Democrats After Spoils.

What would be the democrats' attitude toward civil service reform and the spoils system were they in full power at Washington may be clearly understood from their attitude now with power only in the succeeded in stealthily slipping through the house a provision in the executive and judicial appropriation bill to impair civil service and return to the old system of patronage distribution. The wording of the measure is that the terms of office of all civil service employes in execucourt with clean hands. Amend the live departments within the District of Columbia be fixed at five years. The motive behind this subtle assault, it is charged, is to lay the away to Scotland without giving foundation, in the event of democratic victory next fall, for building up a formidable political machine It is not surprising that President calculated to perpetuate the party in
