

WINDOW EXHIBITS BEGIN

Home Manufactured Goods Will Be Shown in Downtown Shops.

DISPLAY TO BE INTERESTING

Many Features Will Be Provided to Attract the Public Attention to What is Manufactured Here.

At noon today the window display week of the Omaha Manufacturers' association will be formally and officially opened. Each manufacturer will have his goods ready for public inspection in some downtown store window when the clock strikes twelve.

One manufacturer already has fitted out his displays ready for the week and not only is using the district mapped out by the association, but has scattered displays all over the outskirts of the city.

This also will be done by many other manufacturers. At the first announcement of the week of Omaha made goods displays the merchants outside the shopping district began to express their desire to be in on it.

Another company will ask the public for estimates on the number of pieces that go to make up a stove, and still another will ask the number of pieces of glass composing a stained glass window.

There will be more than \$50,000 worth of manufactured products in windows besides the valuable displays of the high school manual training department.

The following spaces have been assigned for the displays, the first named firm being the one to permit the use of its window:

Cycle Policeman Strikes Woman at Crowded Corner

While answering a hurry call at the rate of fifty miles an hour, Motorcycle Policeman George Emery struck Miss Eliza Streehan, 2512 Parker street, at Sixteenth and Farnam streets and knocked her to the pavement in the sight of several hundred West Farnam residents who were waiting for a street car.

The officer was coming up Farnam hill with his partner, Officer Wheeler, as fast as the new machines could carry them. They blew a warning from their siren horns on the machines, but before Miss Streehan could get out of the way they were upon her, the pedal of Emery's machine striking the woman in the ankle and the handkerchief hitting her in the breast.

Miss Streehan spun around from the force of the impact and as she dropped to the pavement it hardly seemed possible that she had escaped serious injury. She was lifted into an automobile and taken to her home by the police.

GADET REGIMENT WILL CAMP Many at Krug Park at Season Opening

High School Drill Corps Goes to Blair Tomorrow.

OUTING TO LAST ALL WEEK

Captain Arthur S. Cowan of Fort Omaha in Charge—Special Visitors' Train from Omaha on Thursday.

Early this morning 450 Omaha High school cadets will go into the annual drill encampment, which will be held at Blair during the entire week. Saturday is the return date.

The regiment will form at the school campus at 7:30 o'clock and march to the Webster street station where a special train will be boarded. Tents will be pitched as soon as the cadets arrive at Blair and the baggage is hauled from the train. Baggage was stored at the depot yesterday.

Unwilling to abide by the recent ukase of Ban Johnson that a player should not rent criticism, George Nick, a 16-year-old umpire residing at 2719 Y street, South Omaha, is alleged to have struck Theodore Akforsh, an insurgent player, with such force as to have broken his left leg.

But Seven Clear Days in Omaha During May. The mean temperature for Omaha for the month of May was 62.2 degrees above zero. Very little rain fell during the month, the total precipitation being but 1.30 inches.

Many at Krug Park at Season Opening

Patrons of summer resorts were offered a mild sensation in the opening of Krug park Saturday. Though the rain probably kept away many that otherwise would have attended, the park welcomed large crowds. Many promenade along the walks and romped over the lawns, breathing in the pure, fresh air that the park affords from its location.

The remodeling of old structures and the building of new has added materially to the beauty of the resort. Several concessions have been added. The grounds have been changed to conform in symmetry to the general effect and everything has been done to make it one of the most beautiful parks in the west.

Among the concessions the old mill and the roller coaster are most popular. The shooting gallery, free moving pictures, penny arcade, restaurant, summer garden, merry-go-round and art gallery all have been made a part of what the park affords in the way of amusement.

It is the desire of the management this year to make Krug park a resort for women and children as well as men and everything for the picnicer has been added to make an outing there a pleasure.

Umpire Accused of Striking Back

Unwilling to abide by the recent ukase of Ban Johnson that a player should not rent criticism, George Nick, a 16-year-old umpire residing at 2719 Y street, South Omaha, is alleged to have struck Theodore Akforsh, an insurgent player, with such force as to have broken his left leg.

Silver Loving Cup Given George Krug

George Krug, general manager of the Anheuser-Busch company of Nebraska and general agent of the Anheuser-Busch Brewing association of St. Louis for the last thirty-eight years, was presented with a silver loving cup by the employees of the local company as a token of their appreciation of his long and honorable service.

Know Omaha Better Omaha's Public Utilities.

Omaha's public utilities consist of its waterworks plant, the Omaha & Council Bluffs Street Railway company, the Omaha Electric Light & Power company, the Bell Telephone company, the Independent Telephone company, the Western Union Telegraph company, the Postal Telegraph company and the Omaha Gas company.

has a capacity of about 5,000,000 gallons daily. The capacity of the Poppleton avenue station is about 5,000,000 gallons. Frequent analysis of the water proves it to be among the most healthful waters. The natural sand filtration has much to do with this and, in addition, the water is taken from the river far enough up to avoid local contaminations, which with the filtration that follows makes the water quite safe for all uses.

Schlitz could give you LIGHT BOTTLES BUT Beer keeps best in BROWN BOTTLES. When beer in light bottles is exposed to light, the beer develops a disagreeable odor and "skunky" taste. All brewers even cover the hand-holes of the case before shipping, to keep out the light. Schlitz in Brown Bottles won't spoil after the case is open. Pure beer, properly aged, will not cause biliousness. Physicians and surgeons prescribe Schlitz, instead of malt tonics, as a builder of health. See that crown or cork is branded "Schlitz."
