Your fat will disappear at the rate of from 12 to 15 ounces per day and you will correct the digestive juices of your system so that they will no longer turn your food into fat. They will make you stronger and they will not harm anyone. No matter whether you eat at home or away from home, your Marmola Tablets can always be carried and you will be free from any worry about that which you eat. These tablets will stop all fat-making, and the beauty of them lies in the fact that they will not leave huge wrinkles after the fat goes away. If you will try them for a week you will become one of the thousands to whom we can refer you. ### WOULDN'T RECOGNIZE WIFE

As the Same Woman He Knew Six Months Ago.

### SICK FIFTEEN YEARS

Now She Has the Bloom of Health and He Thanks the United Doctors.

The pleasure of the home, the foundation of the nation, depend largely upon the health of the home builders. If either, or both, of the heads of the family have been attacked by the inroads of disease, not only the cares and the labor of its establishment become harder, but the pleasures of the fireside and the evening gatherings around the family table are dampened. Health and pleasure make up the sum total of life. Without them both we have no earthly reward for our labors.

Mrs. Draper of Eckley, Colorado, had been suffering fifteen years with a severe form of Stomach, Liver and Kidney trouble, together with rheumatism, cured from one doctor to another without relief, until her friend, who had been cured by the United Doctors, told her to go to those expert medical specialists who have their Omaha offices on the second floor of the Neville block, corner Sixteenth and Harney streets.

After six months of their treatment she is now a new woman and restored to her family practically well. Mr. Draper's letter of gratitude follows: Eckley, Colo., Jan. 26, 1912. Dear Doctors: My wife is getting along so well under your treatment that I would not like to have her stop taking the medicine. I am going to take it myself just as soon as my wife is cured. I can't thank you enough for what you have done for my wife. She has doctored with other doctors for 15 years, but they never did her any good. She don't look like the same woman since she has been taking your medicine. I think she will soon be as well as she ever was, so thanking you for your kindness, I remain, Yours truly, (Signed) F. J. DRAPER.

### SAGE TEA WAS USED BY OUR GRANDMOTHERS

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea" and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit. The present generation has the advantage of the past in that it can get a ready-to-use preparation called Wyeth's Sage and Sulphur Hair Remedy. As a scalp tonic and counter restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers. The growth and beauty of the hair depends on a healthy condition of the scalp. Wyeth's Sage and Sulphur Hair Remedy quickly kills the dandruff germs which rob the hair of its life, color and lustre, making the scalp clean and healthy, gives the hair strength, color and beauty, and makes it grow. Get a 50 cent bottle from your druggist today. He will give you money back if you are not satisfied after a fair trial. Agent, Sherman & McConnell Drug Co.

### BONDS IN A PRETTY TANGLE

Second High Bidders Refuse to Take the Big Issue.

### COUNCIL IN SPECIAL SESSION

New Bids Are Asked and Will Be Opened at Five O'clock Wednesday Afternoon—Suits Are Liable to Follow.

City Comptroller Cosgrove was instructed by city council in special session yesterday morning to notify bond houses by wire that new bids on the \$500,000 city bonds, refused by C. H. Verner & Co. of New York, would be accepted and opened tomorrow afternoon at 5 o'clock. This action followed a warm session in which Frank Meyers, representing Merrill, Gilman & Horn, insisted that the city complete a proposition be accepted, since Parkinson & Burr, second high bidder, had withdrawn their bid. The bid of Meyers' group was \$7,024. Verner & Co. presented a bid of \$5,638. Verner & Co. a check for \$5,000, placed as a forfeit in case of their failure to accept the bonds, has been cashed and the money is being held by the city.

Representative Phillips of Spitzer-Rorick & Co., had been notified that new bids would be received and insisted that these bids received by the comptroller Monday afternoon be opened and the bonds declared sold to the highest bidder. Mr. Meyers objected to this as manifestly unfair, since his bid had been published and could therefore be overbid by a few cents. He asked for a chance to present a new bid. New bids had been received from Spitzer-Rorick & Co., R. L. Day & Co. and Kountze Bros.

**Bids Opened Wednesday.**  
All bids will be opened this afternoon at 5:15 o'clock. The city has sent money to New York to cover these, but \$400,000 more bonds mature June 1 and must be taken up with money from this \$500,000 issue.  
City Attorney John A. Rine told the council the city would keep the \$5,000 check of Verner & Co., but that suit would probably be started by the New York firm. Grounds for the suit will be probably that City Comptroller Cosgrove did not place before the bidders the whole truth, although the comptroller declares there was nothing misleading in his statement nor the advertising for bids. Verner & Co. maintain they were led to believe the assessed valuation of property in the city was \$184,000,000. Cosgrove points to his statement, which is that the property in the city for "assessment purposes" is that amount.

Adjustment of the difficulty between the city of Omaha and C. H. Verner & Co. of New York over the sale of \$500,000 city bonds was discussed at the council in committee of the whole Monday afternoon, an settlement at a special meeting called for the afternoon was prevented by the absence of M. F. Funkhouser.

### Funkhouser Campaigning.

By law notice of such special meetings must be served at the homes of councilmen. Mr. Funkhouser was not at home. A deputy was authorized to find him. After searching for two hours, while the council waited in idleness, the deputy came back and reported: "He is out campaigning. I found trace of him at the McCaffrey saloon, Sixteenth street, between Dodge and Douglas. He had come up there in an automobile and, they told me, had just left. He was with John A. Swanson."

City Comptroller Cosgrove says Verner & Co. have given no reasons for refusing to take the issue, except that they understood the assessed valuation of Omaha property to be \$184,167,120, when that is the value of property for assessment purposes, and therefore the assessed value is but one-fifth of that. Frank A. Gray, former treasurer, had placed this amount after the statement "assessed valuation," but the statements issued by Mr. Cosgrove have designated it "value of property for assessment purposes."

### Wires The Bee.

C. H. Verner & Co. wired the following in committee of the whole Monday morning to The Bee Monday afternoon: The article in your issue of Friday last stating we gave no reason for refusing to take \$500,000 Omaha city bonds, is incorrect and unjustly reflects on us. Our letters and telegrams to the city comptroller April 29 and 30 contain sufficient and valid reasons which in justice to us and the public you should publish that the real facts may be known. Assistant City Attorney Lambert has taken with him in his visit to New York all except one letter written by Verner & Co., according to Mr. Cosgrove.

### A Telegram was received from Parkinson & Burr of New York, saying that under the circumstances they "did not prefer to take the bonds."

They were second high bidders, offering \$9,000, as against \$15,000 bid by the other New York company.

### Methodists Confer on Amusement Rule

The question of whether or not to change the "popular amusement" rule will be discussed at the quadrennial conference of the Methodist church at Minneapolis. Agitation has been revived in favor of removing the ban from dances, theaters and cards. Bishop Nuelson of this city has gone to the conference. John Dale, lay delegate, left for Minneapolis last night. Nebraska is represented at the conference by the following delegates: Clerical—Rev. James R. Getty, David City; Rev. N. A. Martin, University Place; Rev. R. N. Orrill, Fairbury; Rev. C. M. Shepard, Lincoln; Rev. C. N. Dawson, Omaha; Rev. William Esplin, Arlington; Rev. E. T. George, Neligh; Rev. Allen Chamberlain, North Platte; Rev. J. W. Morris, Holdrege; and Rev. A. B. Julian, Gordon. The laymen are C. A. Palmer, chancellor Nebraska Wesleyan university; University Place; G. M. Spurlock, York; G. E. Tobey, Lincoln; R. B. Windham, Plattsmouth; John Dale, Omaha; G. H. Gray, Central City; O. O. Snyder, O'Neill; W. R. Akers, Scottsbluff; E. A. Cook, Lexington and S. K. The destination of the workers is Albert Lea, where this year a large acreage of sugar beets is being planted.

### Miss Ann C. Hungate Dies from Effect of an Auto Accident

Miss Anna C. Hungate, who was injured over a year ago in Omaha, when she was knocked down and run over by an automobile at Twenty-fourth and Leavenworth streets, died Monday at the home of her sister, Mrs. Homer Asbaugh, St. Louis. Miss Hungate was found dead in bed in the morning.

After the accident Miss Hungate rallied and it was thought she had recovered. She went to California for a time to recuperate and later went to St. Louis where she died. She never recovered from the effects of the accident. The body will be brought to Omaha for burial. Funeral arrangements will be announced later. Miss Anna Hungate was a most popular girl, daughter of J. H. Hungate now living at Blair. ### Omaha Motorists to Meet Tourists

The good roads committee of the Commercial club has decided to tender a banquet to the members of the Denver-Chicago sociability run on arrival of the party here on May 24. It was also arranged for a large number of Omaha motorists, members of the Commercial club and the Omaha Auto-Motor club to meet the party at Hastings and escort them to Omaha. It is expected that fifty or more will be in the Omaha reception committee. The banquet will be held at one of Omaha's leading hotels, and it will be an event of some magnitude. There will be between forty and fifty cars in the Denver party, which will leave Denver at noon on May 21. The route will be over the Omaha-Denver transcontinental highway to Omaha, and over to the river-to-river road through Iowa. A large party of Omaha motorists will accompany the tourists eastward as far as Atlantic. The regular run is to Chicago, but many of the Denverites will go to Indianapolis and attend the international sweepstakes races on Memorial day. The return trip will be made by way of Kansas City and to Denver over the Golden Belt road.

The Rod and Gun club comes into possession of the beach next year.

### SHRINERS JOURNEY WEST

Delegations of Nobles Much in Evidence in Omaha During Day.

### ARRIVE ON SPECIAL TRAINS

Enroute to Los Angeles to Attend Annual Conclave, They Visit Points of Interest During Stops Here.

The fee and the tiger claws were in evidence everywhere in Omaha yesterday. Worn by the hundred of Shriners passing through on their way to Los Angeles, to attend the annual conclave next week. The Shriners, their wives and children owned the city since early morning and they made their presence felt, for during their stay they visited most of the points of interest. The first delegation to arrive came in over the Milwaukee from Cedar Rapids, numbering eighty-five. They had a special train, consisting of four new twelve-section sleeping, a dining, buffet observation car and one baggage car. This train was in charge of Charles Mitchell, one of the oldest passenger conductors on the road and a prominent Iowa Shriener. The train was parked at the Union station until 11:30 o'clock, when it was hauled west over the Rock Island. During the stop here, it was visited by hundreds of the local Shriners, who called to pay their respects. The Milwaukee train was one of the finest that it has ever sent out. The cars were of the standard color, a deep orange, bright and new, being just out of the shops.

### Delegations from North.

Later in the day the Northwestern brought in a special from the north carrying Imperial Potentate Treat and the Fargo temple and delegations from Minneapolis. A little later a special arrived from Des Moines and Davenport, carrying 120 people. Here both trains were delivered to the Rock Island and proceeded on the journey west.

At 1 o'clock in the afternoon the Burlington took out a train of twelve cars, consisting of sleepers and dining, with observation cars. This train carried the temples from Winnipeg, St. Paul, Minneapolis and Aberdeen.

In the private car Magnet twenty-five Shriners arrived from Boston over the Northwestern and this afternoon went out over the Union Pacific on the fast mail.

### Pipers in Killies.

With the temple, forty-five boosters came along and with them they brought a band of seventeen pipers, the members dressed in plaids and kilts. The first thing the Winnipeggers did after getting to the Union station was to gather their pip-

### Railroad Officials View Terminal Site

A large party of the Rock Island officials came to Omaha yesterday to look over the terminal property on which the new freight depot to be erected, which together with other improvements, will cost in the neighborhood of \$3,000,000. All of the officials expressed themselves as well pleased with the site and remarked that when completed the building will be one that will be a credit to the city. In the party were: A. E. Sweet, general manager of the Second division, which includes Nebraska and Kansas and the pan handle country of Texas; J. B. Vinton, general superintendent of the Nebraska division; A. W. Ramsdell, superintendent of the St. Louis division; J. A. Stewart, general passenger agent of the Second division; A. T. Abbot, superintendent of the Iowa division; S. M. Pratt, superintendent of the Colorado division; H. P. Greenough, superintendent of the pan-handle division; C. W. Hourie, superintendent of the Kansas division and B. E. ### Sixty Pretty Girls Will Sell Flowers

Sixty pretty girls will be stationed on the streets of Omaha Saturday to sell flowers for the Ladies Muskeverin society. No flower will be sold for less than ten cents, and if a larger coin is tendered in payment no change will be given back.

It was first planned to hold the flower festival May 1, but Saturday was chosen as more people would be on the streets and more flowers would be sold. Local florists have donated the flowers, and it will not be necessary to use the \$50 subscribed by the sixty-three patronesses for this purpose and it will be turned into the treasury.

The Ladies Muskeverin society heretofore has been merely a band of interested women who met occasionally to help raise money for the building of a music hall. It has been made a permanent organization with these officers: Mrs. P. Gutschmann, president; Mrs. Charles Schaubert, vice president; Miss Anna Lamb, treasurer; Mrs. R. S. Lucke, secretary.

You judge a man not by what he promises to do, but by what he has done. That is the only true test. Chamberlain's Cough Remedy judged by this standard has no superior. People everywhere speak of it in the highest terms of praise. For sale by all dealers.
