TO-DAY'S DOINGS

AT HOME GROUNDS
OLEANDERS
vs
HINKY DINKS

NORTH SIDE GROUNDS
(DOWN BY THE GAS WORKS)
WHANGDINGERS
vs
STARFISH GIANTS

IT WOULD BE FOOLISH TO EXPECT ANYTHING BUT A FARCE THIS AFTERNOON WHEN THE SECOND GAME OF THE HINKY DINK-OLEANDER SERIES TAKES PLACE ON THE HOME GROUNDS. THE HINKY DINKS ARE SO FAR SUPERIOR IN EVERY BRANCH OF THE GAME, NOT ALONE TO THE OLEANDERS BUT TO EVERY OTHER TEAM IN OUR LEAGUE THAT NOTHING IN THE WORLD COULD MAKE THEM LOSE. THEY ARE NOW HEADING THE COLUMN WITH 1000% AND IT LOOKS TO US AS IF THEY WILL STILL HAVE IT AT THE END OF THE SEASON.

THERE'S NO USE WAITING UNTIL TO-MORROW TO FIND OUT THE WINNER OF TO-DAY'S GAME ON THE HOME GROUNDS, THERE'S NOTHING TO IT BUT THE HINKY DINKS.

CRICKET MEN BECOME ACTIVE

Organize and Decide to Join Western Cricket Association.

WILL SCHEDULE MATCHES HERE

Unusual Interest Seems to Be Aroused in the Game This Year and Over Fifty Have Joined the Ranks of Players.

The Omaha Cricket club has decided to join the Western Cricket association and negotiations will be started this week for admission. The Omaha Cricket club boasts of about fifty members and hopes to get that many more before many days have passed.

By joining the Western association the people of Omaha will be given an opportunity of seeing some of the best cricket players in the western part of the United States. The association has for its members such cities as Chicago, Philadelphia, Denver, St. Louis and Kansas City. These towns will send a team to Omaha to compete with the Omaha Cricket club team.

It is the intention of the Omaha club to hold a "cricket week," during which time the visiting teams would play two or three matches. Ordinarily it takes three days to play a match. But with good fast work a match could be played in two days.

Unusual interest is being taken in cricket this year by the Omaha sportsmen, and by joining the Western association the Omaha Cricket club would give the Omaha people some good matches to watch. In Pennsylvania, cricket holds a permanent place in the world of sports, and an attempt will be made to make the game here vastly more popular than it has been in the past.

Davis Makes Talk On National Game

CLEVELAND, O., May 4.—One of the most interesting talks on base ball heard in a long time was made by Harry Davis, the Cleveland manager, the other day. He makes the point that base ball is a big institution and that players might do more than go into it just for the sake of earning the dollars in immediate sight. Davis says:

"Ball players too often devote most of their energy looking after their salary. They argue that at the best they have only a few years to stay in the game. They believe that during the time they must collect enough coin to last the remainder of their lives. They see visions of going back to hard labor, of losing all the comforts of life which they enjoyed while drawing large salaries as members of a major league.

That's wrong. It's entirely wrong. They don't appreciate the hugeness of this game. Base ball is an immense proposition. There's not the slightest reason in the world why a man shouldn't make it his life work, just as a man makes the study of the auto business his life work when he enters the office of an auto concern.

"Just think over the list of men who have retired or have been forced to retire as base ball players in recent years. Think for a moment what a vast number of them are still directly connected with the sport.

"The game is just like a business. The man who studies it, who is attentive, who is ambitious, who does what's right, who gives the club all that he possesses who takes care of himself, is the man who will stick to the game and who will find that it will pay him dividends as long as any other line of work would."

May Restore Boxing to Colleges if it Can Be Made Clean

PHILADELPHIA, May 4.—Intercollegiate boxing, which has been considered for many years impossible by the authorities who govern college athletics on account of the difficulty of keeping it free from unsportsmanlike features found in the prize ring, may return to its place among collegiate sports.

Prof. Tait McKenzie, a director of physical education at Pennsylvania, recently held a boxing meet in the college gymnasium. It was the first public boxing exhibition ever held at the university, and Prof. McKenzie experimented with some new rules, which he will probably propose to other colleges for adoption.

The rules which were tried out in the recent meet at Pennsylvania are as follows:

No. 1. Only one second shall be allowed to each boxer, and he must be an undergraduate of good standing.

No. 2. The second is allowed at no time to enter the ring or coach his man in any way.

No. 3. The second is allowed to fan the contestant and administer restoratives if he remains outside the ropes.

No. 4. In the case of a knockdown, if the contestant is saved from being counted out by the intervention of the bell, he must be able to walk to his corner unassisted or else lose the bout. Aside from these special rules, the contest will be run according to the official boxing rules.

The decisions are made according to style, aggressiveness and the number of clever blows landed, by two or more judges. It is hoped that by these rules all the brutal and unsportsmanlike phases of the prize ring can be eliminated.

Pennsylvania is giving boxing as an intercollegiate sport a thorough tryout. The other colleges are watching the experiment. If it is successful, Yale, Harvard and Princeton will fall into line, and an intercollegiate boxing tournament in the near future will be the result.

Skat Players Will Compete at Chicago

CHICAGO, May 4.—Thousands of skat players from all over the United States and Canada will compete at the Coliseum in this city on May 25, 26 and 27 in the annual tournament of the North American Skat league. Officials of the league have the plans well in hand and announce that the coming event will be the most pretentious skat tournament ever held in this country.

The prizes offered total $10,000. The committee in charge is arranging to make the awards in series and reports that over 500 prizes will be listed. The winner of first honors will receive $1,000. There will be several $200 and $100 awards.

President Max Wortsmann of the National league is in communication with leading skat players of Germany, who have manifested much interest in the plans for the big event. Mr. Wortsmann believes that the tournament will attract a number of contestants from the fatherland who may be visiting in this country at that time, thus giving the congress an international flavor.

A special effort is being made to interest the beginners or novices in the national event. League officials emphasize that the newcomers will have just as much of an opportunity to win as the more experienced, the element of chance in skat being equal to that in bridge whist or other forms of card games.

Prior to the opening of the first session of the tournament on Saturday evening, May 25, there will be a meeting of the North American Skat league, at which time the 1913 congress will be awarded. There is much rivalry for the event, several eastern and western cities having planned to send delegations in the hope of securing the award.

Tekamah High Wins Games Upon Tour

TEKAMAH, Neb., May 4.—(Special.)—The Tekamah High school base ball team returned home last evening after a three days' tour, playing games at Lyons, Pender and Bancroft. On Wednesday they met Lyons with L. McKinnis and J. Bliss as their battery. They defeated the Lyons team by the score of 12 to 6. On Thursday they defeated Pender in a no-hit game on their part, the score being 6 to 1. Haswell threw and Bliss was at the receiving end. On Friday they went up against Bancroft and there they had to work to win. McKinnis again pitched and the boys won the game, though it went to the tenth inning, the score standing 5 to 4 at the close.

On Friday the "Second" High school team went to Blair and defeated the Blair High school, the score being 10 to 4. In this game the Tekamah battery was composed of Fred Weaver and Harry Farrens.

Scott Wins Modified Marathon.

NEW YORK, May 4.—Louis Scott of Paterson, N. J., holder of the Amateur Athletic union ten-mile championship, won the New York Mail's modified marathon today. He covered the twelve and five-eighths miles through the city streets in 1:08.38. G. Strobino of Paterson was second; J. Gleason, unattached, third, and Tom Dwyer of this city, fourth.

JAYHAWKS TAKE TRACK MEET

Win Over Cornhusker Athletes by Wide Margin.

NO BIG RECORDS BROKEN

Ted Woodbury Clears Bar in Pole Vault Half an Inch Better Than His Own Previous Mark.

LAWRENCE, Kan., May 4.—(Special Telegram.)—In the annual dual track meet held on the McCook field here yesterday afternoon Kansas defeated Nebraska by a score of 65½ to 43½. The two teams were well matched in the first few events, but Kansas drew away from its opponents towards the last and was safely in the lead by the time the relay was on.

A high wind was blowing across the field that interferred with the runners, but otherwise the day was ideal and the games were attended by a large crowd. The only record of the meet was made by "Ted" Woodbury, who cleared the bar at 11 feet, 6½ inches in the pole vault, beating his own record by one-half inch. Nebraska took both places in the half and quarter mile, while Kansas carried all away in the 100-yard dash, two mile, broad jump and shotput. Racely of Nebraska was well in the lead in the 100-yard dash when he tore a muscle in his leg and fell to the track, losing the race. It is feared that the injury will keep him out of the running the remainder of the season.

The summary:

100-yard dash: First, Davis, Kansas; second, Stuckey, Kansas. Time: 0:10⅘.

One mile run: First, Anderson, Nebraska; second, Patterson, Kansas. Time: 4:46⅘.

120-yard hurdles: First, Hasen, Kansas; all others disqualified. Time: 0:18⅘.

440-yard dash: First, Brannon, Nebraska; second, Beaver, Nebraska. Time: 0:54⅗.

220-yard hurdles: First, Barney, Nebraska; second, Perry, Kansas. Time: 0:27⅘.

Half mile run: First, McGowan, Nebraska; second, Anderson, Nebraska. Time: 2:04⅗.

220-yard dash: First, Davis, Kansas; second, Christmas, Nebraska. Time: 0:23⅘.

Two-mile run: First, Murray, Kansas; second, Patterson, Kansas. Time: 10:17.

Pole vault: First, C. Woodbury, Kansas; second, Cramer, Kansas, and Reavies, Nebraska, tied. Height: 11 feet, 6½ inches.

Discus: First, Harman, Nebraska; second, Burnham, Kansas. Distance: 104 feet, 1 inch.

High jump: First, French, Kansas; second, Hasen, Kansas; Hastings and Russell, Nebraska, tied. Height: 5 feet, 8½ inches.

Shotput: First, Wood, Kansas; second, Burnham, Kansas. Distance: 36 feet.

Running broad jump: First, Wilson, Kansas; second, H. Woodbury. Distance: 21 feet, 8½ inches.

Half mile relay: Won by McGowan, Anderson, Beaver and Barney, Nebraska.

Dillon Outpointed By Klaus at Garden

NEW YORK, May 4.—Frank Klaus of Pittsburgh outpointed Jack Dillon of Indianapolis in a rather tame ten-round bout at Madison Square garden tonight. The men weighed in at the ring, Klaus turning the scales at 168 and Dillon two pounds lighter.

In the first two rounds Dillon had the better of Klaus, getting his right to the body and head, while Klaus was sending in short lefts and rights to the body. In the third round there was a lot of infighting and they exchanged right uppercuts to the chin. Dillon was slow in the fourth, failing to get his guard up in time to offset Klaus' reach for the head.

Klaus was the quicker in the fifth round and with two stinging lefts to the face he had Dillon bleeding from the nose. They exchanged heavy body blows, Klaus having the better of it. It was about the same in the sixth round and in the seventh both slugged, landing with rights and lefts for fully half a minute. Dillon put two straight lefts to the face, but Klaus outfought him in the close work which followed.

Klaus put two rights to the head in the ninth and three very hard body blows, while Dillon got in short-arm rights and a couple of hard uppercuts on the body and chest. The tenth round was full of stiff infighting, in which Klaus did the more damage. Neither man showed much weakness at the finish. Klaus had outpointed his man and won clearly on his general forcing of the fight.

IOWA DEFEATS CHICAGO THROUGH FIELDER'S ERROR

IOWA CITY, Ia., May 4.—(Special Telegram.)—Libbinoti's error at center field in the seventh spelled defeat for Chicago at the hands of Iowa this afternoon by a score of 2 to 2. Libbinoti had replaced Catron and dropped an easy fly, permitting Zimmer to score in the third. A single by Zimmer, a base on balls for Strickler and a single by Hauth filled the bases for Iowa. Libbinoti erred and on the pickup Baum missed the catch at the plate and Zimmer and Strickler scored. The score:
