Six Hundred Visitors Are in Field with the Cadets.

## ARCHIE HOAKE BREAKS HIS ARM

Reveille is Sounded Early and Boys Spend Morning Hours Putting Persons and Camp in Presentable Shape.

(From a Staff Correspondent.)  
CAMP HASKELL, BLAIR, Neb., June 6.—(Special Telegram.)—Laden with baskets of all sizes and shades and wreathed in smiles and anxious greetings 600 parents, friends and sweethearts of the Omaha High school cadets flocked from the visitors' special train of mine cars here at 10 o'clock.

They were met by groups of sunburned and hungry soldier lads and escorted in vehicles and on foot to the camp grounds south of the town. The cadets appeared spry and spruce. Trousers were carefully brushed, sunburned faces were devoid of dirt and shoes were brightly polished. Most of the lads pressed their trousers by laying them out carefully under their blankets Wednesday night and sleeping on them. All commissioned officers, first sergeants and band cadets were immaculate in white duck trousers.

The entire regiment was awakened at 5:20 and after a breakfast of round steak and brown gravy an hour and a half of company drill was held. After that every lad busied himself with soap and water and clean attire. Inspection of tents was made by Commandant Cowan before the visitors arrived.

Private Archie Hoake of Company B sustained a broken arm as the result of a steadily pitched ball in a game with Company F yesterday. Camp Dr. Max Flothow fixed the lad out in splints. Hoake is now unable to shoulder a gun.

Yes, this is a "swell" store—with swell merchandise—but the prices are "Everyman's prices."

The mere fact that I sell men's suits at \$15, \$20 and \$25, knocks out the idea that my establishment is "too swell" for the ordinary mortal to trade at.

## Business Men Visit Light Plant and Brewery

STANDING ON 7,000 TONS OF COAL IN SUBMERGED PIT AT ELECTRIC LIGHT PLANT.

## TY COBB SHOWN IN WINDOW

Exhibited as Part of the Know Omaha Campaign.

## SILK HAT HARRY THERE, TOO

Judge Rumbouser Parades Across the Ball Field—Great Interest in the Big Campaign that is Now On.

What Omaha manufacturers are doing in window displays is interesting the outside world. Communications have begun to arrive from cities all over the United States asking particulars about the display week.

A letter was received from the Business Men's league of Tacoma, Wash., asking how the Omaha manufacturers are conducting the campaign. Tacoma business men are planning a show to be copied from Omaha's.

The Merchants' Trade Journal, a national periodical, has asked for a story covering the whole plan of the Know Omaha campaign, to be illustrated by pictures of the window displays.

The demand for new ideas in window advertising and general publicity campaigns on co-operative lines has been seen by the magazine and its readers will be supplied by a full account of Omaha's unique plan.

Crowds of men and women are to be seen in front of the windows holding conferences over the puzzle inside, comparing their guesses and arguing about what guess is right and wrong.

But while the guessing holds interest to some windows interest in others is held merely by the intrinsic value of the displays. One of these is the display of the manual training department of the Omaha High school in the Miller, Stewart & Beaton window. Here there is no guessing contest, but probably greater crowds are steadily gathering there than at any other window.

Among the displays that provoke a smile is that the Bankers' Union cigar in the Getten & Wickham window at 511 South Sixteenth street. A base ball diamond, grandstand and bleachers is the design with cigars as the ball players. In the grand stand are seated the city commissioners, Ty Cobb is lying in the field encased in a black casket, while "Nobody" stands over him to mourn. Silk Hat Harry and Judge Rumbouser are parading across the field, in which are stationed many ball players of renown.

The manufacturers will announce the names of the winners of the guessing contest some time next week. They will be announced by all manufacturers simultaneously.

## Ensign Patterson Fined for Speeding

Ensign Patterson, United States navy, who is visiting with his parents, Mr. and Mrs. D. C. Patterson, hailed before the police magistrate for exceeding the speed limit in an automobile, put up the defense that Bike Cops Wheeler and Emery, who arrested him, once served in the marines and were naturally prejudiced against the navy. The defense did not carry much weight with Acting Judge Barker, for he fined the prisoner \$5 and costs. Ensign Patterson, when arrested, was going at the rate of thirty miles an hour at Thirty-fifth and Farnam streets. He had been cautioned twice before about fast driving.

## Negro Hurls Brick Through Plate Glass

A negro threw a stone through a \$5 plate glass window in the pawn shop of Max Nathan, Thirtieth and Dodge streets yesterday morning and stole an armful of cheap revolvers and trinkets that were displayed there.

The clerk of the Dodge hotel next door saw the negro a few seconds before he heard the crash and he was able to give the police a good description of the thief.

The shattered window will cost more to be replaced than the stolen articles are worth, three times over.

## Burglar Loots Home While Family Sleeps

Burglars entered the home of William Johnson, 212 Mason, Wednesday night, and without awakening any members of the family, ransacked every room in the house. A few dollars in cash and about \$5 worth of jewelry and valuables were taken. The theft was not discovered until the family arose at the usual hour in the morning. Entrance was gained to the house through a pantry window.

## War to Be Waged on Speedy Motorcyclists

Heavy fines will be imposed on all motorcycle speeders according to City Prosecutor Anheuser. While automobile speeders will not be shown any mercy, he says, particular attention will be paid to motorcycle speeders by the cycle officers and all brought in court on this charge will be fined the limit.

E. Rogers, 2124 Emmet street and J. Bruce, 2305 Meredith avenue, two paper carriers, were fined \$10 and costs on this charge but the fine was remitted. The two boys were not going at a very high rate of speed and promised not to do it again. They were warned that if arrested on this charge again they need not expect to receive less than \$50.

G. E. Seabury was fined \$25 and costs for exceeding the speed limit in an automobile, and S. M. Aldrich, 1616 Maple street, \$25 and costs. E. L. Rausch was discharged.

## PROVES TO BE AN EX-CONVICT

After Successfully Looting One Place He Goes to Another, Where He is Caught by His Victims.

Charles Olson, alias Knud Ibe, ex-convict, recently released from the penitentiary at Lincoln, where he served three years for burglary, is liable to go back to that institution because he was unable yesterday morning to limit his operations when he went out on an expedition to rob. He looted one place successfully, but was not satisfied to let well enough alone. He was captured at the next place he entered and was held until Detectives Ring and Van Dusen arrived to cart him to the station.

About 6 o'clock he entered the room occupied by Martin Gray and J. L. Ballard at 618 South Twentieth street securing most of the occupants' clothing and \$13 in money. He hid the clothes in a barrel nearby and proceeded to rob the room of Willie Darkkinn and F. W. Dethloff at 2013 Harney street. He found Willie and his roommate on the job. The burglar was captured after a chase. Headquarters was notified and Detectives Ring and Van Dusen soon had the burglar in the lockup.
