STATE GOLF FOR WEDNESDAY

First Players to Leave Initial Tee at Seven O'clock. MATCH IS AT THE COUNTRY CLUB Secretary Hall Says He Expects the Entry List to Total at Least a Hundred and Seventy-Five—Play for Four Days. The local golf pot is all in readiness now for the eighth annual tournament of the Nebraska Golf association, which will keep things bubbling merrily at the Country club links the last four days of this week. Frank J. Hoel, secretary of the state association, and likewise a muddler in the "lawn pool" sport, has announced that plenty of fuel will be on hand to keep the kettle sizzling and reports an entry list of sunburned, slouch hat vets and near-vets which totals in the neighborhood of 175. Dave Mentilly, chief sport impresario and guardian of the Country club, says the big event will start promptly at 7 a. m. Wednesday, but this early hour does not always lend a wholesome vigor for a long day of troubles. Wednesday will be taken up with the qualifying round and the Nebraska club team championship. Once started, however, there is little doubt that anyone at the Country club or in the near vicinity will be idle—no even the shaggy-haired Benson "houn daws" who have been trained by energetic small boys to carry off anything like a lost golf ball from a "red dot" to a "midget dimple" from obscure parts of the links. Out-of-town-entrants will arrive Tuesday afternoon and evening. It is expected that at least fifty pill chasers from the following golf organizations will attend and participate: Lincoln Country club, Overland Country club, Hastings Country club, Fremont Country club and Council Bluffs Rowing association. All the four local clubs, Happy Hollow, Field, Country and Miller park will be well represented. Local golfers will join hands in entertaining visitors and in addition to informal luncheons at the Country club, the doors of the Field club and Happy Hollow will be thrown open to the players during the tourney. Frank H. Gaines, last year's champion, and W. J. Foye, runner-up, will not take part. Samuel Reynolds, Jack Hughes and W. N. Chambers of the Field club, Blaine Young and J. W. Redick of the Country club and J. S. Wopner of Happy Hollow loom up as likely contenders for the laurels this year. Aged white-haired women and feeble men, bowed by the weight of years, were given places of honor at the morning service in Calvary Baptist church, Twenty-fifth and Hamilton streets, yesterday. The occasion was a special service for the old people, suggested by the pastor, and planned and arranged by the ladies of the Philatheas society of that church. About twenty of the old people who are no longer able to attend services regularly were brought out in automobiles. The society had arranged for four automobiles, some of which made two trips, bringing old women and men from as far as South Omaha, and the Old Peoples home. The feeble ones were helped up and down the stone steps at the church by members of the Philatheas society, and by the younger men of the church. They Smile With Gratitude. "Don't let me fall!" "Hold on to me tight!" "I'm dreadfully afraid of falling," and similar remarks were frequently heard from the lips of the old people as they were helped down the steps after the service. But the faces of all beamed smiles of gratitude upon those who had been kind enough to send a big automobile to carry them luxuriously to the church. Rev. E. R. Curry preached a sermon appropriate to the occasion. "And at eventide it shall be light" was the text he chose. He spoke of the "vandal years" and of how the vandal robbed the individual of many of his faculties, but brought out the fact that although the years are vandals in robbing some of the physical powers they are in reality enriching us in character if we live the right kind of lives. BABY HAD ECZEMA WHEN 2 WEEKS OLD Burned and Itched. Had to Keep Hands Covered So Could Not Scratch Face to Pieces. Started with Cuticura Soap and Ointment. In 8 Days Not a Sign of Trouble. 2729 La Salle St., St. Louis, Mo.—"Our baby's skin began when he was two weeks old. It started with little red pimples on his cheek and ear lobe and on his forehead. When the pimples were about twenty-four hours old they would fill with clear liquid like water. Baby would not sleep because it would burn and itch. He would scratch in his sleep. Our family doctor said the child had got eczema. When the baby was two months old, we had to keep his hands covered so that he would not scratch his face to pieces. I was giving up hope that there was any cure for our child. "One evening my wife saw the advertisement of Cuticura Soap and Ointment. When we started with Cuticura Soap and Ointment the sores were one hard crust. We followed the directions and in three days the crusts came off, and in eight days you could not see a sign of any trouble. Now his skin is as soft as velvet, and as healthy as can be. We always give him his bath with Cuticura Soap." (Signed) H. W. Bundstein, July 7, 1911. The regular use of Cuticura Soap, assisted when necessary by Cuticura Ointment, not only preserves, purifies and beautifies the skin, scalp, hair and hands, but tends to prevent clogging of the pores, the common cause of pimples, blackheads, inflammation, irritation, redness and roughness, and other unwholesome conditions. Cuticura Soap and Ointment are sold by druggists and dealers throughout the world. Sample of each mailed free, with 25-cent book, Address, "Cuticura," Dept. T, Boston. Tender-faced men should shave with Cuticura Soap Shaving Stick.

Women to Frisco for Club Meeting SAN FRANCISCO, June 24.—Special trains are pouring delegates to the eleventh biennial convention of the General Federation of Women's clubs into San Francisco. The convention program will begin with a complimentary concert tomorrow night and will continue until July 6. One of the most important questions to be settled before the opening will be remodeling the present organization in such a way as to make possible a less cumbersome method of voting. It is believed the Pennsylvania plan will be chosen from the many discussed. The work of the California biennial board and of the auditorium committee is nearing completion and will be ready for submission at the opening meeting.
