## NEW FACTORY MOVING HERE

Gate City Company Will Put Out Vehicle Poles.

BUILDING ON NICHOLAS STREET

It is the Only Pole Factory in the West, Its Only Competition Being Located in the South and East.

The Gate City Manufacturing company, makers of high grade vehicle poles of all kinds, is moving from Clarkson, Neb., to Omaha where at 106-12 Nicholas street, it will start business about July 1. The business of the company, during one year's existence in Clarkson, has outgrown the quarters there and, according to Charles A. Seamon, secretary and manager, it is moving to Omaha to secure better manufacturing and shipping conditions than was possible there.

Besides manufacturing poles the company has a specialty of patent truss rod supporting surries. It will give Omaha the only pole factory in the west, the competition in that line being in the east and south. In addition to vehicle poles, a seed grader, cleaner and separator will be made. The machine is all steel, the only one of its kind on the market. At Clarkson the company was known

as the Neverbreak Pole company. Their poles will continue to bear the trade name, "N.B." They intend to cover the territory of Nebraska, Iowa, South Dakota and Minnesota with branches in other states as soon as they can make the goods now in demand and expected. Eight or ten expert carriage and galvanized iron workers will be employed at the beginning and will sell through agents to dealers and carriage manufacturers. At the location in Omaha the company will have 4,000 square feet of floor space and Union Pacific trackside. The stock and machinery is now being installed and the company expects new material and equipment to arrive within the next ten days. S. B. Allen and E. H. Koza of Clarkson are president and treasurer, respectively, of the new concern.

## Eggers-O'Flyng Box Company Will Build

The Eggers-O'Flyng factory will be augmented by the addition of a five story building costing \$40,000. The Eggers-O'Flyng factory is at 1423 Leavenworth. A permit for an addition 60,000 feet was granted by the city building inspection department.

Coats and Trousers \$1.25

Summer Dresses \$1.25 to \$1.75

## THE BEST TEST

Time is the best test of all—if a business continues to grow from year to year; if customers stay with you and recommend you to their friends it is pretty good evidence that they have gotten GOOD WORK. REASONABLE PRICES, FAIR TREATMENT and PROMPT SERVICE.

The Pantorium has many patrons for whom they have done work continuously for the past FIFTEEN YEARS.

They have always been first in Omaha to use new and improved methods and machinery, have always had the best plant, always employed the best help, always set the pace for the other cleaners, and always will.

They do more Cleaning and Dyeing today than any other two places in Omaha combined. Good work, reasonable prices, fair treatment, prompt service; that is the reason.

Just call them on either phone and a wagon or auto will be at your door promptly.

Express paid one way on out-of-town orders amounting to \$3.00 or more.
