**PUTS UP TECHNICAL DEFENSE**  
Lincoln Delegates to National Convention Not Yet Decided What They Will Do in Case Roosevelt Goes It Alone.

(From a Staff Correspondent.)  
LINCOLN, June 10.—(Special.)—A case which on account of its peculiar conditions created considerable comment this morning is an appeal from the district court of Dawes county to the state supreme court made by William Alfred Simmons wherein he was the defendant on a judgment obtained by his sister, Julia Sarah Simmons for money claimed to have been loaned him.  
Julia alleged in district court that she had loaned William \$800 in good English money, the transaction taking place in London, England, said sum being in United States money \$388. The only agreement was an oral one to pay on demand. No note was given, but William gave her a receipt, which he now refuses to pay, claiming that under the English law the receipt did not contain certain stamps in the amount required, and also that the receipt was not written on "officially stamped paper," a requirement in transactions of that kind under the English law. He admits receiving the money, but that under the law over there it would be considered a fraudulent act and, therefore, he cannot be made to pay.  
The district court of Dawes county found for Miss Simmons for the full amount with interest, which makes the judgment \$497.17.  
V. Don L. Love and J. C. Harpham, the Lincoln delegates to the national republican convention are somewhat up in the air whether they will follow Colonel Roosevelt should he decide to bolt the convention in the event that he does not receive the nomination. Mr. Love says that it will all depend upon circumstances as far as he is concerned. If the steam roller is used too much between now and the time of the opening, it might be necessary to do something, but he would not at this time favor putting up another candidate. He would much prefer to formulate a protest and then let things come along as they might develop. What the other delegates will do is not known for most of them are as close as clams whenever the matter is mentioned. It seems to be the opinion of most of them that it is not now the time to take action. When it comes to crossing the bridge they will cross it if necessary.

**Aldrich Does Not Think the Roosevelt Men Will Bolt**  
LINCOLN, Neb., June 10.—Governor Aldrich today declared he did not believe there would be a bolt of Roosevelt men at the Chicago convention in the event that President Taft controlled a majority of the delegates.

J. C. Harpham of this city, and Nathan Merriam of Omaha, two of the delegates from Nebraska, both declared themselves as willing to leave the convention if Roosevelt was unable to control it. E. L. King of Osceola expressed himself as opposed to bolting "for Roosevelt or any other man."  
Governor Aldrich said: "Nothing could be gained by a bolt. That would give the bosses an excuse to throw the responsibility of Taft's ensuing defeat upon the friends of Roosevelt. If strong arm tactics are to rule at Chicago, then the men who perpetrates them will have to assume full responsibility for the consequences in the November election."  
The Nebraska delegation was instructed for Roosevelt in the recent state-wide primary and Governor Aldrich is counted among the warm supporters of the colonel.

**Notes of West Point and Cuming County**  
WEST POINT, Neb., June 10.—(Special.)—News has been received in West Point of the marriage at Chicago of Claude Harrison, a well known resident of Beemer, to Miss Mae Raymond of Chicago. The ceremony was performed by Judge Gubser. The bride and groom were attended by Mr. and Mrs. H. I. Tracy. Mr. Harrison will shortly return with his bride to Beemer.  
A number of former state university students of this vicinity met at the high school building and effected a permanent organization for the purpose of aiding the State Alumni association in promoting the interests of the state university.  
The marriage of Harry L. Jones and Miss Matilda Fischer was solemnized at St. John's German Lutheran church on Thursday by Rev. William Harms, pastor. The attendants at the altar were William Prawitz, Robert Smith, Martha Fischer and Miss Ida Waldo. The young couple will make their home on the bride's farm.  
Everett McFadden and Miss Anna Kuhnle were married by Rev. Thomas Evans, pastor of the Congregational church at West Point. The bride is daughter of Mrs. Anna Kuhnle. The groom is a contractor and the couple will make their home here.  
On July 2 a special election will be held in the city of West Point for the purpose of voting bonds for the extension of the present system of city sewerage. It is expected that the bonds will carry by a large majority, as public sentiment is strongly in favor of a modern system. The present situation is dangerous in the extreme to the public health and the people realize that some radical measures must be taken immediately to remedy the evil.  
The banquet of the alumni of the West Point public schools and a reception to the newly graduated class of 1912 was held in the high school auditorium on Friday evening.

**Bishop Tihen Preaches Sermon to Uni Students**  
LINCOLN, June 10.—(Special.)—Rt. Rev. J. Henry Tihen, bishop of the Catholic church, delivered the baccalaureate sermon last night to the members of the graduating class of the University of Nebraska. He chose as his text, "Truth and Love." Bishop Tihen preached the doctrine of universal brotherhood, saying that love of truth and charity toward mankind should characterize the life of every university graduate.

The exclusion of the Cornhusker, the annual university publication, from the mails formed the basis of a sermon last night by Rev. A. J. Northrup, pastor of the Trinity Methodist Episcopal church. Rev. Northrup made a vigorous defense of Chancellor Avery and deplored the criticism which has been made of the university executive.  
He declared that the book had injured the university's standing among the taxpayers of the state and had done much toward misrepresenting conditions at the university. He regretted that so small a number of the university students had seen fit to return their books.

**CHIEF ARBOGAST SECURES LARGE SHARE OF REWARD**  
GRAND ISLAND, Neb., June 10.—(Special.)—Not until today was it definitely and officially established who was entitled to the reward of \$1,000 offered at the time of the Giltner bank robbery, the robbery committed by "Shorty" Grey, one of the escaped convicts recently killed with Forbes and Martin.

All three were convicted at Aurora and sent to the penitentiary. The police force of this city, the sheriff and a number of deputies and many citizens were scouring the Platte valley on the day after the robbery. Chief of Police Arbovast came upon the robbers while they were darning out of some underbrush in the Platte bottom and single handed held them up until assistance came to him. Others, however, had tracked them, discovered their presence in the vicinity, and aided in the searching of the men.  
The court awarded the prize money as follows: Chief of Police Arbovast, \$200; George Sess, deputy sheriff, \$200; J. M. Bowers, jailer, \$75; Gus Sievers, deputy sheriff, \$75; Albert Vierleg, Emil Vierleg and Mr. Galentine of Giltner, \$75 each; Mr. Glover of Giltner, Deputies Stahl and Pecune, \$50 each and Police Officer Hadlock, \$25.

**CUSTER FARMER IS GIVEN JUDGMENT FOR BOY'S DEATH**  
BROKEN BOW, Neb., June 10.—(Special.)—The \$10,000 damage suit brought by S. A. Coen, a farmer of this county, against the Central Telephone company has been brought to an end before Judge Hostetter in district court. Sometime ago

**Nebraska.**  
Coen's small son was found dead in a pasture through which the telephone wire extended. The contention was that the horse upon which the boy had been riding got tangled up with the wire in some way, thereby throwing the rider and killing him. After being out all night the jury returned a verdict in favor of Coen, giving him \$1,750.

**Van Dusen's Friends Will Take Case to Board of Regents**  
LINCOLN, Neb., June 10.—(Special Telegram.)—Chancellor Samuel Avery will have a fight on his hands if he attempts to deprive Dana Van Dusen of Omaha or any other member of the Cornhusker staff of their credits, or any student who falls to return his copy of the book, according to Colonel John G. Maher, a well-known Lincoln business man.  
Mr. Maher today issued a statement, saying that the attitude the chancellor has taken is "stupid" and that if any attempt is made to prevent Van Dusen from graduating, he and other Lincoln business men, together with a delegation from Omaha, will appear before the Board of Regents and protest.

Mr. Maher says that the publication board, comprised of university professors, is primarily to blame, but that the chancellor has made a lot out of nothing. Some wag today issued a second letter, humorously taking off the chancellors stand in the matter.

**Nebraska Boosters Plan Motor Tour**  
KEARNEY, Neb., June 10.—(Special Telegram.)—With the objective point of Carrington, N. D., in view a party consisting of Messrs. Arthur Jenkins, J. W. Weaver, S. A. D. Henline and C. Hildreth left this morning for the north in the interest of the Dakota, Kansas & Gulf railroad, traveling in an automobile. The plan in mind is to get an insight into the possibilities of the extension of the proposed Kearney-Beloit road, now being advocated and for which the question of bonds will be voted this month all along the line from Kearney to Beloit.

The party going to the north today will include Pleasanton, Loup City, Burwell, Wheeling, S. D., and Carrington, N. D., from which place it is said to be possible to make railway connections with both Moose Jaw and Winnipeg, Canada.  
At the Commercial club meeting held at noon today a committee of five including Warren Pratt, F. J. Everett, J. G. Lowe, J. W. Patterson and Charles Ohler were appointed to formulate plans for a publicity campaign in favor of the \$30,000 bond issue by the city of Kearney, to be voted June 17 for the new road.

Twelve-Inning Contest with Grand Island Proves Best Quality of Ball Put Up in Fremont This Season.

FREMONT, Neb., June 10.—(Special Telegram.)—Fremont defeated Grand Island, 2 to 1 this afternoon in a twelve-inning game in which both teams put up about the best quality of ball that has been seen here this season. It was a pitchers' battle in which Rouse had the better of it and then just to prove that a pitcher can hit at a critical time his single brought in the winning run.  
Fremont started to win in the first, but failed to get a man around. Both scored in the sixth. In the last half of the twelfth Turpin made a long two-bagger hit, Captain Bennett sacrificed him to third and then Rouse ended the game by a clean single which brought Turpin home. Score: R.H.E. **Sutton Will Improve.**  
SUTTON, Neb., June 10.—(Special.)—The council has established a permanent park fund of approximately \$200 a year and will make a small levy for that purpose. The mayor will appoint a man at \$40 a month who will devote his entire time to park work beginning this month. The greater part of this park is natural timber following School Creek, and the sharp bends of the creek have brought the trees so close together that this park is one of the best in this part of the state. This park was donated to the town by J. N. E. Clark and his brother, Dr. M. V. Clark, in the early seventies. Since then it has been greatly enlarged by the planting of trees on the north and south. The soldiers' monument is located on the west edge of the park.  
Plans and specifications for a modern fire department building and jail are being planned by the city council. It is proposed to erect a cement block building 45x50 feet on the city jail property.
