

# NERVOUS, DEBILITATED AND RUN-DOWN

### Either the Rest Cure or Tona Vita Will Build You Up Again.

If you are nervous, debilitated, and run-down in health, there are two things you can do to bring back your strength and vitality. You can go to a sanitarium and take the rest cure or you can secure the great modern tonic "Tona Vita" and let it build you up and furnish new nourishment for your shattered nerves.

If you knew what wonderful results have been accomplished by "Tona Vita" since physicians first introduced it in this country you would much rather take this tonic than to go to any sanitarium on earth. Here is a statement from Mr. J. B. House, of 381 Twentieth Ave., Milwaukee, Wis., who has tried "Tona Vita": "I was all run down, intensely nervous and suffered with the most violent headaches. I felt tired and dull all day, my body seemed numb and at times, and I did not sleep well. My digestion was imperfect and I was continually constipated. As soon as I ate anything my stomach filled with gas and I was distressed for a half hour or more.

My mind was dull and my memory very poor. I contracted a cold easily and suffered with severe coughs. Sometime ago I talked with a physician who advised me to take "Tona Vita." I did it and am glad I did for the medicine was wonderful in my case. I feel as though I had a new lease on life. My ambition has returned as well as my strength and energy.

"I now sleep well and get up in the morning feeling cheerful and ready for work."

"My wife was also run down and nervous. She started taking the medicine when it began to help me. Her improvement has been fine and she is now in good health."

If you are run down and haven't enough strength to do your own work, you feel miserable a day longer, when you can get such a preparation as "Tona Vita."

Sherman & McConnell Drug Co., 19th and Dodge; Owl Drug Co., 18th and Harvard; Harvard Pharmacy, 24th and Park; and Loyal Pharmacy, 27th and North 18th St., is the agent for Tona Vita in Omaha and will refund the purchase price if it is not entirely satisfactory. ### CREIGHTON WILL SUSTAINED

#### Supreme Court Decides for Request for Working Girls' Home.

### END OF LONG LITIGATION

#### Will Admitted to Probate in 1907 and Was Contested by Heirs—Widow of John Zitnik Sustains Reversal of Judgment.

(From a Staff Correspondent.) LINCOLN, Neb., June 13.—(Special.)—The supreme court of Nebraska has decided that the terms of the will of John A. Creighton of Omaha will stand wherein he provided that \$50,000 should be set aside for a home for poor working girls. This bequest was made under section 10 of the will, while section 13 provided, after all other bequests were made, that the residue and remainder of the estate should be added to those already named, proportioned according to their bequests. This will give the home about \$100,000. The will was admitted to probate March 15, 1907, and on October 1 following several nephews and nieces, designated as the unnamed heirs, asked for a construction on sections 10 and 13 and made the executors and legatees under the will defendants. The county court held that clause No. 10 was void and incapable of execution and the executor appealed to the district court of Douglas county. The unnamed heirs then filed in district court a petition for the construction of clauses 10 and 13 of the will. A petition of intervention in the name of the attorney general of the state was then filed alleging that section 10 came under the charity and trust proposition and was, therefore, of a public nature and was the right and duty of the attorney general to appear in the matter. The case is remanded with direction to enter a decree distributing the whole estate to the same legatees and in the proportion that the specified bequests were distributed to the beneficiaries specified in the will, giving to the trustees of the charity named in the tenth clause the one-twenty-third part of the whole estate. Judges Barnes and Fawcett do not concur in the opinion, while Chief Justice Reese concurs in the dissent.

#### Judgment Reversed.

The court also reversed a judgment for \$9,000 obtained by the widow of John Zitnik, a locomotive engineer, who was killed in the Union Pacific yards in Omaha. Zitnik was operating a switch engine when he was struck by a switch engine and killed. The district court found the engineer in no way negligent, and as the evidence did not show the company or its agents negligent the verdict is set aside by the higher court. Governor Aldrich has gone to Paimyra today, where he delivered an address at the old settlers' picnic.

### CLAY COUNTY ASSESSOR RAISES VALUE OF LAND

#### CLAY CENTER, Neb., June 13.—(Special.)—District court has been in session here since Monday morning. Judge Hurd presiding. The session closed yesterday. Judge Hurd going to Hayes county to hold a term of court for Judge Berry.

Andrew H. Turney of Edgar, this county, was taken by the sheriff of Washington county, Kansas, to Hanover this morning on a warrant charging him with obtaining property under false pretenses. The act is alleged to have grown out of Turney buying some horses from a farmer giving him the check therefor and after the horses were in his possession notifying the bank on which the check was drawn to stop payment. William Wells, sheriff of Logan county, Nebraska, was here Tuesday with a warrant alleging the same facts practically practiced on a farmer living near Gandy. Sheriff Sanderson made the arrest on telegraphic communication from Kansas before the Logan county sheriff arrived, consequently he was taken to Kansas.

Only the officers at Wymore knew of Miller's presence in town, and everything was kept as quiet as possible for fear of mob violence. Miller talks but little regarding the case. He says his home is at Topeka, Kan., and that he has been visiting with relatives at Humboldt, Neb. He is 38 years of age and his alleged victim only 8. The Delaney girl was slightly improved last night and the attending physician believes she will recover.
