Holste came to Hastings college in the fall of 1908, and served two years as foot ball coach. In the fall of 1910 the institution employed him on an all-year athletic sports. In his first year he shaped out of green material a team that tied Bellevue for the state foot ball championship. Hastings won all the games that season by large scores, except the one with Bellevue, which Bellevue won with a drop kick. But in that season Doane defeated Bellevue and Hastings defeated Doane. In the second season Hastings played tie games with Bellevue serenade on his musical motor car and Wesleyan, and defeated all others. In the third season Hastings was victorious in all foot ball games. Last fall Wesleyan won the championship in the deciding game with Hastings. In basket ball last winter Hastings lost only to Wesleyan and Cotner and finished the flyer, the fast Northern Pacific train season in second place.
