Top Market and Courteous Treatment to All

Order a Cake of **JAP ROSE** To-day

Skin and clothing are entirely different things. JAP ROSE is essentially a skin cleanser. It was not made for the laundry, furniture or floors, but especially for the toilet and bath, by KIER'S own process of blending the purest vegetable oils into a transparent "bubbly bath" soap. Use it in hot or cold, hard or soft water.

"WAGNER" CAST ALUMINUM WARE

Perfectly Sanitary

"Wagner's" Aluminum Ware represents the very highest standard in cooking utensils and in getting "Wagner's" you may know you're getting the very best to be had in

Pure Cast Aluminum Ware

The lightest, strongest, best quality and most thoroughly durable and satisfactory ware ever produced. Heats evenly, almost instantly, cooks quicker and more thoroughly than enameled or other ware—milk or foods not readily burned.

Is not affected by fruit or vegetable acids. No plating to wear off as in nickled, copper or silver plated wear. See these goods. Sanitary preserving kettles, tea kettles, coffee pots, tea pots, percolators, griddles, spoons, moulds, roasters, sauce pans, frying pans, etc. All have "Wagner" stamped on them.
