EVER HEAR OF PICKLED FEET?

SOUNDS FUNNY, DOESN'T ITT BUT ASTROUS YOURS MAY BE PICKLED-HOW DO YOU KNOW?

Pickied Feet!" That's a NEW one-on YOU.

kied feet means DANGER—life-iong misery
their poor, suffering owners. Pickied feet
teet that have berd, and are now being,
ked and washed with various foot remedies!
I reliefs. Reader-you with the hilstered,
d, overworked feet—do you know that it
takts your feet with poisonous, astringront,
alked medicated foot-washes you are "pick"your feet. Then for your own take,
DP IT! Stop it at ONCE! Those remedies,
though they relieve pain, make
your poor feet ten times worse
each time. Your feet feel fins
for a few hours after bathing,
then the "Fickie" wears eff and,
Oh, my! but your feet do burn,
ache, suffer!
There is only one really safe.

SANATTE. It's an instant's work—just DUST it on.

SANATTE—through its woodrous antisptic healing qualities—takes the sting out of socties, the sting out of socties, burning, blistered, seiting feet—test with corns and bunious—feet that have been overworked. And, Reader, it never harms them—it's sanitary and ANTISEPTIC. If your feet perspire, dust them with SANATTE—it deoder hea—refreshes—but DOES NOT stop perspiration. If gives the same pleasing results when sampled elsewhere on the body, and is used constantly by refined men and women.

SANATTE is the greatest healer and pain destroyer ever discovered—it has startled and nurse—it will do likewise with YOU. Always remember this, Render: It your feet suffer, the REST of your body suffers. Neglected one feet cause body injuries that may run your health for life.
