

Nebraska SUPREME COURT DECISIONS

High State Bench Hands Down Opinions in Numerous Cases.

PAVING DISPUTES FROM OMAHA

Creighton University Cases in Controversy Over Damages as a Result of Cutting Twenty-Fourth Street.

(From a Staff Correspondent.) LINCOLN, Neb., May 30.—(Special.)—In the case of McCaffrey against the city of Omaha the motion to modify the former opinion was overruled by the supreme court today.

It was decided in substance that in order to warrant an assessment of that kind there must be a petition of property owners in the proposed district; that a street improvement district must be created; that the levy of taxes for such improvement must be confined to property within the district which has been specially benefited by the improvement and that no taxes for such improvement can be levied on property outside of the district.

South Omaha Damage Suit. The case of Stephen L. Brown, revived in the name of Frank L. McCoy, administrator, against Swift and Company, is a suit for personal injury received in the packing house of the defendant at South Omaha. The plaintiff sets forth that he was injured when attempting to haul a truck load of meat from a freight car to the sweet pickle cellar of the defendant company's packing house.
