Nebraska Friends in Yearly Meeting

CENTRAL CITY, May 31.—(Special.)—With a large number of prominent Quakers from over the country and delegates from various parts of Colorado, Nebraska and South Dakota in attendance, the annual assembly of the Nebraska yearly meetings of Friends began its sessions here yesterday in the Friends' church. One of the chief matters of interest to come before this session of the yearly meeting is the financing and endowment of Nebraska Central college, the Friends' institution located here. Rufus Jones, editor of the American Friend, is here inspecting the plant and prospects of the college, and upon his report will depend to a considerable extent the measure of assistance that will be extended from the national organization of Friends. The assembly of the yearly meeting concludes its sessions next Monday forenoon.

HALF MINUTE STORE TALK
Right now, at the beginning of the straw hat season, you may be interested in knowing something about Panama hats. They are made in Columbia, Peru and Ecuador, never in Panama. The cost is chiefly for labor. The raw material never costs over 25c and averages less than 12c. The labor is cheap, but it takes a man working 6 hours a day 6 or 7 days to make a common hat worth \$1.25 to \$2, and 6 weeks to make one worth \$5.00. These prices paid to the producers. The straw in fine hats is never dampened, therefore, the work can only be done in the moist morning or evening air. Straw for cheap hats is kept wet and work goes on all day. Any other information will be cheerfully furnished by our well posted hat men who know why our Panamas are so good.

NOTES FROM BEATRICE AND GAGE COUNTY

BEATRICE, Neb., May 31.—(Special.)—A young man answering the description of Charles Philbert, who escaped from the penitentiary a few days ago, was arrested at DeWitt Wednesday night and held until the prison officials could be communicated with yesterday. He was not the man wanted and was released.

Mrs. Sarah B. Baumfalk, 39 years of age, was before the insanity commissioners yesterday. She was ordered placed in a local sanitarium for treatment.

The class play, "Classmates," was given to a crowded house at the Paddock theater last evening.

Five prisoners from the county jail, who were placed in the city jail Wednesday while the old jail was being fumigated, were given a supply of whisky or someone. "Deacon" Burroughs, one of the prisoners, imbibed too freely, and became in such condition that the services of the county physician were found necessary. Sheriff Schiek is making an effort to apprehend the guilty party.

SERIOUS CHARGE MADE AGAINST NELIGH DOCTOR

NELIGH, Neb., May 31.—(Special.)—The coroner's jury in the case of Mrs. Herman Mavis, who died suddenly at her home near Tilden, brought in a verdict that she came to her death as the result of a criminal operation performed by Dr. A. F. Conroy of this city. The verdict was based largely on the testimony of her husband and an ante-mortem statement of the woman herself. The papers in the case have been placed in the hands of County Attorney Kilbourn, but he has not announced what he will do in the matter.

Farewell to Bradshaw Pastor.

BRADSHAW, Neb., May 31.—(Special.)—A farewell reception was given to Mr. E. H. Longman, who has faithfully served the Christian church as a pastor for the past six years, Wednesday evening. Mr. Longman first delivered his farewell sermon at the church at 8 o'clock, after which the audience, which filled the spacious auditorium, marched to the Ancient Order of United Workmen park, where a banquet was served by a committee of about 50 people. The Bradshaw band rendered some fine selections. Speeches and toasts were the finishing touches to the program. Mr. Longman has been a very busy man since coming to Bradshaw. Besides rendering efficient service to his church as pastor, he has served as principal of the Bradshaw High school for the past three years.

Monument Unveiled at Neligh.

NELIGH, Neb., May 31.—(Special.)—The feature of the Memorial day exercises here today was the unveiling of a monument to the old soldiers, in the local cemetery. It is the figure of a soldier in the uniform of the civil war, mounted on a granite pedestal. The money to pay for the monument was raised by the women of the Relief corps.

RAPID CITY, S. D., May 31.—Mrs. Mary Kendall, who drew No. 1 in the government land lottery in Mellette county, has decided not to perfect title to the farm of 160 acres which she selected and has sold it.
