As a firm grows and prospers, so shall have occasion for many happy anniversaries-for rejoicing and calling in its many friends to help observe the passing of the milestone that brings this firm into another lap of the great commercial

And as a firm grows it uses greater space in the press, for without judicious advertising no firm-no matter what may be its methods-can grow into the magnitude that awaits its competitors who use freely the columns of the daily papers. The firm that uses the greatest number of inches in the press is usually 'he firm that is making the greatest strides. Of course, simple space is not an indication of growth, for many advertisers buy space -lots of it-without getting results that are satisfactory; but the firm that day after day employs large space in the best papers, and has an advertising force that places in that space telling talkswell, that is the firm that grows, pecause it always is the house that has

Arts Department at Creighton is to Have Commencement

The commencement exercises of the class of 1912 of the Creighton university department of arts will be held at the Orpheum theater Thursday evening, June 30. There are twenty-one students in the class, which has satisfactorily completed FREE To Each and Every Man or Woman Calling at Our Store, a Superbly Patterned, Heavily Plated LIKE Silver Spoon

"Just as free as the air you breathe"-you don't have to buy anything from us, or sell anything for us, to get one of these handsome silver teaspoons free; you simply come here and say you want one, and all that we require is that you visit this big "Daylight" Store-that isn't too much to do to get a handsome silver teaspoon, is it?

Tea Spoons in Exquisite "Narcissus" Pattern

The Spoons that will be given to you FRME do not bear a single word or suggestion of advertising; they are made up especially for us by a concern whose reputation is world-renowned. The Teaspoon will wear you a lifetime, and is made up in a pattern entirely new-the "Narcissus"-a beautiful piece of art work.

Why Do We Give These Spoons Away?

We KNEW you would ask that question, reader, and our answer is: "It will PAY us to give away five or six thousand teaspoons to find out just HOW many people are READING UNION OUTFITTING CO. ADVERTISE -MENTS. Then, another thing, EVERY person who gets a spoon FREE gives us the opportunity of showing him or her through our big, new "Daylight" store. The whole matter is more or less experimental, but we are going to carry it through. Don't worry HOW we can give it, but just come in and GET your pretty silver teaspoon at NO cost whatever.

If a woman is strong and healthy in a womanly way, moth-erhood means to her but little suffering. The trouble lies in the fact that the many women suffer from weakness and disease of the distinctly feminine organism and are unfitted for motherhood. This can be remedied.

Cures the weaknesses and disorders of women. It acts directly on the delicate and important organs concerned in motherhood, making them healthy, strong, vigorous, virile and elastic.

"Fevorite Prescription" banishes the indispositions of the period of expectancy and makes buby's advent easy and almost painless. It quickens and vitalizes the feminine organs, and insures a healthy and robust baby. Thousands of women have

testified to its marvelous merits. It Makes Weak Women Strong. It Makes Sick Women Well. Honest druggists do not offer substitutes, and urge them upon you as "just as good."
