

Desperate Desmond

Claude's Life Is Saved by a Bursting Bomb. It Burst at a Distance, of Course.

By Hershfield

Our hero, Claude Esclair, is now in a terrible position. That fiend in human form, Desperate Desmond, has bound Claude to a stake. Attached to the stake is a large bag of gunpowder, and on top is a strong burning glass. When the rays of the sun reach the glass they will be concentrated upon the powder and produce an explosion.
