YOUNG ATHLETES COMPETE

Public School Meet to Be Held at

Rourke Park on June 1.

BOYS TAKING DAILY WORKOUT

Under Training of Director Carno

Athletes Are Rounding Into

Shape at the Various Parks

in Omaha.

Plans for the sixth annual public schools athletic meet are being made by J. Truitt Maxwell, physical director of the Young Men's Christian association, and Prof R. L. Carns, athletic director of the public schools. The date for the meet has been set for June 1 and will be held at Rourke park if present plans carry.

Prof. Carns recently took the measurements at Rourke park and says an ideal track could be marked off there. It could be so marked as to make but three trips around the park constitute a mile. The boys in the various schools are highly enthusiastic over the coming meet and it is estimated that over 60 boys will compete in the different events. The meet this year will be on a larger scale than it was last year. All the field and track events will be pulled off with the exception of the weight events, which will be out of the question. A tug-of-war between the schools will be substituted and a least four relay races.

Developing Stars.

and a least four relay races.

The boys have begun training already and some stars are expected to be developed before the day of the meet. At all the schools at noon and after the afternoon sessions groupe of boys may be seen running and Jumping. Prof. Carns is coaching the boys in the various events and teaching them how to run and jump. The track at the Young Men's Carlo-fah association is continually in use by the rungsters.

The boys will be classed the same as in-

boys will be classed the name as in ast; that is, in with their weight. A will be boys weighing over 165 is; class B, 56 to 105 pounds; class to 36 pounds; class D, under 75

mpete, and then relay races for shorter Mances will be run off between the
