WOMEN TO STUMP IOWA "ROOT SOAKER" IN THE GRAIN BELT

Those Interested in Suffrage Plan Extensive Auto Tours.

FREE CARS TO BE FURNISHED

Canadian and Iowa Health Authorities Engaged in Controversy Over Animals Killed on Ground They Were Diseased.

(From a Staff Correspondent.) DES MOINES, June 1.—(Special Telegram.)—The leader in the woman's suffrage movement in Iowa will stump the state in the interest of suffrage. The executive committee of the state suffrage association has mapped the state for automobile tours to be made by women, who will address outdoor audiences from the machines or make indoor addresses in the smaller towns where the state executive committee has made appointments for them.

Corydon and Des Moines will be made the headquarters for the speaking campaigns and automobile tours. A number of automobile owners throughout the state have offered to the committee the free use of their machines for these speaking tours.

Controversy Over Horses.—The controversy between the Iowa state animal health department and a similar department in Canada over the shooting of nineteen horses by Canadian officials has been renewed.

The Canadian health authorities are not satisfied with the results of the analysis which has been made and have demanded that blood from each of the animals be sent to Washington and Ottawa for analysis.

Nineteen head of horses belonging to George Beischel were killed by the Canadian authorities on the ground that they were diseased.

They had been passed by the Iowa authorities before being started for Canada.

C. E. Rawson Dead.—Charles E. Rawson for many years president of the Des Moines Life Insurance company, died today, aged 61. He recently sold out the company to the National Life of Chicago.

Bridegroom Commits Suicide.—WEST LIBERTY, Ia., June 1.—Lawrence Dotson, married but a few weeks ago, shot off the top of his head with a shotgun early this morning at his home near here. No cause is ascribed for the act.

Iowa News Notes.—LE GRAND.—A temporary injunction will be asked by the people of Le Grand to prevent the board of trustees of Palmer college from removing the college to Albany, Mo., where it is planned to consolidate it with a school of the same denomination.

HENDERSON.—L. M. Meyers, a well-to-do farmer living near here, committed suicide last night by shooting himself. The widow and two children survive him.

"ROOT SOAKER" IN THE GRAIN BELT

(Continued from First Page.)

Ia., the precipitation ranged from one-half to two inches.

Rain is General.—The Northwestern weather map shows little rain north of Blair on the up-river line, but between Omaha and there there was from one-half to an inch. West of O'Neill there were scattered showers, but no general rain. Between O'Neill and Northfork the rainfall was about one-half inch, while from Norfolk east to Fremont in many localities it exceeded an inch and in no place much less. South-west across the state there was rain all the way to Superior, ranging from one-half to three-fourths of an inch.

The Union Pacific found heavy rains all along the main line from Omaha to Cheyenne and on the branches to the north and south. The heaviest, however, was on the St. Joseph & Grand Island, one-half inch at Lincoln to one and two inches down through Kansas and as far east as St. Joseph.

On the main line there was a slow drizzle from North Platte to Sidney, in the aggregate amounting to about a quarter of an inch.

In Kansas along the lines to the southwest was literally soaked, the Oberlin branch getting close to two inches, with from an inch to an inch and a half every where east of Ellis.

CHICAGO, June 1.—Big sales of wheat today, the result of rain breaking the drought that was threatening to destroy millions of acres of growing grain in Kansas and Nebraska resulted in a general smash of prices on the Chicago Board of Trade. Values showed at one time a drop of 2 1/2 to 2 3/4¢ a bushel for wheat and 3¢ for corn.

Buying on the part of the leaders who did not believe that the critical situation as to the crops in the two states named had been entirely relieved brought about a rally just at the close. In the end the market was decidedly nervous, with July options 1 1/2¢ for wheat and 7 1/2¢ for corn, net losses respectively of 1 1/2¢ and 3¢.

WAR DEPARTMENT TRYING NEW REGIMENTAL EQUIPMENT

DUBUQUE, Ia., June 1.—(Special Telegram.)—The War department is assembling here an experimental regiment of more than 2,000 men for maneuvers in and about Dubuque and a march to Sparta, Wis. The equipment is all new, automobiles instead of mules, wireless operators and everything being on a new basis. Many army experts are already here and foreign representatives are expected Monday, when the troops arrive from Forts Sheridan, Logan, Crook, Snelling and other places.

HINTS TO AID PENSIONERS

Representative Kinkaid Suggests Method in Their Interest.

RELATES TO SERVICE DISABILITY

Blanks Prepared for Veterans to Submit Make No Reference to it and Member Thinks Much Trouble Will Result.

(From a Staff Correspondent.) WASHINGTON, June 1.—(Special Telegram.)—In the opinion of Representative Kinkaid much confusion is likely to result at the pension office because of the form prepared by the bureau for applications under the law of May 11. The blank makes no reference to the service disability under which many may wish to file and its omission is misleading. Unless applicants state specifically in their application that they are filing under the disability clause, where they wish to do so, great confusion will result.

The matter has come to the attention of many other members and the minority room has prepared a blank form of affidavits which they are advising claimants to file with their applications, where they base their claim upon a service disability. The affidavits call for the certificate's number, company and regiment in which the soldier served, in the service and "line of duty." It declares further that "by reason of such disability the soldier is now unable to perform manual labor and that he makes affidavit to supplement his application and makes claims for the maximum pension provided by the act of May 11, 1912." Accompanying affidavit from a physician who has examined the claimant is also suggested.

Mr. Kinkaid believes that if this affidavit or a similar one is filed with the application it will save much confusion that is now likely to result under the operation of the new law.

MAN AND WOMAN ARE MURDERED AT SEATTLE

SEATTLE, Wash., June 1.—Mrs. Effie Larson, 43 years old, was beaten to death with a carpenter's hammer; George Felton, 26 years old, was shot to death, and Joseph Miller, 35 years old, is in jail, charged with murder, as the culmination of a fight between Miller and Felton on Wednesday night, over Felton's attention to Mrs. Larson. Felton's father is a cigar dealer in Milwaukee.

Mrs. Larson, who conducted two lodging houses, was killed some time during the day at one of them. Her body was found last night by a lodger.

Felton, who was a magazine agent, was shot last night, as he sat at the head of the stairs at the other hotel conducted by Mrs. Larson. Miller was employed here. Miller fled after killing Felton, but was arrested later. He declared both Mrs. Larson and Felton had threatened a poison him.

POSTMASTERS NAMED BY PRESIDENT TAFT

WASHINGTON, June 1.—(Special Telegram.)—The president today sent the senate for confirmation the appointment of James D. Swart as postmaster at Durree, S. D.

W. E. Richards has been appointed by the president as postmaster at Edge-wood, Ia., and the senate is asked to confirm the nomination.

Henry Niebuhr has been appointed by the president as postmaster at Winneago, Neb., and the senate is asked to confirm the nomination.

Representatives Burke and Martin have joined in recommending that Robert E. Rogers be appointed postmaster at Faith, I. D. The office has been raised to the residential class.

Trick to Kill Mother with Axe.

DENISON, Ia., June 1.—(Special.)—Robert Christy of this city attempted to kill his mother with an axe Thursday night. She warded off the blow with her right arm, which is badly cut in two places. Christy hid at a neighbor's house for a few hours and was then caught and put in jail. The circumstances of the affair are made more startling from the fact that his sister lay dead in an adjoining room, having died after a long illness.

Christiana Name Officers.

MARSHALLTOWN, Ia., June 1.—(Special Telegram.)—The Iowa State Christian conference ended today at LeGrand with the election of the following officers: President, Rev. D. M. Helfenstein, Des Moines; vice president, R. A. Lewis, Madrid; secretary, John Kyle, Waverly; treasurer, E. A. Saunders, Monticello.

to the result of Monday's primaries.

Illinois Delegates at Oyster Bay. OYSTER BAY, N. Y., June 1.—Plioted by Alexander H. Revell, chairman of the national committee, and Medill McCormick, twelve delegates to the republican national convention from Illinois arrived here this afternoon for a conference with Colonel Roosevelt at Sagamore Hill.

Although no announcement has been made as to the object of their visit, it is believed that they came here to discuss with the colonel the question as to who shall be the new republican national committeeman from their state. The mention of the name of Chauncey Dewey for the place has not met the approval of all the Illinois Roosevelt delegates, it is said.

Mr. Revell refused to throw any light upon the object of the conference other than to say:

"I hope there will be complete harmony by the time of the convention. I am not saying that there is no harmony now."

Colonel Fred Hale and Morrill Dwyer of Portland, Me., also visited Sagamore Hill today. They came, they said, to assure Colonel Roosevelt of their loyalty.

Another Compromise Candidate. YANKTON, S. D., June 1.—Speaker Charles A. Ingram of Wisconsin spoke here today in furtherance of Senator La Follette's candidacy. He said that, whether or not La Follette is nominated the senator will dictate a large part of the platform.

"I believe Senator La Follette will hold the balance of power in the convention," said the speaker. "Neither Taft or Roosevelt can be safely nominated without the strength and support of the La Follette delegates. From the way sentiment in favor of progressive ideas is growing we will be able to dictate a large part of the Chicago platform and once that platform gets before the convention the delegates will see that there is no one able to fit the platform but La Follette."

KEOTA LOVER KILLS HIMSELF AFTER QUARREL WITH GIRL

KEOTA, Ia., June 1.—George Hubbs, aged 21 years, a farm hand, last night, after quarreling with Miss Cora Anderson, for whose father he worked, stepped into the road in front of the house, pressed the muzzle of a double-barrel shotgun to his heart and killed himself instantly.

Boy Hangs Himself. DENISON, Ia., June 1.—(Special.)—Harvey, the 13-year-old son of Eugene Brogdanec of Deloit hanged himself in the barn Thursday. Just before dinner he and another brother had a little dispute in the house while the boys were washing. Harvey went down to the barn, saying he did not want any dinner. After eating the father went to the barn to hitch up a team and found the lad hanging from a beam.

What's the Matter With Your Baby?

The young mother—and many an old one, too—is often puzzled to know the cause of her child's ill nature. The loudness of its crying does not necessarily indicate the seriousness of its trouble. It may have nothing more the matter with it than a headache or a feeling of general dullness. It cannot, of course, describe its feelings, but as a preliminary measure you are safe in trying a mild laxative. Nine times out of ten, you will find it is all the child needs, for its restlessness and sleeplessness are perhaps due to obstruction of the bowels, and once that has been remedied the headache, the sluggishness and the many other evidences of constipation and indigestion will quickly disappear. Don't give the little one salts, cathartic pills or nasty waters, for these will act as purgatives, and they are too strong for a child. In the families of Mrs. J. E. Harmon, 508 Star Ave., Burlington, Iowa, and Mrs. E. Morse, Council Bluffs, Iowa, the only laxative given is Dr. Caldwell's Syrup Pepsin. It has been found to answer most perfectly all the purposes of a laxative, and its very mildness and freedom from griping recommend it especially for the use of children. Women, and old folks generally, people who need a gentle bowel stimulant. Thousands of American families have been enthusiastic about it for more than a quarter of a century. Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 425 Washington St., Monticello, Ill. Your name and address on a postal card will do.

Most Miles Per Dollar—and That's Not All

DON'T buy Firestone Tires just because they offer you "Most miles per dollar of cost." It is true that they do this—True that in test after test—in race and tour and the actual road experience of thousands of owners—Firestones have demonstrated their superior wear.

But that is only one feature. It should not be your only consideration.

Buy Firestone Tires because their durability is not at the cost of the car.

Buy them because of their wonderful resiliency—their "life" even with tires pumped to capacity.

Buy them because they protect the costly mechanism of your car, minimize adjustments and repairs. And all this means real comfort in riding, too.

"Firestone" TIRES

Most Miles Per Dollar of Cost—And Most Car Protection

Resilience—this yield-and-spring-give-and-take—which protects your car—means quality of rubber, quality of fabric, quality of workmanship—all in unstinted measure.

Every element in the tire is chosen for quality of service, regardless of cost—all handled and developed by experts under a rigid system of inspection that watches every movement of every man—that rejects everything but perfection. This is why you practice true tire and car economy only when you specify—"Firestone" Tires

Built in all Types to Fit all Standard Rims

Regarding Rims: All high grade cars are equipped with quick-detachable demountable rims. Don't experiment. Insist on Firestone—the only rims that have stood the test of time and are universally acknowledged correct in principle and service.
