have overdrawn are the Deaf and Dumb for Boys and Girls at Geneva, the Ortho polic hospital at Lincoln, and the Sol and the Soldiers' and Sallors' home at Milford.

#### New Board Members.

Governor Aldrich announces the ap-continent of A. L. Caciness, now a member of the board of examiners as a mem ber of the State Normal board, taking the place of B. L. Shelthorn, whose term expires in May. No appointment has been unced to success Davinets as a mem-

ber of the examining board. It is announced on seemingly good authority that Commandant Hillyard of the soldiers' nome at Milford will soon tender his resignation. It is said Mr. Hillyard desires to devote his time to his farm near Suparior. Some time ago there was a rumor that he intended to retire, but this time the report appears to be authen-tic. / It is not stated just when the rest nation will be effective, but it is pre-sumed it will be in the newr future, and it may be received at any time. Governor Aldrich said, when the rumor was reported him, that he had given the subject of a successor no thought and that it would be time enough to look for a man when the resignation arrived.

Interest and Principal. The books of the state auditor show portion amounted to 3 cents and the interest on the same was 10 cents. Into principal of any collection reported during the year.

State Auditor Barton has gone to Aurora to visit his mother, who a few months ago underwent an operation and not entirely recovered from its results The Railway commission is hearing the

Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child bearing. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend, a remedy that has been so long in use, and accomplished so much good, that it is in no sense an experiment, but a preparation which always produces the best results. It is for external application and so penetrating in its nature as to thoroughly lubricate every muscle, nerve and tendon in-volved during the period before baby comes. It aids nature by expanding the skin and tissues, relieves tender-ness and soreness, and perfectly propares the system for natural and safe motherhood. Mother's Friend has been used and endorsed by thousands of mothers, and its use will prove a comfort and benefit to any woman in Mothers to any woman in need of such a remedy. Mother's Friend drug stores. Write for free book for expectant mothers, which contains much valuable information. RADFIELD REGULATOR CO., Atlanta, Ga.

setition of the traction company 10 charge a 5-cent fare to Havelock and University Place, instead of the six for S cents in vogue now. The company in-sists that the lower fare is unprofitable and the residents of the suburbs assert hat it is profitable. Kearney Boys at Work Land Commissioner Cowles has re ner Cowles has returned

Nebraska

from a visit to the new industrial school and tuberculosis hospital at Kearney. Active work on the farm is now under way and the boys have already planted forty-five acres of potatoes. In addition it is expected the school will raise twen-ty-five acres of tomatoes, which will be

sold to a cannery; forty acres of beets, forty of oats, and 20 of corn. At the tuberculosis hospital the contractor has the east wing of the building under roof and the roof timbers are being placed on the central portion and the west wing.
