ROADS APPEAL VIADUCT CASE
Omaha Crossing Case Taken to Supreme Court by Lines.
CONVICTS TO BE PUT TO WORK
State Board Will Install New Chair Factory and Send Some of Men to Fair Grounds to Prepare for Fall Show.

LINCOLN, Neb., May 31.—(Special Telegram.)—An appeal from the district court of Douglas county to the supreme court of Nebraska was made this afternoon in the case of the City of Omaha against the Union Pacific Railroad company, and other lines.
The controversy lies over the right of the city of Omaha to compel the defendant companies to build a viaduct over their car tracks at Nicholas street.

New Well at Prison.
The Board of Public Lands and Buildings decided yesterday to build a new well at the prison. The water pressure has become so weak that the third tier of cells is without its use and the sinking of another well is necessary both as a precaution against fire and also for sanitary causes.

Convicts at Fair Grounds.
Governor Aldrich, in company with the State Board of Agriculture, visited the state fair grounds this afternoon and as a result a deal was made with the state for the use of a few convicts at the state fair grounds for the purpose of making needed improvements and cleaning things up. The convicts will cost the state fair board nothing except for maintenance.

Belonging Name Alternates.
As a result of the action of the state democratic committee meeting a few days ago, three delegates to the national convention at Baltimore have sent in names of their alternates. A. S. Tibbets of Lincoln selected T. A. Allen, and W. T. Wheeler of Plattsmouth, W. E. Ritchie of the same city, F. T. Swanson of Clay Center, delegates from the Fifth district, has selected Lem Tibbets of Grand Island.

Lambert Deafened New Trial.
The supreme court handed down an opinion this morning in the case of Charles Lambert, convicted in the district court of Thurston county of receiving stolen property in the amount of \$50. The case was appealed by the plaintiff on the ground that a juror in the case named Hill had made the statement after the case had been submitted that he "knew Lambert to be a thief and a bad character." The state showed by affidavits by other members of the jury that the statement made by Hill had not in any way prejudiced them in the bringing of a verdict against the prisoner. Other minor matters were brought out in the appeal. The supreme court sustained the verdict of the lower court and denied a new trial.

Brief in Behalf of Larson.
A brief was filed in the office of the clerk of the supreme court today in the case of Frank V. Larson, convicted of the murder of his brother, Charles. The appeal is made on error of the district court of Butte county, in which the murder took place and will come up for hearing in the supreme court next week.

A bond for \$200 was filed in the supreme court this morning in the case of William D. Korsh, convicted of receiving stolen property, the case having been appealed to the higher court from the district court of Boyd county last week.

Fruit Men Will Meet.
The board of managers of the State Horticultural society will meet at the Lindell hotel in this city Saturday afternoon.

Messrs Hurd and Reed of the railway commission left this morning for an inspection of the trolley system of the Burlington in Nebraska. They expect to be gone about a week.

Attorney General Martin broke his record tonight when he delivered his first graduation address since he has been a state official.
