hits and two runs in the first. They added another in the second. Sloux City came back in the same round and got two taillies on three hits. A home run by Reilly in the next round tied it up. The visitors added another in the fifth and Ryan blanked the Indians. So far a great bail game.

In the sixth, however, the locals staged a regular flasco. Randerson singled, Niehoff and Justice got on through errors big Andrean and Reilly. Arbogast struck out. Miller walked Ryan, forcing in Sanderson. Davidson's two-bagger scored Niehoff and Justice. Coyle hit, scoring Ryan. Davidson was caught at at the plate, but Coyle scored on Meyers' error before Thomason was caught at second. A similar combination of hits and errors, including a second home run by Kane, let in three more runs for Omaha. Brown started well for Sloux City, but gave away to give Brooks a chance as a pinch hitter in the second, when it looked good for a tight contest. Miller, who succeeded him had a big part in the blowup and finished in very wobbly fushion.

### CENTRAL NEBRASKA LEAGUE HAS SOME HARD SLEDDING

cial.)—It now seems certain that if Cen-tral City is to be included in a base ball circuit this year that it will be in a different alignment of clubs than any yet proposed. The first plan proposed contemplated organizing the Central Nebraska league, to be composed of Aurora, Central City, Osceola, Stromeburg, Greeley and St. Paul. After there had been a confer-ence of representatives from various but since then enough towns in the proproper ararmements, so that the circuit, se at first proposed, has been abandoned. Now other propositions have been presented for the consideration of the Central City fans, the circuit suggests Sheiby, David City, Rising City, Polk, Central City and Stromsburg, as the towns to be included. This would make a fairly compact league, but the stumbling hlock here is that the two northern towns favor Sunday ball. A meeting of local enthusiasts was held at the city ball last evening, and the organization perfected for the purpose of financing a club to enter the Central Nebraska league was practically abandoned. The business men here are still talking base ball, but if a team is organized it prob-WAGMANS WALLOP THE
