The whole universe lies before you. In every business there's a "square room" for capacity. There's a prepared place for every ambitious man and woman who will earnestly, honestly prepare to FILL that place.

But remember, well this fact—if you're ambitious to fill a truly lucrative position in the business world, prepare THOROUGHLY for it—take enough time to the preparation to assure yourself that you will get the right start in the business world—a busy start won't hasten success.

But—NOW TIME, such a thorough, painstaking, complete training for a business career as that given by
