FLYNN DENIES ALL RUMORS

Roosevelt Man from Pittsburg Says
that He Did Not Come to Chi-
cago to Start a Rough
House.

CHICAGO, June 8.—Bad feeling between
the Roosevelt and Taft leaders which
sputtered intermittently yesterday and
last night, became acute today and
threatened to break into an open clash
in the meetings of the republican national
committee.

The gravity of the situation was driven
home this morning when a police detail
of thirty plain clothes men and uniformed
patrolmen took their stations at the
Coliseum annex, where the contests hear-
ings are being held.

The subject of a possible clash was
discussed until a late hour last night at
a number of conferences of leaders on
both sides at downtown hotel headquar-
ters. Officers of the national committee
joined with others of prominence in the
party councils in stating that all possible
efforts were being made to prevent any
occurrence that might reflect discredit
upon the conduct of the pre-convention
deliberations.

William Flynn of Pittsburg, Roosevelt
leader, whose coming was heralded by
reports of possible demonstrations in and
about the republican national committee
headquarters arrived today and declared
that the rumors which has preceded him
were less substantial than thin air.

"I am not here to start a rough house.
I have no monkey wrench to throw into
the steam roller," said Mr. Flynn. "I
am here simply to do what little I can to
further the nomination of Colonel Roose-
velt. I am so out of touch with political
methods that if I got in front of the
steam roller I might be crushed myself,
so I don't think I shall attend any of the
sessions of the national committee."

Mr. Flynn declared that whether Col-
onel Roosevelt would come to the con-
vention depended on circumstances.

"If his friends advise him that his
presence is necessary or desirable, Colonel
Roosevelt will surely come to Chicago,"
said Mr. Flynn.

The question of a possible bolt by the
Roosevelt men was parried by Mr. Flynn.

who said, "It all depends on the outcome
of the contests. If the steam roller
crashes along without regard to justice
it will be time enough to think of that
question."

On his arrival the Pittsburg man con-
ferred with George W. Perkins and Sen-
ator Joseph M. Dixon, director of the
Roosevelt campaign.

Other arrivals today were Thomas F.
Niederhous of St. Louis, newly elected
national committeeman from Missouri,
who joined the Roosevelt workers and
former Congressman James A. Tawney
of Minnesota, who sought the Taft head-
quarters.

A committee of Indiana delegates, both
Taft and Roosevelt men, conferred with
Fred A. Sims of Indiana and former Sen-
ator James A. Hemenway, concerning the
adviseability of having one state head-
quarters during the convention. The
Taft men on the committee were Captain
W. E. English, Clement Studebaker, Jr.,
and Webb Woodfill. The Roosevelt men
were Edward C. Toney and Enos Porter.

Ask Roosevelt to Come.
According to those in close touch with
developments in the Roosevelt headquar-
ters, where the conference between Sen-
ator Dixon, Mr. Perkins, Mr. Flynn and
a majority of the Roosevelt members of
the national committee continued through
a greater portion of the day, it was de-
cided to have Colonel Roosevelt come to
Chicago as soon as possible.

This report was followed by another
saying that Senator Borah and others
had determined to change their plan of
action in the committee sessions and that
opposition to all Taft contested delegates
would be made beginning with Monday's
sessions.

Colonel Roosevelt was said to be in
personal communication with Senator
Dixon and Mr. Perkins and also to have
made numerous suggestions to them dur-
ing the progress of the deliberations.

Kenyon Will Nominate Cummins.
DES MOINES, Ia., June 8.—Senator W. S.
Kenyon may nominate Senator Albert
B. Cummins for president at the Chicago
convention if a plan being discussed by
the senior senator's friends here today
materializes.

Senator Kenyon is not a delegate, but
no difficulty is expected in procuring a
proxy for him from one of the Cummins
delegates from Iowa.

Make Stand on Georgia.
The national Roosevelt committee in a
statement issued this afternoon indicated
that all of the Roosevelt strength would
be centered against the seating of con-

testing Taft delegates from Georgia, and
that the big fight in the deliberations of
the national committee would come with
the calling of the Georgia contests.

Notes from Nebraska City and Otoe County

NEBRASKA CITY, Neb., June 8.—(Special.)—The city commissioners held a
very warm session and it was over the
matter of the salary ordinances. They
gave the mayor \$500 per annum, com-
missioners \$300 each, city clerk \$750, city
attorney \$400, chief of police \$800, police
judge \$300, chief of fire department \$50,
section of sanitary physician member of
the Board of Health \$50 per month. An
effort was made to raise the wages of
the day laborers from \$1.75 to \$2 per
day of eight hours, and teamsters from
\$3.50 to \$4 per day, but this was defeated.
An expert accountant is here going over
the city books for a period of ten years
back, so as to ascertain where the taxes
collected have been expended. The city
attorney was instructed to draft an or-
dinance creating another sanitary sewer
district, thus covering the entire city.

Miss Eva Glendon of this city and a
sister of Mrs. Robert Hanson, was mar-
ried at Wisner, Neb., to Benjamin Shaw.
The marriage was a surprise to even
the members of the family, so quiet was
the affair kept.

The members of the Otoe hook and lad-
der company met last evening and elected
officers as follows: President, P. A.
Holmes; vice president, Robert Wright;
foreman, W. J. Thomas; secretary, Lee
Faunce, and treasurer, Charles McNa-
mara.

"Doc" McGuire and Chris Killduff,
drivers of the fire team, had a narrow
escape from being killed last evening.
They were out exercising the team and
while speeding over the paved streets
one of the lines broke and the team
dashed into a telephone pole throwing
both drivers from the wagon and severely
bruising them. The wagon and horses es-
caped with minor injuries.

Frank Golden, one of the pioneer resi-
dents of this city, is dangerously ill and
no hopes are entertained for his recovery.
His children have all been called to his
bedside.

The home of the late M. E. Duff has
been rented to Miss Graham of Auburn,
who will establish a hospital therein. The
property is occupied by H. N. Hanks, at
the present time, and is one of the finest
homes in the city.

Chris Whitmeier of Lorton disappeared
from his home two weeks ago and since
then nothing has been heard of him,
after he came to this city and remained
for a day. He is 74 years old and his
relatives are alarmed at his long ab-
sence.

The annual closing exercises at the St.
Bernard's academy took place yesterday
afternoon and the address was delivered
by Rev. B. Bessinger. There were a num-
ber of graduates.

CLOTHING THIEVES ARE CAPTURED NEAR RAVENNA

RAVENNA, Neb., June 8.—(Special.)—
The thieves that broke into the Lovitt
clothing store in Ravenna were captured
three or four miles east of town today.
They were three in number and had five
suit cases, stolen from the clothing store.
They had also broken into a freight car
on the Burlington tracks and stolen a
quantity of canned goods and whisky.
The suit cases were filled with canned
goods, booze and plunder from the cloth-
ing store. All three were drunk when
captured. They were arraigned before
the justice and bound over to district
court and taken to Kearney by the mar-
shal.

House Robbed at Stella.

STELLA, Neb., June 7.—(Special.)—
Principal and Mrs. Truman upon their
return from a visit to Blue Springs
found that their home had been robbed
during their absence. Some rare old coins
were taken, a coat belonging to Principal
Truman and five solid silver dishes that
were wedding presents to Mrs. Truman's
mother. Entrance was gained through the
back door by a skeleton key.
