Bill May Be Brought From the Committee

WASHINGTON, April 3.-Tariff dis-cussion in the senate will begin this week after prolonged hearings in the finance ittee over the various democratic measures sent over by the house. Sen-ator Cummins of Iowa will introduce normy the bill which he has drafted and steel schedule of the tariff law. He will speak on it Wednesday. Demo-crats and some of the progressive republicans expect they may reach some common ground on the basis of this bill with a view to forcing revision legislation through the senate. Senator Stmmons of North Carolina is in charge of the house bill and expects to call it up Tuesday.

Tomerrow the postoffice appropria tion bill, one of the heaviest of the supply measures, prabably will be passed in the house.

The bill for direct popular election of United States senators already passed by the house, but amended in the senate, to provide for federal supervision, may be brought up in the house tomorrow on a motion of the house confereos to accept the senate amendment. This, if adopted, would mean the enactment of the law. The conferees had been dead-locked on the senate amendment for months. months.
