SEVEN COMMISSIONERS

"On the Square"

Votes for these men spell continued progress for Omaha.

Pledged to all the people, not to the Holy few.

Representing the masses, not the classes only.

Successful by individual effort and not by the command of wealth.

Elect Them May 7th

REMEMBER! Polls open only from 8 A. M. to 6 P. M.

John J. Ryder Candidate for Commissioner

At Election to be held Tuesday, May 7

I assert that indorsements from any source do not change the man. His daily life among his fellow workers, and in the sight of his friends and neighbors, must indicate whether he is a good or a bad citizen.

As State Statistician and Labor Commissioner, under an unsolicited appointment from Governor Sheldon, I had official dealings with many business men of Omaha. Let them say whether or not I was courteous and fair.

As a member of the Public Library Board, I will let the librarian and the other directors say whether or not I have been faithful, efficient and willing to work.

For a quarter of a century I have given as freely as a wage-earner could of my time and money to real, practical welfare work. My efforts may not come under the head of great service—but they were exercised freely and earnestly, without hope of pay or reward.

I have been paid a substantial salary as a newspaper man to gather statistics and dig out facts concerning Omaha's municipal affairs, for special articles, as well as in the ordinary course of the day's work. Thus I have learned where the present system is weak, and have pointed out to interested parties where the commission form can be strong. I claim to be equipped by experience and training to go to work at once as a commissioner, intelligently and effectively.

All the interests I have in the world are anchored here—my family, my home and one other piece of property.

I am FOR OMAHA absolutely, sincerely and without pledge or promise of any kind, to any person or body.

With no powerful family or financial connection, I ask your support on my knowledge of city affairs, on my ability to do things, and on my standing as a man of good credit and decent, useful life.

Trained newspaper men, wherever entrusted with public office, have "made good." I have a pride in my profession that will impel me to strive for a record of good work honestly done.

I wear no man's collar, whether he be high or low. I will be OMAHA'S MAP all the time.

JOHN J. RYDER.
