Omaha Loses Extra Inning Game; Tigers Are Beaten by Remarkable Rally

DES MOINES WINS IN TENTH ROUND

Takes the Last Game of the Series with Omaha in Hard Fought Battle.

GAME IS LOST ON ERRORS

Bobbles Come at Bad Time, Letting in the Runs.

HICKS PITCHES GREAT BALL

Is Practically Invincible Till Near the Close.

TENTH INNING TELLS THE TALE

Two Hits, a Walk and a Sacrifice Give Des Moines the Run Necessary to Win Game—Omaha Cannot Even Up.

Lead Des Moines

It took ten innings yesterday to see whether Omaha would win all four games of the series or three out of the four, but in the tenth, when Omaha had one run to overcome and failed to get it the Rourkes decided that they would be satisfied with three games. Des Moines took the long end of the 5 to 4 score.

Hicks, who worked from the mound for the Rourkes, flung a beautiful game and would have won it easily had not Kane and Niehoff blew up in the eighth and ninth innings, allowing the Des Moines bunch to overcome a one run lead and then pile up two more runs. When the errors came they unnerved the little southpaw and he was found for a few hits, which would not have been dangerous had they not been coupled with the errors.

One in the First.

In the first inning Hicks allowed two hits which allowed the visitors one run, but the Rourkes evened up in their half. For seven innings it was Hicks all the way and the Hopefuls never had a chance to get even a semblance of a hit. In the fourth the Rourkes took a lead with one run. In the eighth Des Moines, with two singles aided by two errors, overcame the Rourkes' lead and went one better. In the ninth they speared another tally on two errors and a hit.

A ninth inning rally on the part of the Omaha club brought the two runs necessary to tie the score, but Scanlon after getting on first on Hahn's error, overran first base and was caught. Johnson in the meantime had run to third and forced Kane off the plate towards home, and the firstsacker was caught at the plate. In the tenth two hits, a walk and a sacrifice gave Des Moines the necessary run to win and the Rourkes could not overcome it in their half of the inning.

Thomason Hits Hard.

Johnson had hard luck in his batting yesterday and could not lift the ball out of the infield. Thomason hit the ball like a fiend, getting three hits in five times up, two singles and a double. Scanlon also had his batting clothes on and made two hits. For Des Moines Hahn made three hits and Kores got two.

In the first Des Moines got a run. After Colligan had gone out Hahn doubled to center. Kelly was hit by the ball. Thomas slammed one down to Niehoff, who caught Hahn going to third. A double by Kores brought Kelly home. Welch walked, but Curtis popped up to Scanlon.

Davidson led off for Omaha and drew a walk. Coyle sent an easy one to Kores forcing Davy out at second. Thompson doubled to left, scoring Coyle. Kane was an easy out, Colligan to Thomas. Johnson struck out.

Nothing was doing then until the fourth, when Omaha got another. Niehoff doubled to center. Justice was hit with the ball. Hicks filled the bases when Thomas made an error of his grounder. Davy sent an easy one to Kores, forcing Niehoff out at the plate. Coyle sent a sacrifice fly to Kelly, scoring Justice. Thompson grounded out, Colligan to Thomas.

Kane Makes Two Bobbles.

In the eighth inning after Des Moines had two out, Hahn singled to center. Kelly sent one to Niehoff, who made a bad throw to first. Thomas singled, scoring Hahn. Kores drove one to Niehoff, who juggled the ball while Kelly raced across the plate. Welch was an easy out, Scanlon to Kane. In the ninth Des Moines took another. Curtis got to first on Kane's error. Ulfowski got to first on another error by Kane, while Curtis went to third. Northrup scored Curtis with a single to center. Colligan sent one to Justice, who threw Ulatowski out at the plate. Hahn struck out. Thomas struck out.

Coyle Forced Over.

Coyle led off for Omaha in the ninth with a double to the right field fence. Thomason singled to left. Kane walked, filling the bases. Northrup was here jerked out of the game and Rogge sent

C. B. ROWERS PLAN OPENING

Large Card of Events is Planed for All Day May 25.

DANCE AT CLUB HOUSE AT NIGHT

Boat Races, Golf and Tennis Matches and Other Events Will Fill Out an Interesting Program for the Initial Day.

Plans are being formulated for the opening of the Council Bluffs Rowing association on May 25. An interesting program which will commence shortly after noon will be terminated with a dance in the club house.

A meeting of the directors will be held tomorrow night at which time the program for the opening of the club will be completed. The grounds are being put into first class shape and the grass is better this year than it has ever been. Two new tennis courts are being installed in front of the club house, and when completed will be five of the best courts in the tri-city. The boats are being painted and the club house painted and redecorated on the interior.

The program which has been drawn opens with boat races on Lake Manawa. Fourteen sailboats will be entered in sailing class races. While the sailboat races are being pulled off canoe and row-boat racing will be going on. Following these races there will be some shell races. Two four-oar races, and one double-oar race will be held.

Following the boat racing several match plays on the golf links and also tennis matches will be held. The afternoon will come to a close with an elaborate banquet which will be followed by the ball.

Aquatic sports will be all the rage at the club this year. The water is higher than it has been in several years. With the aid of the channel which connects the lake with Mosquito creek it will be possible for the club to keep the water at a certain stage all summer. Swimming is out of the question until the warmer weather, but much fishing and boating is being done by the members.

Bellevue Track-Men Will Compet With Wesleyan Tuesday

The Bellevue base ball team and the track team will go to Lincoln Tuesday, where they meet Nebraska Wesleyan in a double athletic event. The track meet will be held in the morning and the ball game in the afternoon. The base ball squad will then leave for a five-day trip, playing Cotner, Doane, Peru and Tarkio.

ST. JOSEPH COMES FOR FOUR

Jack Holland's Crew of Josies Meet Rourkes Here Today.

OMAHA TEAM IN GREAT SHAPE

Pa's Colts Have Struck Their Stride at Last and Are Now Hitting the Ball at a Furious Clip.

Jack Holland's crew of athletes from St. Joseph will invade Omaha today and this afternoon will begin a four-game series with the Rourkes at Vinton street park. The game will be called at 3:30. St. Joseph has one of the best teams in the league this year. Four good games are assured the Omaha fans in the next four days, weather permitting.

When the Rourkes were at St. Joseph they lost four straight games to the Josies, and Jack Holland thinks he will have the same easy snap when he comes. But he will find a very different team to battle against than he had in St. Joseph, as the Omahas have struck their stride and are going at a good galt.

The pitchers are all going good now with the exception of one or two. Fentress' finger has healed, so that he will be able to go to the slab any day he is wanted. Jack Ryan will be in great shape in another few days. Hicks is pitching wonderful ball and is doing better than any of the pitchers at the present time. Hall is in fine fettle and pitched a great game last Wednesday. Robinson is the only pitcher who cannot be used. He is confined to his bed with poisoning and will be out of the game for the remainder of the week at least.

The acquisition of "Hickory" Johnson has strengthened the Omaha team 50 per cent and he has been hitting the ball like a fiend. In the first game at home with Des Moines he was benched for talking back to Umpire Jack Haskell. In the next two games he connected with the pill six times, batting at a .600 clip. He also keeps up his record behind the bat as well as he does while batting. In the two games he caught not a stolen base was made off him, and he kept the runners hugging the sacks. The lineup in today's game will be:

Omaha.	First	Borton
Kane	Second	Kelly
Scanlon	Third	Roth
Niehoff	Short	Meinke
Justice	Left	Powell
Davidson	Right	Watson
Coyle	Center	Zwilling
Thomason	Catch	Castle
Johnson	Pitch	Chellette
Fentress	Pitch	Wheatley

OMAHA PITCHER TO OPEN SEASON AT FALLS CITY

"Honus" Christiansen, one of Rourke's recruit pitchers, who was farmed out to the Falls City club of the Mink league has been chosen to pitch the opening game for that team. The team will open the season at home with York. Christensen ought to be in great shape when the season opens Thursday, as he had thirty days' training with the Omaha club at Joplin and has had almost thirty days more workout at Falls City. The husky youngster has the goods, but needs more experience. This is his first year in league base ball and Pa Rourke is going to keep an eye on the recruit, as he thinks he has the making of a good flinger in Honus.

Powell's Ankle Heals.

Rabbit Powell's ankle, which gave him trouble while he was getting his trial with the White Sox, is right again, and he is going down to first with his old-time speed.

NEW CATCHER WHO IS HELPING PA ROURKE WIN.

"HICKORY" JOHNSON.
