### MISSOURI WOMAN TESTIFIES

Prominent Missouri Woman Relates Her Experience With the United Doctors

### PAYS HIGH TRIBUTE

To Their Skill and Thoroughness In the Treatment and Cure of Chronic Diseases.

Possibly one of the worst mistakes made by some physicians is a careless examination of their patients. A doctor should never jump at conclusions, no difference how seemingly plain and trivial a case may appear. The doctor should always make a thorough, searching and painstaking examination to find out if there is not some underlying, hidden cause for the disease.

One of the secrets of the phenomenal success of the United Doctors, who have their Omaha offices on the second floor of the Neville block, corner 16th and Harney streets, is the thoroughness of their examinations. The United Doctors never undertake to treat a case until they fully understand the cause of the disease and can explain it to the patient.

Mrs. E. F. Steeby probably never had a real, thorough examination until she went to these specialists. She has lived for years, says Nodaway, Mo., and is from a well known and prominent family. Her many friends have been astonished at the great improvement in her condition in a single month's treatment with the United Doctors. She wishes all other sufferers to find the benefit she found, and so writes the following letter for publication:

"Nodaway, Mo., May 14th, 1912.

"For two years I had been suffering with stomach and heart trouble. When I consulted the United Doctors just a month ago I was in pretty bad shape and had been around to many physicians and taken much treatment of various kinds without any relief, but got worse and worse.

"I wish to state that the United Doctors have done me more good in one month's time than all the other treatments I have for six months past, am improving every day and know I am on the right road to a cure. I found the examining specialist of the United Doctors very careful and thorough, seeming to understand my case from the very start, and I can not express my appreciation of the good done me.

"Mrs. E. F. Steeby."

"R. F. D. No. 1."

Thousands of others speak in the same way. A visit to the United Doctors, who have their Omaha Institute located at 222 Neville Block, corner 16th and Harney streets, costs nothing and may prove to be the first step on the direct road to health. It has proved so for thousands.

The United Doctors treat curable diseases of the stomach, kidneys, liver, digestive organs, blood and nerves, including indigestion, constipation, rheumatism, catarrh, asthma, epilepsy, nervous disorders, diseases of men and diseases of women. Consultation and examination is always free and invited at their offices, and the opinion of the specialist is given in a frank and honest way.

**SAGE RESTORES GARY HAIR TO NATURAL COLOR**

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Weyth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp, and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh faded hair, when a simple, harmless remedy will bring back the color in a few days, and don't be tempted with dandruff, itching scalp and loose, falling hairs. Weyth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color, strength and beauty to your hair.

Get a fifty cent bottle from your drugist today, and prove this to your own satisfaction. All drugists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented. Agent, Sherman & McCreary, 1111 Broadway, N. Y.

### CLASS DAY DATES ARE FIXED

Exercises Will Take Various Forms in Different Schools.

### DICKENS PROGRAM AT FARNAM

### Joy Riders Have a Narrow Escape on West Center Road

Two persons were painfully injured and three others narrowly escaped injury when the automobile in which they were driving on Center street, near Concordia park, at forty miles an hour, left the roadway and crashed into a telephone pole. Mr. and Mrs. C. M. Jones, guests at the Sanford hotel, were injured. Mr. Jones sustained severe bruises on the body, according to Dr. H. A. Waggener. Mr. Jones has a wrenched back and may have sustained internal injuries.

F. R. Lenda and R. C. Fields, of the Sanford hotel, and Miss Perkins of Council Bluffs, were in the auto and were thrown headlong over the front of the machine, but were uninjured.

A turn in the road was obscured by a cloud of dust from another machine. The automobile was wrecked. The telephone pole was broken off and was found lying across the automobile. Other motorists of the party at midnight, a few minutes after the accident had occurred.

### PERSONAL PARAGRAPHS

General Gengelmann of Cheyenne is in town looking after some legal matters for his Wyoming clients. He says that many new settlers are coming into the state and the prospects for good year are very bright. The general was en route to Austria under the William McKinley administration.

### DORSET AN ARROW COLLAR

Distinctly smart and comfortable. 2 for 25 cents.

Class, Peabody & Company, Troy, New York.

### Saxon Hair Dressing

Best for the hair.

### City and Water Co. Come to Terms on Occupation Taxes

Representatives of the Omaha Water Company and the local department of the city, representing the city commissioners, reached an agreement yesterday on payment of occupation taxes by the water company, warrants to the water company having been withheld until settlement was made.

By the agreement the water company will pay the city 3 per cent occupation taxes on the gross receipts yearly. Occupation taxes and penalties were claimed by the city in the sum of \$162,512.73. Of this amount \$1,000 per month was penalty for non-payment of taxes.

Under the agreement reached the city will receive \$1,000 approximately, instead of \$162,512.73. A meeting of the commissioners was held and the matter considered and agreement reached.

Former City Comptroller Cosgrove had withheld two warrants issued by the city to the water company for hydrant rentals. These warrants were for \$10,500 and \$15,512.75, totaling the amount of occupation taxes claimed.

These warrants will be turned over to the water company upon payment of the occupation taxes since September, 1909. The city had figured occupation taxes and interest, including the penalty, to January 15, 1912.

Within the next week, W. F. Chambers, assistant in the office of the comptroller, will go over the books of the water company to ascertain the gross receipts of the company for the years during which the occupation taxes have remained unpaid.

### Are Water Board and Water Company Getting Together?

The unheralded presence in Omaha of President Woodbury of the water company, together with Howard Mansfield, its New York legal adviser, and John F. Stout, its local attorney, in conference with representatives of the water board, has given rise to talk of possible compromise of now pending water works litigation. The report is that negotiations are under way, apparently for the first time in earnest to get together and that a complete settlement may be the outcome. Should the parties fail to get together, appeals from the decision of the master's report would postpone the final decree, while by mutual agreement payment and possession by the city could be effected upon a designated date. Officers and attorneys of both Water Board and water company are reticent on this subject, and refuse to answer questions about it.

### Plattsmouth Chief Acts as Messenger

Whether an alleged note given by Henry R. Gering to Joseph Fitzgerald, former chief of police of Plattsmouth, for delivery to Mrs. Benjamin Redman was a note or a medical prescription is not yet clear, though the note or prescription was practically the sole subject of consideration yesterday in the trial of Benjamin Redman's allegation damage suit against Gering.

Fitzgerald, who served as chief for four years and ten months under appointment by Gering as mayor, testified that in 1908 Gering gave him a note to deliver to Mrs. Redman and cautioned him to transmit it in such a manner that no one should know she had received it. Matthew Gering, attorney for his brother, declared he will show the supposed note was a medical prescription and was given in 1907 instead of in 1908. He cross-examined Fitzgerald as to the time of the transaction and as to whether the paper was a note or a prescription. Fitzgerald stuck to his story as to time, but said he didn't know the contents of the paper. The remainder of the cross-examination was designed to show that Fitzgerald is seeking to injure Gering because Gering once offered to impeach the chief when he was charged with drunkenness.

When the morning sitting ended Fitzgerald still was on the stand and the plaintiff had not yet succeeded in establishing any material fact by his testimony.

### Injuries Are Fatal to Charles Kinsman

Charles Kinsman, aged 26 years, a house wrecker, who was hurt last Friday in the Ames building, Sixteenth and Farnam streets, died in St. Joseph's hospital yesterday. Kinsman was working on a scaffold, four stories from the ground, when a guy rope holding up the framework became severed and precipitated him to the ground. He sustained a compound fracture of the skull and internal injuries. His death has been expected since Saturday. He lived at 313 Miami street.

### MONEY IS READY FOR THE ELECTION OFFICIALS

Judges and clerks of election who served at the primaries April 9 and 21; the city election May 7 may receive warrants by calling at the comptroller's office, where they were prepared yesterday.

Each clerk and each judge will receive \$5 per day for services at the primary or the election. At a meeting of the Board of Education last night clerks and judges for the primary were awarded \$2.50 each per day.

### HOMESEKERS' RATES MOVE MANY PEOPLE

With the railroads Tuesday was the second "homeseekers' day" of the month, and while there were many people moving about looking for new locations the number was not so great as had been anticipated. The Northwestern, Burlington and Union Pacific had extra cars attached to trains running out into Nebraska and Wyoming and the movement of homeseekers in that direction was heavy.

### BAKER COMPANY TO BUILD OF REINFORCED CONCRETE

The Baker Manufacturing company will construct a six-story reinforced concrete building for the D. J. O'Brien establishment. Plans are being prepared by architects Fisher & Lawrie. Bids will be received soon and work begun at an early date.

# We Have Started Something

Four weeks ago, hearing that an eastern piano factory had to "shut down" on account of having too many pianos on hand, owing to cancellations from retailers, we made them an offer—they accepted—WE STARTED A FACTORY GOING. The pianos (about 200 in number) were immediately loaded and shipped to us. They are here and are now being placed on our floors.

## Tuesday, May 21, at 8 A. M.

WE STARTED SOMETHING IN OMAHA THAT WILL ASTONISH THE PIANO TRADE

Buyers will get more piano value for their money than has ever before been offered.

We will sell Pianos—Highest Grade Standard Pianos—Pianos that for beauty of case design, sweetness of tone qualities, durability of construction, and everything that goes to make up the best Piano, at a saving of from \$125 to \$275 on each instrument. We can do this and still make money, for we bought direct from the factory and we save in our purchase price the same.

We have started something that will be of value to every home in Nebraska that is without a Piano. It is up to you to finish it—do it and do it at once. You will never live to regret buying, but will always rejoice in the great Piano Bargain you will receive.

### Below Are a Few of the Prices

Full size, beautiful oak case, colonial style, was \$375, now	\$167	Full size mahogany art case, beautifully figured, was \$450, now	\$225

### M'SHANE CUTS HIS FEED BILL

Offers to Take Settlement at the Rate of 39 Cents a Day.

### LYNCH TO LOOK AFTER FOOD

Will See that the Present Contractors Supply Wholesome Meat at the County Jail from This Time On.

Sheriff Felix J. Mothane has reduced his \$207 bill against the county for feeding jail prisoners to \$100. He appeared before the Board of County Commissioners and said he would be satisfied to take pay at the rate of 39 cents a day instead of 50 cents. John C. Lynch, chairman of the board, said he would be in favor of allowing the reduced claim, but Commissioner Frank C. Best said he would oppose any such action. Commissioners Hiasner and O'Connor did not express their attitudes; Commissioner Hart was not present. The claim will not be acted upon until Friday.

### SONS OF HERMAN ARE MEETING IN OMAHA

The tenth annual state convention of the Sons of Herman, a German national society, began yesterday at the German home and will continue through today. About 100 delegates from all parts of the state are in attendance. The address of welcome was delivered by Mayor Dahlman.

A Life Problem Solved by that great health tonic, Electric Bitters, is the enrichment of poor, thin blood, and strengthening the weak. For sale by Beater Drug Co.

You will tone up your system and feel better for taking, in the morning, 1/4 glass of Hunyadi Janos Water. NATURAL LAXATIVE. Best Remedy for CONSTIPATION.

"I eat such a lot of TRIX mama says I'll be a big boy soon."

# A delicious breakfast dish
