HAYDEN'S

THE RELIABLE STORE

Here's the Weather And Here Are the Suits

Did you know when you buy clothes here you are dealing with the largest spot-cash buyers in the state? We dislike to seem boastful; we try to set forth in plain hard-hitting English the real worth of our

Hart, Schaffner & Marx Clothes \$18.00 to \$35.00

The Styleplus Clothes at \$17.00
 The World Over

The Hayden Wonder Clothes at \$14.50
 Our Own Product

But we cannot say too much. Our boosts are well founded and backed by sturdy fabrics, worthily tailored and perfect fitting, and our garments are the proof of it.

If you will come to this store tomorrow or any time we will show you suits that you will be proud to wear. There is not a style on the Spring 1912 Fashion Plate that is not represented here—and plenty of them—whether you pay \$10, \$12.50, \$14.50, \$17, \$18, \$20 or upwards. Our stock is so complete you will find all the prevailing colorings of the season—the grays, the browns, blueberry blue, navy blue, electric blue, tans, etc.

Models in English, semi-English, "College chap," Shapemaker, and plenty of models for conservative ideas.

We are the only store in Omaha offering men's all wool and pure worsted suits—with an extra pair of pants at \$10.00. Our supply will soon be exhausted and it's a question if these values can be duplicated again this season, but while they last they're yours.

If you have the least doubt as to the valuation of this offering at \$10.00, just figure it out yourself. If you are fortunate enough in buying an all wool Men's Suit at \$12.00 with single pair of pants wouldn't you consider it an extraordinary opportunity when you get an extra pair of trousers worth at least \$3.50? This gives you a bona fide \$15.50 proposition for \$10.00—they're selling, too.

Visit our Exclusive Boys' Dept., second floor. New wash suits \$1.00 to \$3.50. Boys' 2-pant suits \$3.50, all wool, worth \$5.00. Boys' Knicker trousers 45c, worth 75c.
