

Desperate Desmond

I—A GOOD LAWYER.
Handsome Claude Eclair, as you see by the first picture, is still wearing a Russian uniform, but his heart beats only for the American marines who are landing in Cuba. Meeting a lawyer of international fame, Claude tells him of his predicament and the man of law tells Claude that the czar exceeded his rights in making our hero a Russian.

II—FORWARD, MEN!
Freed from any legal obligation to the czar, Claude promptly throws away the gaudy Russian uniform and gets into a more serviceable rig. Then he casts his lot with the American marines, and in the bow of the first boat to take them ashore we see Claude Eclair, urging on his comrades and ready to leap to the beach in the vanguard of the invaders.

III—WITH THE REBELS.
In the meantime Desperate Desmond, the international crook, has assembled a band of rebels near the beach. With a soldier's eye for good cover, the villain has placed his men in the tall sugar cane, where they have a chance to ambush the landing party. His ruse, however, is spotted by the keen eye of Claude, who warns the marines of the foe.

IV—SIESTA TIME.
Just as Desmond is disposing his forces to the best advantage for his intended blow at the American marines—not forgetting Claude—one of the Cuban rebels suddenly thinks of the time. Glancing at his timepiece he is surprised to see that it is 2 o'clock-time for the siesta, without which no Cuban afternoon is deemed complete by one of the natives.

V—A CHANCE FOR CLAUDE.
Sturdy arms pulling the oars of the American boats bring the marines quickly to the shore, and Claude jumps to the beach, the first of that gallant bunch to land on Cuban soil. Bravely he rushes forward, expecting every moment to encounter Desmond, but to his surprise he finds a crowd of rebels fast asleep in their cool hammocks.

VI—TO THE TALL GRASS.
"I'm the muchacho!" cries Desperate Desmond, as he dashes for cover in the tall grass, taking with him the unhappy Rosamond. Claude sees the villain, however, and at the head of the marines he dashes forward after the fleeing scoundrel. The tropical vegetation offers a lot of shelter, but we believe tomorrow will tell of Desmond's capture.
