"Triumph" BOTTLED BEER

GRAND PRIX  
ON "Triumph" BEER

DIPLOMA AND GOLD MEDALS  
ON  
Old Saxon Bräu

THIS exhibition was held at Paris during the month of March, 1912, under the direction of the French government, in the great Luna Park pavilion and, contained the exhibits of thousands of the leading food and beverage manufacturers in the world.

The award Jury consisted of the most noted culinary experts and chemists of France. Our winning GRAND PRIX and GOLD MEDALS on Storz Triumph beer and Old Saxon Brau proves conclusively that these beverages are the equal in Purity, Quality and Flavor of any beer in Europe or America.

The real judges of beer here at home (the public) have told us this most emphatically by the increased demand from year to year. It is some satisfaction to know that the foreign experts pay this high compliment also. When you order STORZ BEER you will know you are getting the best

DIPLOMAS, MEDALS AND GRAND PRIX WILL BE ON EXHIBIT IN MERCHANTS HOTEL, MAIN WINDOW, FROM MAY 15 TO 18. GO AND SEE THEM

### AFFAIRS AT SOUTH OMAHA

#### Lawyers Retained to Fight Payment Under Paving Estimates.

#### MATTER TO GO INTO THE COURTS

#### Likelihood That in Some Form Owners Will Soon Test Legality of Payment Under the City Charter.

Attorneys have been retained and are at work on a petition to the district court praying that the city clerk be enjoined from paying out any estimates according to the resolution passed at the meeting of the city council Monday night. The injunction proceedings are understood to have been commenced at the instigation of A. A. Wright and other heavy property owners who fear that in the face of the unconstitutionality of the union labor clause of the city charter, any money paid out under its force will invalidate the pro rata assessment of improvement taxes which will then devolve upon the taxpayers at large.

#### Ernie Schriver Taken.

Ernie Schriver, said by the local police to be badly wanted in connection with some wholesale hide robberies committed at the packing houses about a year ago, was arrested yesterday at Twenty-fourth and N streets by Chief of Police John Briggs.

According to the detective department Schriver has been absent in California since the crime was committed. At the time he was said to have been associated with Maurice Longman and Timothy Casmetzky. Together the three are said to have made away with \$1,000 worth of hides taken from different packing houses. The hides were resold to small dealers. It is asserted.

#### Hanquet to O'Hern.

Arrangements are being made for a monster banquet to be tendered to John E. O'Hern, recently promoted to be general superintendent of all the Armour packing plants. A committee of South Omaha business men met yesterday afternoon at the Atlas cafe, where they discussed the plans. The chief question seems to be to arrange a merger whereby the Omaha men, the live stock men and the South Omaha business men can agree upon some plan of unified action. All three sets wish to show their appreciation of the promotion given to Mr. O'Hern. No date has been fixed as yet for the banquet proposed, which will probably be held in the Live Stock exchange dining room.

#### Liquor Men Name Officers.

At the Eagle hall yesterday the South Omaha Liquor Dealers' Protective association elected officers to serve for the coming year. Practically the whole slate of last year was swept clean and the

Probably the only man in the world who tasted of the iceberg, which wrecked the steamer Titanic, a man whose physician had advised him for the sake of his health to take that new and sanitary steamer to the United States and the last man to escape from the wreck, was a visitor in Omaha yesterday.

#### Testifies Before Committee.

Mr. Woolner testified before the senate investigating committee. "I was not able to tell them much more than other witnesses told," he said. "They treated me very courteously, and there was none of those accusations of cowardice or rough treatment some of the English and American papers spoke of."

### Fire Again Attacks Empty Malt House

Fire of unknown origin again started in the building at Second and Woolworth streets, which was formerly occupied by the Gate City Malt company, and used as a malt house. Early Monday morning fire was discovered in the north wing of the building and before it was extinguished almost the entire end of the building was destroyed, causing a loss of about \$2,000.

### PASS ANTI-INJUNCTION BILL

#### House for Strong Measure in Labor's Behalf.

#### SUBSTITUTE ACT IS DEFEATED

#### Law Would be Amended to Prohibit Issuance of Injunctions Without Notice Being Served on Those Affected.

WASHINGTON, May 15.—Supported by all the progressive republicans, the house last night passed the Clayton anti-injunction bill. Every democrat present voted for it and the result was announced to the accompaniment of a remarkable demonstration.

Crola was operated upon last night by Dr. F. Harris, and the bullet which struck him in the thigh was removed. It is believed he will be able to be about in a few weeks.
