ell, Pennsylvania; John M. Early, Tennessee; Harry Shaw, West Virginia. The Alabama case, the contest over the Ninth district, was taken up. George R. Hundley presented the Roosevelt case, claiming the Taft members of the district committee had botched and organized an illegal convention.

NEW METHODIST BISHOP TO SPEAK IN OMAHA TONIGHT.

BISHOP FRANK M. BRISTOL.

Delay Not Permitted.
Halbert's persistent demand for a delay terminated in a motion to adjourn for fifteen minutes. This was overwhelmingly defeated and Chairman Devine then ordered the sergeant-at-arms to compel Halbert to take his seat. The latter did so reluctantly.

Hundley, the Alabama Roosevelt attorney, protested against the presence as a member of the committee of Alex J. Birch of Alabama, who had participated before in the Alabama arguments. Birch said he would not vote on the case.

R. R. McCormick of Illinois, who had come into the room, asked permission to designate another man to represent him during the day. This was granted after it was made clear that "only a delegate to the national convention" elected from the member's own state could come in on such a proxy.

The Ninth Alabama contest involved the control of the district committee. Roosevelt men claimed the Taft forces had botched, while the latter claimed they had actual control of the committee and that the Roosevelt men had used an unauthorized resignation of a Taft member in order to fill his place.

Free Discussion, Say Taft Men.
After two hours of debate on the Alabama cases members of the committee began to demand that the rules be observed. Under the rules the case would have occupied but a half hour. Taft leaders on the case declared, however, that they proposed to let full discussion be had on all cases, since charges of "rag rule" had been raised against them.

Halbert of Minnesota, before the decision on the Alabama case, said Roosevelt men favored taking the Alabama, Washington, Texas and California cases directly before the national convention for decision there.

Roosevelt members of the credentials committee agreed in a conference at noon to push only the Arizona, California, Texas and Washington contest cases, forty-eight delegates in all. They declared these were the most important cases. The agreement was made in the hope of shortening the committee's session.

JEWELERS OF IOWA CONFER

State Association Holds Annual Meeting at Des Moines.

ATTACK MAIL ORDER SCHEMES

Fraudulent Systems for Securing Business Censured—Guarantees on Watch Cases Declared to Be Bad Business.

(From a Staff Correspondent.)

DES MOINES, June 20.—(Special Telegram.)—The Iowa retail jewelers' association chose Des Moines as the place to hold their convention next year. Davenport was the only other city in the race for the next meeting.

A number of resolutions were passed by the convention, the most prominent being one condemning fraudulent and misleading advertising of jewelry by mail order houses.

The association pledged its support to the fight against such business methods and will go into the state legislature if necessary to put a stop to it.

The convention also went on record as being in favor of abolishing tin guarantees on watch cases and jewelry, stating that it was a bad plan.

The convention protested against the measure pending in congress prohibiting placing the retail value on an article of jewelry.

AIM OF MISS SHARP IS TRUE

Young Texas Woman Kills One and Wounds Two Others in Battle.

FIGHT IS RESULT OF OLD FEUD

Four Persons Killed in Fight that Begins When Sharps Pass Home of the Waldrops.

SHERMAN, Tex., June 20.—In a feud battle between the Sharp and Waldrop families at Sperry's Ranch, near here, this afternoon, four persons were killed and two wounded. Before she was slain, Miss Georgia Sharp killed one man and wounded another man and his wife.

The battle began when the Sharp family, consisting of Miss Georgia Sharp, her father, L. W. Sharp, and her brother, Walter, passed the home of the Waldrops.

Apparently both sides began firing simultaneously. Henry Waldrop killed Walter Sharp and his father. As they fell Miss Georgia Sharp seized her father's smoking magazine rifle and took up the battle. She killed Russell Waldrop and then shot his parents. Prose on the ground, Henry Waldrop returned the fire and shot Miss Sharp. She died almost instantly.

Today's battle was a culmination of a long standing dispute between the two families.

SESSIONS LAST FIVE MINUTES

(Continued from First Page.)

integrity of the nation. Amen." There was applause at the conclusion of the prayer.

Floor Leader Watson of the Taft forces obtained recognition immediately. He stated that the credentials committee was not ready to report and moved that recess be taken until 4 o'clock. The motion prevailed without objection, and the thousands, who were still perspiring from the exertion required to get in, at once began to scramble to get out.

Bryan Will Not Orate.

The only welcoming applause this morning was for William Jennings Bryan, who is reporting the convention for a number of newspapers. As Mr. Bryan moved to his seat in the press section of the platform, several persons in the gallery cried, "Speech, speech."

After the noon adjournment Bryan held an informal reception over the rail of the press section.

When the convention took its recess the report was everywhere current about the Coliseum that Colonel Roosevelt would come to the convention at 4 o'clock and make or try to make a speech. Nobody really knew whether it was true or not, but it added to the excitement.

Hundreds of people settled down to wait in the hall until 4 p. m.

Filling the Coliseum.

When the doors of the Coliseum were again thrown open at 2 p. m., with still an hour to spare and before the gavel should fall, the people began to pour in rapidly. At least 1,000 never had left their seats at all. No man or woman who went through that struggle for admission this morning could face without a quail the prospect of repeating it—the same day anyway. So there was a good sized audience all through the long wait, to hear the band, which in its lofty little box between the big flags on the north wall, entwined the interval with popular music.

The heat and humidity of the day increased after noon and men began to shed their coats. Thus far Chicago has given the convention delightful coolness, contrasting most agreeably with the smothering humidity of the last few days of republican convention week four years ago.

As the afternoon wore the western sky threatened a thunderstorm.

And Then It Rained.

It began to rain sharply at 3 o'clock. The crowd about the doors never budged. A few were fortunate enough to have umbrellas. Open skylights let rain in upon the people all along the center of the hall. On the west side the water blew in through the windows. But, wet or dry, nobody would take the chance of losing his seat.

La Follette enthusiasts during the recess distributed hundreds of little fans of material such that, rapped with a lead pencil, would make a drum-like noise. One side bore a picture of the Wisconsin man, the other a printed list of the achievements attributed to him. The fans were in great demand, if only because of the increasing heat. What they would contribute in the way of noise to a demonstration such as yesterday's could be guessed.

Decision in the Gompers Case is to Come Monday

WASHINGTON, June 20.—A decision in the contempt of court proceedings against Samuel Gompers and Frank Morrison of the American Federation of Labor, and John Mitchell will be announced on Monday by Justice Wright of the district supreme court.

The men are charged with violating a court injunction in the Buck Stove and Range boycott case.

Chemists Examine Stomach of Girl Who Died in Iowa

IOWA CITY, Ia., June 20.—(Special Telegram.)—Chemists and bacteriologists of the state university are testing the stomach of Elizabeth MacLain, the Washington, Ia., girl who died suddenly at her home Tuesday.

Washington doctors found traces of poison and at once sent the stomach here for examination. The case has created a sensation at Washington, and the findings of the university experts are eagerly awaited.

SELECT PARKER FOR CHAIRMAN

(Continued from First Page.)

National Committeeman Daniels of North Carolina urged his fellow committeemen this morning that harmony must be maintained and conferred with his associates in an endeavor to find some way of bringing about a solution of the temporary chairmanship problem.

Members of the arrangement committee called to name the temporary officers of the convention are: Chairman, Norman E. Mack, P. L. Hall of Nebraska, Urey Woodson of Kentucky, Josephus Daniels of North Carolina, Clark Howell of Georgia, John T. McGraw of West Virginia, R. M. Johnson of Texas, Martin J. Wade of Iowa, Edwin O. Wood of Michigan, Roger C. Sullivan of Illinois, Thomas Taggart of Indiana, Robert Ewing of Louisiana, Robert S. Hudspeth of New Jersey, Thomas H. Browne of Vermont, John E. Osborne of Wyoming and J. F. C. Talbot of Maryland. All the members of the committee on arrangements are here except Mr. Hall of Nebraska.

Majority is for Parker.

It was authoritatively stated that a majority of the committee is for naming Judge Parker for temporary chairman and that the committee would go through with that plan. Several of the committeemen said they thought that the matter would be taken to the convention floor. It was informally proposed this morning as a possible solution of the question that Colonel Bryan be named permanent chairman.

W. F. Combs, leader of the Wilson forces, said that the Wilson people had no candidate for temporary chairman and would abide by the committee's selection.

It was understood here today that the Clark advocates would meet in Washington tomorrow to determine their course.

Charles F. Murphy, leader of Tammany Hall, was expected here tomorrow with Governor Dix following the day after, and Judge Parker was expected probably on Monday.

CHICAGO, June 20.—William Jennings Bryan, today refused to commit himself on the report that he is opposed to Allen B. Parker presiding as temporary chairman of the democratic national convention.

"One convention at a time, please," he said. "Our convention comes next. There will be plenty of time to discuss it when this convention adjourns."

WILSON WILL NOT ATTEND.

NEW YORK, June 20.—Governor Woodrow Wilson left here today for Seagriff N. J., where he expects to remain until after the Baltimore convention. His plans, however, include a trip to Trenton next Tuesday, the first day of the convention, this being the weekly "governor's day" at the state capital. The governor expects to be in touch with the Wilson leaders at Baltimore by telephone during the convention. A private line to the convention hall will be installed at the governor's cottage at Seagriff within the next few days.

Governor Woodrow Wilson is in New York today for a series of conferences with political leaders from this and nearby states. His aim is to forward his interests as a candidate for the presidential nomination at the Baltimore convention.

Governor Wilson arrived last night and his first conference was with up-state democratic leaders. State Senator Franklin D. Roosevelt and Thomas M. Osborne were with the governor soon after his arrival and it was said that several other prominent democrats from up the state were expected to call on him later by invitation.

Friends of the governor thought it likely too that he would see Charles F. Murphy, leader of Tammany hall before leaving the city.

Other visitors expected, it was said, were several delegates from Connecticut.

Parker Refuses to Talk.

ROCHESTER, N. Y., June 20.—Alton B. Parker, when shown the dispatch announcing his selection as temporary chairman of the democratic national convention, declined to make any comment or to say whether or not he would accept. He is in Rochester attending the trial of the Independent telephone cases.

General Woodford Seriously Ill.

LONDON, June 20.—General Stewart L. Woodford, one time lieutenant governor of New York, and formerly United States minister to Spain is lying seriously ill in an inn near Roxford, where he was stricken. Mrs. Woodford is with him.
