Dr. Pierce's Medical Discovery has been recommended for forty years for strengthening a weak stomach, whipping into life a torpid liver and overcoming billousness as well as catarrhal diseases wherever located.

Through its use Dr. Pierce has found in his profession experience that the blood is purified and enriched, discase-product bacteria destroyed and expelled from the body, thus catarrh scrofulous and kindred affections are overcome, and sound, vigoro health established.

You can learn all about hygiene, anatomy, medicine, etc., from the People's Common Sense Medical Adviser, by Dr. R. V. Pierce, a newly revised, up-to-date edition of which is now offered, in cloth covers, post-paid, for 31 cents in one-cent stamps, to cover cost of wrapping and mailing only.
