## Two Uni Men For Olympic Tryouts

LINCOLN, April 29.—(Special.)—Two sprinters from the University of Nebraska are to compete for places in the Olympic tryouts to be held in Chicago July 4. Guy Reed, last year's sensational sprinter and record holder of the Missouri Valley, will enter the 220 and probably the 440-yard dashes. Louis Anderson, premier miler and holder of the Missouri Valley record, will enter the mile run.

From the fund of running material now on hand at the university, other men may also be selected to try for one of the great honors accorded an athlete—entry into the international meet to be held the latter part of the summer at Stockholm, Sweden.

Reed graduated from school last year and was selected as assistant coach for this season. He has been training since winter and bids fair to be in better condition than last year when he took the 220 valley record in 21 4-5 seconds. Reed was declared to be the greatest short distance man in the west.

Anderson is a runner who never had on a track suit until he entered the university. With a fund of endurance behind him, he was able last year to show his heels to the best in the conference and to set a record of 4:26 for the mile. In the high wind of Saturday, and with hardly no opposition on the part of Ames, he came within a second and a half of this time and his first showing of the season practically assures the fact that a new record is to be set this year when the best in the conference get together at Des Moines.

Racely in the dashes showed up in good form Saturday, and it is possible that he will be selected to go with Reed and Anderson to Chicago. Other men are showing up equally as well as Racely and may also make the trip.

**Brodegaards Tie at Blair.**

The Brodegaard Crowns took a rainy trip to Blair Sunday and went eleven innings to a tie, playing in a steady drizzle, and quit to catch the train, with the score 7 to 7. The feature of the game was Bell twirling the muddy sphere around the opponents' necks, allowing but six hits; also the two double plays made by Barrett, the third-sacker of the Crowns. Score:

| | R. | H. | E. |
|---|---|---|---|
| Brodegaards | 1 1 2 0 2 1 0 | 7 | 1 |
| Blair | 1 1 1 1 0 2 0 | 7 | 4 |

Batteries: Crowns, Bell and Fuller; Blair, Wolff, Haler and Krause. Umpire: Kelly.

**Shamrock Juniors Lose.**

The Siax base ball team defeated the Shamrock Juniors Sunday afternoon by the score of 9 to 5. Batteries for the Siax team were Maher and Miller, and for the Shamrock's, Festner and Doolittle. Maher, pitcher for the Siax team, struck out fourteen men.

## HOLT COUNTY MAN SAYS FISHING WILL BE FINE

"Down south and southwest of us in the lake country," said P. G. Nobles, a ranchman near Atkinson, Neb., while at the Millard hotel yesterday, "there is going to be the finest bass and crappie fishing this season that we have ever known. There was a reasonable supply of water in the lakes last fall and consequently they did not freeze to the bottom during the winter. This spring they have filled still higher, owing to the large volume of snow water that flowed in, and as a result there is going to be plenty of water for the fish. There are twenty or more lakes within a radius of thirty miles south and west of me. They range all the way from eight to twenty feet deep and they are filled with bass, crappie, sunfish and perch. The bass and sunfish run from one to five pounds each and will take any kind of bait in season. It does not require any skill to catch them. You simply cast out into the water and an instant later you will hook a fish. Generally around these lakes the accommodations are not very good, but the fish are there.

"Then, too, there will be great duck shooting in and around the Holt county lakes. There is so much water that this year thousands of ducks, mallard, teal and blue bill are there and have apparently taken up their abode. Already they are laying their eggs and this fall when the season opens, I am predicting great sport."

## HUSBAND GETS SIX MONTHS FOR SHOOTING WIFE'S FRIEND

KANSAS CITY, Mo., April 29.—R. F. Curtis, who shot and killed H. C. Gumbel at a hotel here last September, was found guilty of manslaughter in the fourth degree and given a jail sentence of six months by a jury tonight. The "unwritten law" played a prominent part in the trial.

Curtis shot and wounded Samuel Goldman at Austin, Tex., in 1906, on account of attentions paid Mrs. Curtis.

## TORNADO HITS MANY TOWNS

### Southern Oklahoma Devastated by Great Storm.

### KNOWN DEAD OVER FORTY

**Many Places Shut Off from Communication and Full Extent of Disaster that Has Befallen Them is Not Known.**

OKLAHOMA CITY, Okl., April 29.—As detailed reports come in, the extent of devastation and loss of life and property from Saturday's tornado increases. News from many places now inaccessible on account of high water and destruction of telephone lines, probably will add to the losses already tabulated.

It is now known that twenty towns were struck by the storm which swept northward yesterday afternoon from Texas, through portions of southwestern and central Oklahoma, that two of them, Butler and Foss, were literally wiped out and forty-one dead and more than a hundred injured are accounted for. Other deaths are reported, but cannot be verified because torrential rains swelled streams out of their banks in the wake of the tornado, preventing rescue parties exploring whole sections.

Tonight no word had been received from Eldorado, Warren, Martha and Blair, reported Saturday to have suffered severely, while Korn, Sentinel, Colony and Hinton, Okl., were discovered today to have been badly damaged.

All of central Oklahoma seems to be demoralized and it may be several days before an accurate report of the loss of life and property may be determined.

Western Oklahoma streams are out of their banks. The Rock Island bridge over the Cimarron river, thirty miles south of Enid, was washed out. A call for aid was sent out today by the officials of Lugert, who say there are thirty destitute families in the town.

**Path of Destruction.**

Following is a summary of the damage to life and property:

Foss, Okl.—Ten killed, twenty-five or thirty injured; town badly torn up.

Butler, Okl.—Nine killed, many injured.

Sentinel, Okl.—Two killed. Fifty houses blown down.

Hinton, Okl.—One killed, many injured, score of buildings blown down.

Hobart, Okl.—Two known dead, four others reported dead, several injured, great damage to property.

Lugert, Okl.—Two killed, five fatally hurt. One store building left standing.

Rocky, Okl.—One killed, half of town blown away.

Calumet, Okl.—Three killed, six or eight injured. Heavy property loss.

Eldorado, Okl.—No news since Saturday afternoon, when it was reported many were killed and injured.

Reports of numerous smaller tornadoes have been received from Mineo, Yukon, Mulhall and points in Garfield county.

Kirkland, Tex.—Seven dead and great damage to property.
